3 REPORTS

23.2.1 2023 SPORT NEW ZEALAND RURAL TRAVEL FUND: DISTRIBUTION OF FUNDS

Doc ID: 1201810

1. Purpose

To consider applications received for the rural travel fund, and to allocate funds appropriately.

Recommendations

That the Assessment Committee

- A. Receives the report and accepts the level of significance.
 - B. Agrees that the Assessment Committee allocates the Sport New Zealand rural travel fund to the applications listed in attachment 1 of the report in a manner befitting the Sport New Zealand rural travel funding guidelines and eligibility criteria.
-

2. Background

The rural travel fund has been developed as a national initiative by Sport New Zealand in response to concerns raised by territorial authorities about the lack of participation in sport by young people living in rural communities. Geographical isolation, urban drift, lack of employment opportunities and access to mainstream funding were identified as barriers to sport participation.

The Sport New Zealand Rural Travel Fund (the Fund) is available in 2023/2024 and is targeted at young people aged between 5 and 19 years. This is an interim measure until a rural participation strategy is fully developed and implemented.

The Fund is designed to help subsidise travel for junior teams participating in local sport competition. The allocation of the Fund is based on a population density formula for territorial authorities who have less than 10 people per square kilometre.

3. Discussion Proposal

To allocate the rural travel funds in a manner befitting Sport New Zealand funding guidelines and eligibility criteria. A summary of applications received is attached as appendix 1.

Grants that are allocated to clubs must be uplifted by Friday 24 November 2023, otherwise funds are carried over.

Statutory and Legal

The proposal as outlined is consistent with the Community Sport Fund guidelines.

Significance

This decision is not considered significant as it is procedural. No further analysis of impacts or community views is deemed necessary.

Funding for 2023/24

Sport New Zealand has allocated a grant of \$12,825.00 for distribution to clubs and organisations within the Central Otago district for the 2023/24 year.

Sport New Zealand has provided an additional funding grant of \$3,325.00 for distribution. This takes the total funding available for 2023/24 to \$16,150.00. The maximum allowable sum of \$200.00 has been deducted for advertising costs. (Incurred to date is \$114.00),

The Community Trust of Otago have provided a grant for the Rural Travel fund of \$10,000.00 bringing the total amount for distribution to \$26,150.00 for the 2023/24 year.

Total available funding is summarised below:

Sport New Zealand Funding	\$12,825.00
Sport New Zealand Extra Funding allocation	\$3,325.00
Community Trust of Otago Funding	\$10,000.00
Less advertising	-\$200.00
Total funds available for distribution	<u>\$26,150.00</u>

Applications for Funding

This year a total of seventeen applications have been received, for funding totalling \$16,733.90.

Copies of these applications have been included in the agenda along with a summary of the applications. The table below outlines the spread of applications throughout the district:

Ward	Number of applications
Alexandra	5
Cromwell	1
Earnscliffe/Manuherikia	1
Maniototo	2
Teviot Valley	7
Central Otago District	1
Total	17

Funding Guidelines

Applications for the Fund is open to rural sports clubs and rural school teams with young people aged between 5-19 years who require subsidies to assist with transport expenses to local sporting competitions. Funding should not be provided for the purpose of travel to regional or national events, with the exception of some local sports groups e.g., Dunstan Arm Rowing Arms Club Inc, where there is no local competition for them to participate in and they have to travel out of the district for local competition.

Sport New Zealand has not set any guidelines determining what the levels of contribution should be but recommend that committees consider applications relating to the needs of the individual organisations.

Central Otago District Council

Dear Mayor Tim

RURAL TRAVEL FUND

The Trust commissioned a sector scan and review of Sport and Recreation in 2021, one of the areas highlighted was "Reducing Barriers to Access". Our Trustees understand that the cost of participating in sport can be a barrier and increasingly parents struggle with the cost of taking children to sport.

With this in mind, we would like to partner with you by offering an annual grant of up to \$10,000 as a contribution to the Rural Travel Fund that your Council administers on behalf of Sport New Zealand. This top up is to be allocated to rural sports clubs and schools in the Otago Community Trust region, using the current criteria for the Rural Travel Fund and your current processes. This grant is payable upon receipt of a summary of requests received and recommended amounts along with bank verified account details for the account to which the grant will be paid into.

We hope you will be as delighted with this offer as we are to be able to make it. Wishing you a happy and safe holiday season.

Kind regards

Sue Stewart

GUIDELINES

1) **Background**

The Sport NZ Rural Travel Fund (RTF) was established in 2003 with the purpose being to “remove the barrier of cost to participation for those in rural communities”. In 2020-21 the RTF was allocated across 35 ‘provincial’ TAs in Aotearoa.

2) **The Fund - Detail**

The Rural Travel Fund (RTF) will be administered on Sport NZ’s behalf by thirty-five eligible Territorial Authorities (TAs) across Aotearoa. These guidelines apply for the period to 30 June 2024.

The RTF is to provide quality sport opportunities and experiences for tamariki (children aged 5-11) and rangatahi (young people aged 12-18). We would ask that the TAs receiving RTF consider how they place an emphasis on providing sport experiences for:

- Girls and young women aged 5-18; and/or
- Disabled tamariki (5-11) and rangatahi (12-18)

In 2021-24 Sport NZ will allocate \$444k to the 35 eligible TAs for distribution into their communities.

3) **Sport New Zealand Strategic Direction 2020-2032**

In mapping our strategic direction to 2032, Sport New Zealand have introduced a new vision and purpose.

Our Purpose

To contribute to the wellbeing of everybody in Aotearoa New Zealand by leading an enriching and inspiring Play, Active Recreation and Sport system

Our Vision

Every Body Active

4) **Amended Rural Travel Fund Application Form**

As we are interested in understanding more about how this fund is currently being used within your community, we adjusted the RTF application form template to seek more data from applicants on gender and disability. Please ensure that you use this updated form going forward.

5) **Other Sport New Zealand Funding Streams**

Sport NZ also offer other community funding opportunities such Tū Manawa Active Aotearoa. If you are interested in knowing more, we suggest that you follow Sport NZ and your local Regional Sports Trust on social media (or sign up to their newsletter) to be kept informed.

INFORMATION FOR APPLICANTS

6) Eligible teams

Applications for funding from the Rural Travel Fund can be made by rural sport club teams and rural school club teams within the Territorial Authority region, with members aged between 5 and 18 years, who require financial assistance with transport costs so that they can participate in local sporting competitions and events.

7) Eligible travel

The following criteria will be applied by Territorial Authorities when considering applications for funding made by eligible teams (along with any other criteria that the Authority considers appropriate).

A rural school club team will be eligible for funding if it is participating in a regular local sports competition out of school time, which excludes inter-school and intra-school competitions run during school time.

A rural sports club team will be eligible for funding if it is participating in an organised, regular sports competition through club membership outside of school time.

Please note: Funding will **not** be provided for, and may not be used for, the purpose of travel to **regional** or **national** sports competition.

8) Accountability for funding

You must only use the funding for travel costs that arise from the team participating in a local competition, and as agreed with the relevant Territorial Authority.

You must return an accountability form to the Territorial Authority administering your funding that shows how the funding was spent, including by providing proof of purchases made and any receipts.

9) **Goods and Services Tax (GST)**

GST registered organisations:

If you are a GST registered organisation, the Territorial Authority administering your funding will pay your funding plus GST. You must then account for the GST to the Inland Revenue Department (IRD).

Non-registered GST organisations:

If you are not GST registered, the Territorial Authority administering your funding will not add GST to your funding.

10) **Return of unspent funds**

You must return any funds you have not spent as of 30 June 2022 to the Territorial Authority administering your funding.

11) **Further information**

If you have any questions regarding the Rural Travel Fund, there are FAQs at the back of these Guidelines. Sport New Zealand also has a FAQ section on its website at [Rural Travel Fund | Sport New Zealand - Ihi Aotearoa \(sportnz.org.nz\)](https://sportnz.org.nz/rural-travel-fund).
