## 6 REPORTS

### 22.5.2 2022/23 COMMUNITY AND PROMOTIONS GRANTS APPLICATIONS

Doc ID: 589843

#### 1. Purpose of Report

To consider the first round of the community and promotions grants applications for the 2022/23 financial year.

---

#### Recommendations

That the Maniototo Community Board

- A. Receives the report and accepts the level of significance.
  - B. Decides the grants to be allocated to the applicants of the Community and Promotions Grants.
- 

#### 2. Background

The Central Otago District Council contributes to the social, economic, environmental and cultural well-being of the local community through the contestable grants process.

The objectives of the grants process are:

- Enhance well-being in the district (social, economic, environmental and cultural)
- Empower local communities
- Facilitate the delivery of community outcomes
- Promote our regional identity: Central Otago A World of Difference.

There are two types of grants that can be applied for, community grants and promotions grants. Each are funded using different targeted rates, which means that one pool cannot subsidise the other. Each application must be considered on its own merit and its fit with the relevant grant criteria and available budget. One application was received in this round that meets the criteria for both funds, that has been considered as a promotions grant.

The Board considers grant applications in two rounds annually. Applications for the first round closed at the end of July 2022 for a decision at this meeting. Any funds remaining, will be made available for a second round, with applications closing on the 19<sup>th</sup> of March 2023 for a decision in May 2023.

The Maniototo Community Board is delegated the authority to consider applications for activities and projects within its boundaries.

Annually, there is \$15,000 to distribute in the Maniototo community grants scheme and \$5,000 to distribute in the promotions grants scheme.

### 3. Discussion

#### Community Grants

One community grant application has been received in this round, requesting \$8,300. There is \$15,000 to distribute. The details are provided in the table below:

No	Name of Organisation	Name of project / service	Purpose of funding	When does the project start	Total costs	Amount requested
1	Maniototo Early Settlers Association Inc	Annual operating costs	Annual operating costs	1/08/2022	\$20,744	\$8,300

Copies of the applications, supporting documentation and staff assessments are provided to Board members under separate cover.

#### Promotion Grants

One promotions grant application was received in this round, requesting \$4,000. There is \$5,000 to distribute. The details are provided in the table below:

No	Name of Organisation	Name of project / service	Purpose of funding	When does the project start	Total costs	Amount requested
1	Naseby Information and Craft Inc	Annual Expenses	Power, Insurance, Phone etc.	1/04/2022 to 31/03/2023	\$8,930	\$4,000

Copies of the applications, supporting documentation and staff assessments are provided to Board members under separate cover.

### 4. Financial Considerations

As detailed above, the Board has \$15,000 to distribute for the 2022/23 Community Grants and \$5,000 to distribute for the 2022/23 Promotion Grants. The Board has the delegated authority to spend within this budget. Any recommendations above these amounts would fall outside of that delegation and would need to be by way of a recommendation to Council.

Should the Board support the applications as requested in full, then this would leave \$6,700 for the second round of the community grants and \$1,000 for the second round of the promotions grants.

Any funds remaining, will be made available for a second funding round, closing on the 19th of March 2023 for a decision in May 2023.

### 5. Options

The Board is asked to consider each application and determine the appropriate level of funding. There are no other options as the Board has the delegation to allocate grants from the contestable funds.

## 6. Compliance

<b>Local Government Act 2002 Purpose Provisions</b>	This decision promotes the social, cultural, economic and environmental wellbeing of communities, in the present and for the future by providing a contestable funding pool that enables projects to be delivered in the community that enhance wellbeing.
<b>Decision consistent with other Council plans and policies? Such as the District Plan, Economic Development Strategy etc.</b>	Yes, this decision is consistent with the Grants Policy, and other plans and policies that may be impacted by any of the individual grant applications.
<b>Considerations as to sustainability, the environment and climate change impacts</b>	There is no direct impact, some applications may have a positive environmental impact from time to time.
<b>Risks Analysis</b>	No risks have been identified in the funding applications.
<b>Significance, Consultation and Engagement (internal and external)</b>	The funding rounds were advertised in the local newspaper, Council's website and Facebook page, and through combined agency community funding clinics. Discussions with departments of Council have taken place where there impacts arising from the application.

## 7. Next Steps

Once the Board has made a decision on the level of funding for each organisation, this will be communicated to each applicant and payments made.

## 22.5.3 MĀNIATOTO INTERIM FINANCIAL REPORT FOR THE PERIOD ENDING 30 JUNE 2022

Doc ID: 588782

### 1. Purpose

To consider the financial performance overview as at 30 June 2022.

### Recommendations

That the report be received.

### 2. Discussion

These statements are designed to give an overview on the end of financial year performance. It is important to note that as the Annual Report to the 30 June 2022 is compiled, that the figures below may change as required.

The operating statement for the twelve months ending 30 June 2022 shows a favourable variance of \$257k against the revised budget.

This table has rounding (+/-1)

**Income for period ending 30 June 2022**

Operating income reflects a favourable variance to the revised budget of \$22k.

- User fees and other income has a favourable variance of \$3k. This is because the invoicing for rental and hires has been up to date and thus in line with budget.
- Internal interest revenue is trending lower than budget due to minimal market interest rates.
- Rates shows a favourable variance of \$32k. This is due to a year to date of Targeted Rates being in line with revised budget.

**Expenditure for period ending 30 June 2022**

Expenditure has a favourable variance of \$235k compared to the revised budget. The revised budget variances are detailed below.

- Staff has an unfavourable variance of (\$27k). This is due to qualified staff from other pools being required to cover Ranfurly pool resulting from the COVID-19 restriction vaccine compliance and the need to have a double crew for safety requirements.
- Other costs at \$24k, contracts at \$34k and professional fees at \$94k are all favourable year-to-date. These expenses are more needs-based and will vary against budget from time-to-time. The professional fees variance is due to the timing of engineering fees which are for detailed seismic assessments to determine preliminary design work for earthquake strengthening and cost estimate for the physical work.
- Depreciation has a favourable variance of \$89k. This is due to year to date favourable variances in parks and reserves of \$111k. This is offset by the Ranfurly pool's depreciation of (\$18k). The districts' pools were revalued as at 30 June 2020 in the parks and reserves valuation. After the pool values increased significantly, Council elected to phase the increased depreciation over the next three years to reduce the impact of rates.

## Capital Expenditure

Capital expenditure (CAPEX) for the period ending 30 June 2022 reflects that CAPEX spending is \$122k behind the revised budget. The actual capital spent ended at 62% of the total revised budget.

Managers are currently working through their carry forward projects from the 2021/22 financial year.

*This table has rounding (+/-1)*

The significant variances are:

### Parks and Reserves have an overall favourable variance of \$119k

- Other reserves has a favourable variance of \$101k. The Naseby flying fox equipment has arrived in New Zealand, with installation due to commence in June 2022. The procurement plan for the John Street playground project has been submitted for approval at the time of writing this report, this project will be carried forward into the 2022-23 financial year.
- Cemeteries has a favourable variance of \$10k. COVID-19 has caused the Ministry of Health to outline a series of measures to prevent the spread of the virus, hence reducing rate of death.

### Property has an overall favourable variance of \$3k.

- The Maniototo Stadium entrance and Naseby Hall ceiling fan and pathway projects have been completed.

### Reserve Funds table for Māniatoto Ward

- As of 30 June 2021, the Māniatoto ward had an audited closing balance in the Reserve Funds of \$813k. This is the ward-specific reserves and does not factor in the district-wide reserves which are in deficit at (\$16.7M). Refer to Appendix 1.

- Taking the 2020/21 audited Annual Report closing balance and adding 2021/22 income and expenditure, carry forwards and resolutions, the Māniatoto ward is projected to end the 2021/22 financial year with a closing balance of \$898k.
