Q17. **Which hall/facility would you like to comment?**	Poolburn Hall

Q18. **Would you like to comment on the Ophir Hall?**

not answered

Q19. **Would you like to comment on the Poolburn Hall?**

Cricket and rugby have been a big part of the Ida Valley. As president of the Blacks Hill Cricket Club I have been privileged to play cricket at Poolburn Hall. This is a unique cricket ground with lots of history. We have a senior reserve team, also have 44 primary school kids playing. This hall & facilities are used most Saturdays over summer. The hall is vital for the development of cricket platers, also other sports in the community. The Poolburn Hall has much needed facilities that enable us to foster cricket in this area.

Q18. Would you like to comment on the Ophir Hall?

not answered

Q19. Would you like to comment on the Poolburn Hall?

Poolburn Moa Creek Memorial Hall Our hall is our meeting place. I have been chair of committee for 5 years and am a 3rd generation of committee members in our family. Our hall has many uses and too many to list here. But mostly used as a meeting place which the community desperately requires. Our hall is used for sports, schools, family functions, including weddings, birthdays and funerals. Playgroup. AGM's of many organisations. Reunions are held as necessary. And it is a place to respect those who fought in the wars.

Q41. **Would you like to comment on the Ranfurly Service Centre?**

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?** — not answered

Q44. **Which option do you prefer?** — Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

not answered

Q46. **Which option do you prefer?** — Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

not answered

Q48. **Which option do you prefer?**	Option A: Provide additional funding of up to $1.6 million towards the construction of the Manuherekia Valleys Community Hub, funded from Vincent General Reserves.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?**	Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

Surely a commercial business like this backed by a very rich person can fund this event. why are they asking ratepayers for money. Yes this could provide a financial return for some of the people and groups involved and businesses that can leverage off such an event. Maybe that is where the financial support should come from. Know doubt there will be costs in having an event of this size in our area that the council will have to pick anyway. I thought the council declared there was a "climate crisis" not that long ago. How does the proposed financial support of an event like this tally with that declaration. I myself would probably attend such an event. But I wouldn't expect ratepayers to provide any backing.

Q52. **Which option do you prefer?**	Option B: Provide a $200,000 grant loan funded over a period of 10 years.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

not answered

Q54. **Which option do you prefer?**	Option B: Provide a $300,000 grant loan funded over a period of 10 years

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

not answered

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q58. **Would you like to upload any supporting documents?**	not answered
Q59. **How did you hear about this engagement opportunity? You may tick more than one.**	The News - Central Otago Social media

not answered

Q39. Would you like to comment on another hall or facility?

not answered

Q40. Would you like to comment on the Centennial Milk Bar?

not answered

Q41. Would you like to comment on the Ranfurly Service Centre?

not answered

Q42. Would you like to comment on the Wallace Memorial Rooms?

not answered

Q43. Would you like to upload any supporting documents about halls and facilities? not answered

Q44. Which option do you prefer? Option B: Do not support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?

not answered

Q46. Which option do you prefer? Option B: Retain the outdoor pool in Alexandra.

Q47. Would you like to provide comments on the Alexandra outdoor pool?

What are you actually thinking!!?? Of course we should keep the outdoor pool. Facilities like this are priceless and once they are gone they are never returned. Instead you should invest in it - a slide would excite children to go out there. At the moment it is so bland and boring outside.

Q48. **Which option do you prefer?**	Option B: Provide additional funding of up to $1.6 million, loan funded over a period of 10 years.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?**	Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

not answered

Q52. **Which option do you prefer?**	Option B: Provide a $200,000 grant loan funded over a period of 10 years.

Q53. **Would you like to provide comments on the Artificial Turf at Manlototo Area School?**

not answered

Q54. **Which option do you prefer?**	Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

This would be a fantastic community resource - and allow Central Otago to bring national and international games to the area by combining turfs with Cromwell for tournaments.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q1. **I'm registered for Let's Talk**	No. Please complete the demographic questions below.
Q2. **First name**	Mark
Q3. **Last name**	Willyams
Q4. **Email address**	[redacted]
Q5. **What is your connection to the Central Otago District?**	I'm a Central Otago District ratepayer
Q6. **Where do you live?**	Vincent Ward (Alexandra and surrounds)
Q7. **What year were you born?**	[redacted]
Q8. **What gender do you identify with most?**	[redacted]
Q9. **I am submitting**	as an individual
Q10. **Do you want to speak to your submission at a formal meeting?**	no
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.

Q13. **Would you like to comment on our plan for water?**

Concern about going in with Queenstown lakes. Makes sense to have a bigger authority, however Queenstown has huge challenges and could absorb/dominate funding. Queenstown should be a stand-alone with direct government support as a premium Tourist destination with enormous water challenges. Alexandra water is great now ,our challenge is wastewater upgrades. Combine with Cromwell, Roxburgh,Omakau at least. (CODC district)

Q14. **Please choose your preferred option.**	Option B: Increase the volumetric charge to $1.80 per cubic metre, with the fixed charge at $639.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

not answered

Q16. **Please select your preferred option.**	Option B: Maintain the current level of support that Council provides for all of the halls and facilities listed above.

Q17. Which hall/facility would you like to comment? not answered

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?** — not answered

Q44. **Which option do you prefer?** — Option B: Do not support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

Prefer to keep Alexandra outdoor pool open.

Q46. **Which option do you prefer?** — Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

not answered

Q48. **Which option do you prefer?**	Option B: Provide additional funding of up to $1.6 million, loan funded over a period of 10 years.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?**	Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

Inappropriate use of council funds.

Q52. **Which option do you prefer?**	Option B: Provide a $200,000 grant loan funded over a period of 10 years.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

not answered

Q54. **Which option do you prefer?**	Option B: Provide a $300,000 grant loan funded over a period of 10 years

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

Strongly support this initiative.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

Trust in council professionalism and knowledge.

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

Summary comment is for council to focus on water issues, specifically wastewater for Vincent area as development and inclusion of Clyde will require redevelopment and expansion of this service. Would prefer a cost effective system that avoided or minimised discharge into rivers but not a super costly super land discharge. Current Government legislation seems to suggest there are compromise options. Wastewater is a issue for every settlement with the rapid development and population growth. At the same time as this primary focus, I would like to see us retain our community resources as much as possible, sports grounds, cultural centres, libraries, museums and recreational resources. These are vital for a healthy growing community.

not answered

Q46. Which option do you prefer? Option B: Retain the outdoor pool in Alexandra.

Q47. Would you like to provide comments on the Alexandra outdoor pool?

This outdoor pool was invaluable when we attended in February for the Alexandra Swim Meet. It gave extra space for swimmers to warm up/down as there was a record number of swimmers attending. It helped keep the swimmers cool while temperatures were at least 30 degrees over the weekend. Our toddler was able to enjoy the outdoor pool area without being disruptive to the swimmers competing inside.

Q24. Would you like to comment on Clyde Hall?

not answered

Q25. Would you like to comment on Becks Hall?

Our playgroup uses this hall every Wednesday. This is a lifeline for families in our community, there is no alternative location. We have no daycare in our area so a location for young families to gather is so important. We also hold community meetings, weddings, parties, fundraisers, Christmas party, funerals here.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

not answered

Q46. **Which option do you prefer?** Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

The outdoor pool provides our Alexandra children a safe place to swim outside. We have discouraged our children to swim in the river due to the strong current and love that we have this alternative. It has been closed a lot due to staffing recently which will affect numbers you have quoted. It would be such a shame to see this wonderful community asset closed.

Q48. **Which option do you prefer?** not answered

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?**	not answered

Q51. **Would you like to provide comments on the Supercars Championship?**

Q1. **I'm registered for Let's Talk**	Yes. Please skip past the demographic questions and click next at the bottom of the page.
Q2. **First name**	not answered
Q3. **Last name**	not answered
Q4. **Email address**	not answered
Q5. **What is your connection to the Central Otago District?**	not answered
Q6. **Where do you live?**	not answered
Q7. **What year were you born?**	not answered
Q8. **What gender do you identify with most?**	not answered
Q9. **I am submitting**	as an individual
Q10. **Do you want to speak to your submission at a formal meeting?**	no
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.

Q13. **Would you like to comment on our plan for water?**

not answered

Q14. **Please choose your preferred option.**	Option B: Increase the volumetric charge to $1.80 per cubic metre, with the fixed charge at $639.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

volumetric charges has been a good thing in Naseby with much reduction in waste and selfish overuse. A little more attention to leaks in the network would be positive

Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.

Q17. **Which hall/facility would you like to comment?** Naseby Hall
Naseby General Store

Q18. **Would you like to comment on the Ophir Hall?**

not answered

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

not answered

Q21. **Would you like to comment on the Clyde Railway Station Building?**

not answered

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

not answered

Q23. **Would you like to comment on Blyth Street Museum, Clyde?**

not answered

Q24. **Would you like to comment on Clyde Hall?**

not answered

Q25. **Would you like to comment on Becks Hall?**

not answered

Q26. **Would you like to comment on Vallance Cottage?**

not answered

Q36. **Would you like to comment on the Roxburgh Squash Court Building?**

not answered

Q37. **Would you like to comment on the Fenton Library?**

not answered

Q38. **Would you like to comment on the Naseby General Store?**

Disposing of this building may make it more difficult for the general store and postal depot to be maintained. We have just had two different owners of this vital community asset in the last 4 years and they have made a great job. If they had to set up such a enterprise without a suitable building to rent as at present the business may not be viable

Q39. **Would you like to comment on another hall or facility?**

not answered

Q40. **Would you like to comment on the Centennial Milk Bar?**

not answered

Q41. **Would you like to comment on the Ranfurly Service Centre?**

Q41. **Would you like to comment on the Ranfurly Service Centre?**

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?** — not answered

Q44. **Which option do you prefer?** — Option B: Do not support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

Projects in general should be self-funding, and enough study should be done to prevent unsustainable projects from coming online in the first place. A reduction in rates by not funding these types of projects would allow residents to choose which projects they want to use and will then fund through the use of the ones they want to pay for or donate to.

Q46. **Which option do you prefer?** — Option A: Close and decommission the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

Would it be more cost-effective during decommissioning to change the use of the pool to a skate park for local residents?

Q48. **Which option do you prefer?**	Option B: Provide additional funding of up to $1.6 million, loan funded over a period of 10 years.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

If the project plan can justify the cost of interest on a loan going forward, then I have no issues with using councils, I assume, preferential financing rates to get this project underway if it will sustain itself.

Q50. **Which option do you prefer?**	Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

Events should be able to fund themselves

Q52. **Which option do you prefer?**	Option C: Do not support

Q53. **Would you like to provide comments on the Artificial Turf at Manlototo Area School?**

not answered

Q54. **Which option do you prefer?**	Option C: Do not support

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

not answered

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

As much as possible user pays should be the way to go for council decisions and as minimal number of projects as is necessary for a community to run should be handled by the council. If it is possible for the private sector to run something then it should be left to own or run that.

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q58. **Would you like to upload any supporting documents?**	not answered
Q59. **How did you hear about this engagement opportunity? You may tick more than one.**	Email

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

not answered

Q54. **Which option do you prefer?** Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

There would be so many benefits to having a full sized turf here in Alexandra. Speaking from only a hockey perspective (although there would be multiple other sporting groups who could benefit from this) our region's hockey programs are currently at full capacity, with no room for additional teams in certain grades. This new surface would provide significant benefits by accommodating more players and fostering greater participation. And a lot less travel for a lot of kids, particularly those from the Matakanui / Valley / Maniototo / Roxburgh areas.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q33. Would you like to comment on the Wedderburn Hall?

not answered

Q34. Would you like to comment on the Millers Flat Hall?

not answered

Q35. Would you like to comment on the Millers Flat Bowling Club?

not answered

Q36. Would you like to comment on the Roxburgh Squash Court Building?

not answered

Q37. Would you like to comment on the Fenton Library?

not answered

Q38. Would you like to comment on the Naseby General Store?

not answered

Q39. Would you like to comment on another hall or facility?

not answered

Q40. Would you like to comment on the Centennial Milk Bar?

not answered

Q41. Would you like to comment on the Ranfurly Service Centre?

not answered

Q42. Would you like to comment on the Wallace Memorial Rooms?

not answered

Q43. Would you like to upload any supporting documents about halls and facilities?	not answered
Q44. Which option do you prefer?	Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?

not answered

Q46. Which option do you prefer?	Option B: Retain the outdoor pool in Alexandra.

Q47. Would you like to provide comments on the Alexandra outdoor pool?

not answered

Q48. **Which option do you prefer?**	Option B: Provide additional funding of up to $1.6 million, loan funded over a period of 10 years.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?**	Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

Central otago lacks the facilities and accommodation to fully support the supercars event. It's unlikey that the event will be here.

Q52. **Which option do you prefer?**	Option B: Provide a $200,000 grant loan funded over a period of 10 years.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

Is it really justified for the size of the school?

Q54. **Which option do you prefer?**	Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

A full turf on is long overdue and the number of hockey players far exceeds the existing facility. This is a must do for central.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q51. **Would you like to provide comments on the Supercars Championship?**

not answered

Q52. **Which option do you prefer?**	Option A: Provide a $200,000 grant, rate funded in the 2026/27 financial year.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

not answered

Q54. **Which option do you prefer?**	Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

An absolute must for the development of our sporting youth. Sport increases the health and wellbeing of all oarticipants

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q58. **Would you like to upload any supporting documents?**	not answered
Q59. **How did you hear about this engagement opportunity? You may tick more than one.**	Social media

Q1. **I'm registered for Let's Talk**	Yes. Please skip past the demographic questions and click next at the bottom of the page.
Q2. **First name**	not answered
Q3. **Last name**	not answered
Q4. **Email address**	not answered
Q5. **What is your connection to the Central Otago District?**	not answered
Q6. **Where do you live?**	not answered
Q7. **What year were you born?**	not answered
Q8. **What gender do you identify with most?**	not answered
Q9. **I am submitting**	as an individual
Q10. **Do you want to speak to your submission at a formal meeting?**	no
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	not answered

Q13. **Would you like to comment on our plan for water?**

not answered

Q14. **Please choose your preferred option.**	Option C: Status quo. Retain the charge at 60 cents per cubic metre, with a fixed charge at $843.54 per connection.

Q15. **Would you like to comment on volumetric charges?**

I think the higher volumetric charges would be detrimental to maintaining the visual appeal of our town.

Q16. **Please select your preferred option.**	Option B: Maintain the current level of support that Council provides for all of the halls and facilities listed above.
Q17. **Which hall/facility would you like to comment?**	not answered

Q18. Would you like to comment on the Ophir Hall?

not answered

Q19. Would you like to comment on the Poolburn Hall?

not answered

Q1. **I'm registered for Let's Talk**	No. Please complete the demographic questions below.
Q2. **First name**	Kay
Q3. **Last name**	not answered
Q4. **Email address**	not answered
Q5. **What is your connection to the Central Otago District?**	not answered
Q6. **Where do you live?**	Vincent Ward (Alexandra and surrounds)
Q7. **What year were you born?**	not answered
Q8. **What gender do you identify with most?**	not answered
Q9. **I am submitting**	as an individual
Q10. **Do you want to speak to your submission at a formal meeting?**	no
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.

Q13. **Would you like to comment on our plan for water?**

not answered

Q14. **Please choose your preferred option.**	Option C: Status quo. Retain the charge at 60 cents per cubic metre, with a fixed charge at $843.54 per connection.

Q15. **Would you like to comment on volumetric charges?**

Another option is to charge high users, who use over and above an average amount of water, an extra levy for the excess water used. If you really want to stop high users from using so much water you would not introduce a scheme that affects me. You can introduce charges that affects high users only.

Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.

Q17. **Which hall/facility would you like to comment?**

Clyde Railway Station Building
Blyth Street Museum, Clyde
Clyde Hall
Former Clyde Briar & Herb factory, and cottage

Q18. **Would you like to comment on the Ophir Hall?**

not answered

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

not answered

Q21. **Would you like to comment on the Clyde Railway Station Building?**

Clyde Railway station is an asset which the council has inherited. I presume the council charges the tenant a commercial rent and would charge ground rent if the building was sold. But the building was renovated by a community group and costs are covered by the tenant. I am opposed to selling it.

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

not answered

Q23. **Would you like to comment on Blyth Street Museum, Clyde?**

I have volunteered at the museum since 2011. It is a community asset that I want preserved and maintained. I oppose selling it. The number of ratepayers in Clyde must have doubled in the past 10 years and the council can afford to keep our museum building.

Q24. **Would you like to comment on Clyde Hall?**

I would like to see the Clyde hall preserved and maintained. The trouble with property is that it always needs maintenance. Given the growth in the number of ratepayers in Clyde I think the council can well afford to maintain the Clyde hall.

Q25. **Would you like to comment on Becks Hall?**

not answered

Q26. **Would you like to comment on Vallance Cottage?**

not answered

Q27. **Would you like to comment on the Riding for the Disabled?**

not answered

Q28. **Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?**

It is my view that this property should be sold. It is not used by the community.

Q29. **Would you like to comment on the Ranfurly Hall?**

not answered

Q30. Would you like to comment on the Naseby Hall?

not answered

Q31. Would you like to comment on the Patearoa Hall?

not answered

Q32. Would you like to comment on the Waipiata Hall?

not answered

Q33. Would you like to comment on the Wedderburn Hall?

not answered

Q34. Would you like to comment on the Millers Flat Hall?

not answered

Q35. Would you like to comment on the Millers Flat Bowling Club?

not answered

Q36. Would you like to comment on the Roxburgh Squash Court Building?

not answered

Q37. Would you like to comment on the Fenton Library?

not answered

Q38. Would you like to comment on the Naseby General Store?

not answered

Q39. Would you like to comment on another hall or facility?

not answered

Q40. Would you like to comment on the Centennial Milk Bar?

not answered

Q41. Would you like to comment on the Ranfurly Service Centre?

not answered

Q42. Would you like to comment on the Wallace Memorial Rooms?

not answered

Q43. Would you like to upload any supporting documents about halls and facilities?	not answered
Q44. Which option do you prefer?	Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

not answered

Q46. **Which option do you prefer?** Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

The rivers and Dunstan Lake are not safe to swim in and I think there is no other safe outdoor swim venue in the district due to the effluent in the rivers.

Q48. **Which option do you prefer?** Option D: Do not support

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

Why would you build something new when you can't afford to maintain what you have got.

Q50. **Which option do you prefer?** Option B: Agree to provide a $250,000 grant funded through a promotions rate.

Q51. **Would you like to provide comments on the Supercars Championship?**

How dare the council even consider giving my money to a campaign to bring the supercars to Highlands Motor Sports Park. The Mayor is naive to think the ordinary ratepayers of Central Otago will benefit from this. If Tony Quinn wants the Supercars at Cromwell he does not need my money to achieve this. He has enough money of his own to achieve this.

Q52. **Which option do you prefer?** Option C: Do not support

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

This project will be completed with or without council funding

Q54. **Which option do you prefer?** Option C: Do not support

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

This project will be completed with or without council funding.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q58. **Would you like to upload any supporting documents?** not answered

not answered

Q30. **Would you like to comment on the Naseby Hall?**

not answered

Q31. **Would you like to comment on the Patearoa Hall?**

I am the owner of a home in Patearoa. Now that we have no hotel it has become more important that we can retain our community hall as a meeting, gathering place for our community. I look forward to all our gatherings held in the hall. We have community meetings, our annual Crockery Bob sale, Xmas Community BBQ as well as funerals , weddings and Sport functions. It is very important that we retain our public toilet facilities. We must be able to retain our hall until a further solution for community functions is found. I request the CODC do not divest of our hall until year 9 if this is the final solution. I request that ownership remains with the CODC so our community can enjoy the facility and all the options it provides for our tight knit community.

Q32. Would you like to comment on the Walplata Hall?

not answered

Q33. Would you like to comment on the Wedderburn Hall?

not answered

Q34. Would you like to comment on the Millers Flat Hall?

not answered

Q36. Would you like to comment on the Roxburgh Squash Court Building?

not answered

Q37. Would you like to comment on the Fenton Library?

not answered

Q38. Would you like to comment on the Naseby General Store?

not answered

Q39. Would you like to comment on another hall or facility?

not answered

Q40. Would you like to comment on the Centennial Milk Bar?

not answered

Q41. Would you like to comment on the Ranfurly Service Centre?

not answered

Q42. Would you like to comment on the Wallace Memorial Rooms?

not answered

Q43. Would you like to upload any supporting documents about halls and facilities? not answered

Q44. Which option do you prefer? Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?

not answered

Q46. Which option do you prefer? Option B: Retain the outdoor pool in Alexandra.

Q47. Would you like to provide comments on the Alexandra outdoor pool?

Save the outdoor pool. It's a great facility & central should have an outdoor pool..get a slide to make it more fun for kids too

Q48. **Which option do you prefer?**	Option B: Provide additional funding of up to $1.6 million, loan funded over a period of 10 years.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

Rural hubs are the backbone of our service towns. Look after the farmers & local people please

Q50. **Which option do you prefer?**	Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

Highlands is a commercial entity. I don't agree with this at all. Tourism in Central will benefit in some way if super cars come our way. It has to be viable for Highlands to bring it here not rate payers

Q52. **Which option do you prefer?**	Option B: Provide a $200,000 grant loan funded over a period of 10 years.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

Great idea

Q54. **Which option do you prefer?**	Option B: Provide a $300,000 grant loan funded over a period of 10 years

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

A long time coming. Just get on with it & make it happen. My kids have now finished there turf days after many drives to Cromwell however I still support this for the next generations

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

Would say I sometimes wonder why we have so many departments in the CODC trying to cover too many items or things in Central. They all do a fabulous job but my thoughts are council are employed to bring us the basics services & planning for growth. Not sure we need all the other departments that are currently on offer. Also CODC aren't real estate agents. It's very sad to see as a rate payer & an agent that works in town we aren't all given an opportunity to sell our own land as developer & council had their own agenda along time ago On a positive note we are very lucky to live in Central & we have some fantastic staff working on behalf of us all. Thankyou

not answered

Q54. **Which option do you prefer?** Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

Here are several reasons to support the installation of artificial turf at Dunstan High School: 1. All-Weather Use: Artificial turf allows for consistent use regardless of weather. It drains quickly and doesn't turn into mud, making it ideal for sports and events year-round. 2. Durability: Unlike natural grass, artificial turf can handle heavy use without becoming patchy or worn, supporting multiple sports codes, PE classes, and community events without needing rest periods. 3. Low Maintenance: It reduces the need for mowing, watering, and fertilizing, saving the school time and money on groundskeeping in the long run. 4. Improved Safety: Modern turf systems are designed with shock-absorbing layers that can reduce injuries compared to compacted or uneven natural fields. 5. Increased Access: A reliable surface means more opportunities for students and community groups to use the field without cancellations due to poor ground conditions. 6. Boosts School and Community Spirit: A high-quality facility can attract regional sporting events and foster pride in the school, while providing a shared space for local clubs and activities. 7. Environmentally Friendly (in the long term): Despite concerns, turf eliminates the need for pesticides, herbicides, and excessive water use, contributing to sustainability over time.

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

A turf in alexandra would be a amazing facility for the community especially the hockey community who have spent years of time and money travelling to Cromwell and beyond to play the sport. With it being such a fast growing sport especially at Dunstan a turf would provide so much benefit and support to the community and school for multi purposes.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q54. **Which option do you prefer?** Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

This would be such an asset for hockey let alone any other sport that would be able to use this turf. Hockey in Central Otago has out grown the Cromwell turf and this option will allow players to get the turf time needed to succeed (or at least be more competitive) in their chosen sport. After many years of travel to Cromwell for practice and games this would be a welcome financial, and time relief for many families.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

Q11.	**Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12.	**Please choose your preferred option.**	not answered
Q13.	**Would you like to comment on our plan for water?**	not answered
Q14.	**Please choose your preferred option.**	not answered
Q15.	**Would you like to comment on volumetric charges?**	not answered
Q16.	**Please select your preferred option.**	not answered
Q17.	**Which hall/facility would you like to comment?**	not answered
Q18.	**Would you like to comment on the Ophir Hall?**	not answered

Q19. Would you like to comment on the Poolburn Hall?

not answered

Q20. Would you like to comment on the Clyde Police Lockup?

not answered

Q21. Would you like to comment on the Clyde Railway Station Building?

not answered

Q22. Would you like to comment on the Former Clyde Museum Stables & Goods Shed?

not answered

Q23. Would you like to comment on Blyth Street Museum, Clyde?

not answered

Q24. Would you like to comment on Clyde Hall?

not answered

Q25. Would you like to comment on Becks Hall?

not answered

Q26. Would you like to comment on Vallance Cottage?

not answered

Q27. Would you like to comment on the Riding for the Disabled?

not answered

Q28. Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?

not answered

Q29. Would you like to comment on the Ranfurly Hall?

not answered

Q30. Would you like to comment on the Naseby Hall?

not answered

Q31. Would you like to comment on the Patearoa Hall?

not answered

Q32. Would you like to comment on the Waipiata Hall?

not answered

Q33. Would you like to comment on the Wedderburn Hall?

not answered

Q34. **Would you like to comment on the Millers Flat Hall?**

not answered

Q35. **Would you like to comment on the Millers Flat Bowling Club?**

not answered

Q36. **Would you like to comment on the Roxburgh Squash Court Building?**

not answered

Q37. **Would you like to comment on the Fenton Library?**

not answered

Q38. **Would you like to comment on the Naseby General Store?**

not answered

Q39. **Would you like to comment on another hall or facility?**

not answered

Q40. **Would you like to comment on the Centennial Milk Bar?**

not answered

Q41. **Would you like to comment on the Ranfurly Service Centre?**

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?** not answered

Q44. **Which option do you prefer?** not answered

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

not answered

Q46. **Which option do you prefer?** Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

It is an amazing asset to our town and a point of difference, not sure why this is even on the table to be closed.

Q48. **Which option do you prefer?** not answered

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

I support the hub as it would be an amazing asset to the community out there. But that is a huge amount they are asking for, the amount should be relevant to other projects.

Q50.	**Which option do you prefer?**	Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

This facility is owned by one of the richest men who could easily fund this not the council or rate payers. Again this could be spent elsewhere on projects that will benefit our whole community.

Q52.	**Which option do you prefer?**	Option A: Provide a $200,000 grant, rate funded in the 2026/27 financial year.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

I grew up there and know how isolated it is. This would be a game changer for the school, hockey players and community.

Q54.	**Which option do you prefer?**	Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

Amazing opportunity for the council to finally get behind this project. This has a long term benefit to the school, community and wider areas. It will bring people to the town (instead of bypassing) so businesses benefit will be on going - not a 1 off event. My biggest question is why is the council not offering more esp when they are considering up to $1.6 million for the sports hub - which while great, will benefit a less wider group of people.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q58.	**Would you like to upload any supporting documents?**	not answered
Q59.	**How did you hear about this engagement opportunity? You may tick more than one.**	not answered

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

I think this would be a fantastic addition to the sporting facilities in Alexandra and is very much needed for Central Otago hockey as the Cromwell turf is inadequate

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

Q1. **I'm registered for Let's Talk**	No. Please complete the demographic questions below.
Q2. **First name**	Phil
Q3. **Last name**	Murray
Q4. **Email address**	[redacted]
Q5. **What is your connection to the Central Otago District?**	I live in the district
Q6. **Where do you live?**	Vincent Ward (Alexandra and surrounds)
Q7. **What year were you born?**	[redacted]
Q8. **What gender do you identify with most?**	[redacted]
Q9. **I am submitting**	as an individual
Q10. **Do you want to speak to your submission at a formal meeting?**	no
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.

Q13. **Would you like to comment on our plan for water?**

While the option of a CCO that includes other councils has the advantage of economies of scale for the technical aspects of managing water infrastructure, there is a danger of delinking management of 3 waters from the wider environment. There are limits to growth and there are environmental consequences of exceeding biophysical limits. Investment in rigorous environmental monitoring and transparent reporting is one way of keeping the community informed of the tradeoffs that are being made in the name of growth. Building in these information feedback loops is essential for this option to work in the long term.

Q14. **Please choose your preferred option.**	Option A: Increase the volumetric charge to $2.40 per cubic metre, with the fixed charge of $509.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

Volumetric charges that truly reflects the value of water in dry Central Otago is essential if wasteful use of water is to be avoided.

Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.
Q17. **Which hall/facility would you like to comment?**	Clyde Police Lockup Clyde Railway Station Building Former Clyde Museum Stables & Goods Shed Blyth Street Museum, Clyde Riding for the Disabled Former Clyde Briar & Herb factory, and cottage Patearoa Hall Wedderburn Hall Fenton Library Naseby General Store Millers Flat Bowling Club Roxburgh Squash Court Building

Q18. Would you like to comment on the Ophir Hall?

not answered

Q28. Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?

Dispose

Q29. Would you like to comment on the Ranfurly Hall?

not answered

Q30. Would you like to comment on the Naseby Hall?

not answered

Q31. Would you like to comment on the Patearoa Hall?

Dispose, cost of EQ strengthening not justified.

Q32. Would you like to comment on the Waipiata Hall?

not answered

Q33. Would you like to comment on the Wedderburn Hall?

Dispose

Q34. Would you like to comment on the Millers Flat Hall?

not answered

Q35. Would you like to comment on the Millers Flat Bowling Club?

Dispose

Q36. Would you like to comment on the Roxburgh Squash Court Building?

Dispose, transfer to club.

Q37. Would you like to comment on the Fenton Library?

Dispose

Q38. Would you like to comment on the Naseby General Store?

Dispose

Q39. Would you like to comment on another hall or facility?

not answered

Q40. Would you like to comment on the Centennial Milk Bar?

not answered

Q41. Would you like to comment on the Ranfurly Service Centre?

not answered

Q42. Would you like to comment on the Wallace Memorial Rooms?

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?**	not answered
Q44. **Which option do you prefer?**	Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

While I'm doubtful of value for money for the ratepayer here, I acknowledge that there are few other swimming opportunities for Roxburgh residents and it is a new facility with hoped for lower maintenance cost.

Q46. **Which option do you prefer?**	Option A: Close and decommission the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

These pools get little use and there is another option in the covered pool. The cost of operating and maintaining these pools does not seem justified.

Q48. **Which option do you prefer?**	Option D: Do not support

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

Suggest the community go back to the drawing board and design something smaller and more in keeping with the population of the town and the level of use the facility is likely to get.

Q50. **Which option do you prefer?**	Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

I strongly oppose this proposal on a number of grounds. It does not promote a sustainable economy for Central Otago being centred around the use of fossil fuels for entertainment in a time of climate crisis. Promoting single events such as this on the grounds of temporarily attracting visitors to the region is not a long term strategy for building a sustainable economy. Better strategy would be simply making investments that make Central a better place to live such as purchasing peri-urban land that provides for multiple objectives such as recreation, landscape, biodiversity and tourism.

Q52. **Which option do you prefer?**	Option B: Provide a $200,000 grant loan funded over a period of 10 years.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

I support sports facilities such as this that act as a community hub for young people for healthy activities, however there are competing demands for funds and users should reasonably expect to pay something for the use of such facilities as they come at a cost. Paying a fee that covers debt servicing is not unreasonable in my opinion.

Q54. **Which option do you prefer?**	Option B: Provide a $300,000 grant loan funded over a period of 10 years

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

Same as previous comment.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

I support these policies.

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

I am concerned that the risk to infrastructure from major climate events caused by climate change is understated. It is this risk that when manifested in terms of cost to the ratepayer, will demonstrate the conflict between the national economic growth agenda which has involved significant population growth which we have to provide for and a truly sustainable economy that provides a quality of life people come to Central for which the LTP is aiming for.

Q58. **Would you like to upload any supporting documents?**	not answered

Q5. **What is your connection to the Central Otago District?**	not answered
Q6. **Where do you live?**	not answered
Q7. **What year were you born?**	not answered
Q8. **What gender do you identify with most?**	not answered
Q9. **I am submitting**	as an individual
Q10. **Do you want to speak to your submission at a formal meeting?**	no
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	Option B: Status quo. Water services continue to be owned, maintained and delivered by Council.

Q13. **Would you like to comment on our plan for water?**

I think more information is needed in order to make an informed decision about the CCO option. What would the pricing be from the CCO compared to what CODC currently charges? Who would be operating the CCO? It sounds great in theory but more information is required to make a decision

Q14. **Please choose your preferred option.**	Option B: Increase the volumetric charge to $1.80 per cubic metre, with the fixed charge at $639.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

not answered

Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.

Q17. **Which hall/facility would you like to comment?** not answered

not answered

Q36. Would you like to comment on the Roxburgh Squash Court Building?

not answered

Q37. Would you like to comment on the Fenton Library?

not answered

Q38. Would you like to comment on the Naseby General Store?

not answered

Q39. Would you like to comment on another hall or facility?

not answered

Q40. Would you like to comment on the Centennial Milk Bar?

not answered

Q41. Would you like to comment on the Ranfurly Service Centre?

not answered

Q42. Would you like to comment on the Wallace Memorial Rooms?

not answered

Q43. Would you like to upload any supporting documents about halls and facilities? not answered

Q44. Which option do you prefer? Option B: Do not support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?

Unfortunately it is a facility I will never use and am not comfortable paying for it, although agree it is a facility each community should have affordable access to. I support the idea of districtising the councils funds, i.e. roxburgh rates pay for roxburgh facilities/events/activities, Cromwell rates pay for Cromwell services etc.

Q46. Which option do you prefer? Option A: Close and decommission the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

Again, unfortunately it is a facility I will never use and am not comfortable paying for it, although agree it is a facility each community should have affordable access to. I support the idea of districtising the councils funds, i.e. Alexandra rates pay for Alexandra facilities/events/activities, Cromwell rates pay for Cromwell services etc.

Q48. **Which option do you prefer?** Option A: Provide additional funding of up to $1.6 million towards the construction of the Manuherekia Valleys Community Hub, funded from Vincent General Reserves.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

If it does not affect my rates costs then I support it. Again a facility I am unlikely to ever use.

Q50. **Which option do you prefer?** Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

I do not believe the Supercars organisation should need funding from the council or community members to hold an event on a privately owned racetrack when it is a leader in touring car category and Australias biggest sport globally. I can imagine their event income to be extensive. I again think more information needs to be provided to make an informed decision regarding the time frame of a rates rise of $16.85 and how the targeted rate with differentials will be calculated. Tourism will not benefit my life or business personally

Q52. **Which option do you prefer?** Option A: Provide a $200,000 grant, rate funded in the 2026/27 financial year.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

Education (and equal opportunities) is vital for our upcoming generations.

Q54. **Which option do you prefer?** Option B: Provide a $300,000 grant loan funded over a period of 10 years

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

There is no indication if the cost of this turf is the same as Maniototo Area Schools turf, "one-off cost". If it is also a "one-off cost" I choose option A. Again supporting education is vital. If it is an ongoing long term cost option B. More information is needed on the extent of the cost to rate payers.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

Most seems ok Great to hear some consideration about better engagement with what the community is actually wanting from the council. Look forward to seeing it implemented. Would be interested in complete cost breakdowns for council spending also rather than the generalised ones given.

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

Just a hope that the council will begin to work for the community rather than to their personal benefits and protection of personal image.

Q58. **Would you like to upload any supporting documents?**	not answered

Q8.	**What gender do you identify with most?**	not answered
Q9.	**I am submitting**	as an individual
Q10.	**Do you want to speak to your submission at a formal meeting?**	no
Q11.	**Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12.	**Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.

Q13. **Would you like to comment on our plan for water?**

Given the importance of water bodies to Mana Whenua and their current poor state I assume Kai Tahu or Aukaha would be a significant partner and decision maker in a CCO. Given the shocking recent events with Queenstown's Shotover sewage treatment facility I would expect the increasing population of the Cromwell region was been well factored into the long term sewerage infrastructure of this region and consideration given to not using the Kawarau as the "outfall" for "treated" sewage .

Q14.	**Please choose your preferred option.**	Option A: Increase the volumetric charge to $2.40 per cubic metre, with the fixed charge of $509.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

Pay for what you use.

Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.
Q17. **Which hall/facility would you like to comment?**	not answered

Q18. **Would you like to comment on the Ophir Hall?**

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

not answered

Q46. **Which option do you prefer?** Option A: Close and decommission the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

not answered

Q48. **Which option do you prefer?** Option A: Provide additional funding of up to $1.6 million towards the construction of the Manuherekia Valleys Community Hub, funded from Vincent General Reserves.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?** Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

Measuring the "financial benefits" is a farcical justification. 1. Most of those "benefits" will be in the QLDC territory. 2. Supporting and glamorising this type of motor racing is supporting risk taking and speed. The two things which cause road accidents and injure, maim and kill more young Kiwis than anythign else. In 2021 the cost was estimated at almost $10billion. 4 per cent of GDP. And you try and justify this support in dollar values . . . . . 3. Aren't we in a climate crisis? Aren't we supposed to be quickly moving away from fossil fuels? What signals does supporting supercars give to our young people?

Q52. **Which option do you prefer?** Option A: Provide a $200,000 grant, rate funded in the 2026/27 financial year.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

not answered

Q54. **Which option do you prefer?** Option C: Do not support

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

not answered

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

Great to see some written committments to engaging with Mana Whenua. Let's see more of that as an honourable Treaty partner.

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

It's pretty disappointing that The Arts, culture and identity didn't even get a mention

Q58. **Would you like to upload any supporting documents?** not answered

Q59.	**How did you hear about this engagement opportunity? You may tick more than one.**	Email

Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	not answered

Q13. **Would you like to comment on our plan for water?**

not answered

Q14. **Please choose your preferred option.**	not answered

Q15. **Would you like to comment on volumetric charges?**

not answered

Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.
Q17. **Which hall/facility would you like to comment?**	Ophir Hall Clyde Hall

Q18. **Would you like to comment on the Ophir Hall?**

This hall is so well used by the local community and it has a great team of willing volunteers. But they can't do it alone; they need council support. The running of this hall is a team effort, and it would be a huge loss to the community if the council sold the building.

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

not answered

Q41. Would you like to comment on the Ranfurly Service Centre?

not answered

Q42. Would you like to comment on the Wallace Memorial Rooms?

not answered

Q43. Would you like to upload any supporting documents about halls and facilities? not answered

Q44. Which option do you prefer? not answered

Q45. Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?

not answered

Q46. Which option do you prefer? Option A: Close and decommission the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

I have used the indoor pool weekly for about five years. I've used the outdoor pool once. I also walk past the outdoor pool every day, and apart from the height of summer, I rarely see it used. I think it's a real 'nice to have' and I do understand that some users must love it, but if the council is looking to reduce costs, I can see why they might remove this. The problem is, once it's gone, it's gone. But for the upkeep, the staffing requirements, etc, I have often wondered if it's worth keeping. If we wanted a facility that had year-round use, I think a public sauna would be a better option!

Q48. **Which option do you prefer?** not answered

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q53. **Would you like to provide comments on the Artificial Turf at Manlototo Area School?**

not answered

Q54. **Which option do you prefer?** Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

For the last 12 years, I've heard about the possibility of a turf coming to Alexandra. As my daughter started school and then took up hockey, we hoped a turf might be built in Alexandra. Due to having to travel so far to play (mostly Omakau and Cromwell), she lost interest in the sport. And it always seemed a massive shame that a large sporting community like Alexandra has to make its kids travel far and wide to play a sport. If we want to keep kids active and in sports (who become adults who exercise), having the facilities available to them in the town where they live makes sense. A local group has spent years planning, getting funding and advocating for a turf. It's too late for my child as she finishes at Dunstan High School this year, but it would be amazing for the next generation coming through to be able to practice and play locally. Please provide a grant to get a turf at Dunstan High School.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q54. **Which option do you prefer?**	Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

Having this facility would increase productivity (less time travelling to and from the Cromwell turf), lessen the environmental effects (of so much car travel) and save Alexandra, Omakau, Poolburn and Maniatoto families money in fuel. It could also benefit local businesses with increased sales from the parents of the children coming to town. I would much prefer the $250,000 proposed for the Cromwell Super cars (which is owned and operated by a quite well-off individual who is probably quite able to fund the promotion of the event himself) be spent on a community facility that will benefit a large number of children and their families over a long period of time and which could not be self funded.

Q54. **Which option do you prefer?** Option C: Do not support

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

While I'm not specifically oppossed to the funding a new turf, the plans contemplate additional floodlighting to support rugby. Rugby already have two floodlit pitches and I would expect it is sport that isn't growing, meanwhile the football clubs growth is exponential and we have no council supplied floodlights. Only an old set that face one direction. There is already and there will be immense demand for floodlit football pitches in the next 30 years. It doesn't make sense for rate payer money to go towards further support for rugby in these circumstances when more of our community play football.

Q13. **Would you like to comment on our plan for water?**	not answered
Q14. **Please choose your preferred option.**	Option A: Increase the volumetric charge to $2.40 per cubic metre, with the fixed charge of $509.24 per connection.
Q15. **Would you like to comment on volumetric charges?**	not answered
Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.
Q17. **Which hall/facility would you like to comment?**	Ophir Hall

Q18. **Would you like to comment on the Ophir Hall?**

We strongly believe that the hall should continue to be owned and managed by the CODC. The Community use the hall on a regular basis and have maintained and upgraded it and will continue to do so. The hall is a vital part of the fabric of the community and is a regular meeting place and essential venue where both permanent and holiday home owners meet and is much loved and regarded as a community focal point . As a slightly isolated community the hall is invaluable to maintain social connection and wellbeing of the community.. We are regular attendees at the hall and endorse the Ophir Welfare Committee submission regarding the hall.

Q30. **Would you like to comment on the Naseby Hall?**

not answered

Q31. **Would you like to comment on the Patearoa Hall?**

My husband and I have recently discovered Patearoa and are building a crib there. We have attended Crockery Bobs at the hall and have found it to be a centre of focus for the community. We use the public toilets attached to the hall whenever we visit Patearoa which is about monthly at the present time. They are always clean. Quite a few new cribs have popped up during the last two years as interest in Patearoa as a community is growing. With the Patearoa Pub having an uncertain future if the hall is demolished then that is a further blow to the lovely community we aspire to join. At the very least could the decision on this hall be deferred for 9 years so that the new growth in the community can be assessed and solid future plans for a community meeting place for funerals, weddings and other important family occasions can be put in place. A further earthquake assessment should also be done to verify the current one.

Q1. **I'm registered for Let's Talk**	Yes. Please skip past the demographic questions and click next at the bottom of the page.
Q2. **First name**	not answered
Q3. **Last name**	not answered
Q4. **Email address**	not answered
Q5. **What is your connection to the Central Otago District?**	not answered
Q6. **Where do you live?**	not answered
Q7. **What year were you born?**	not answered
Q8. **What gender do you identify with most?**	not answered
Q9. **I am submitting**	as an individual
Q10. **Do you want to speak to your submission at a formal meeting?**	no
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.

Q13. **Would you like to comment on our plan for water?**

I can only hope that a CCO might make a better job of delivering water to Ophir than our current situation where a "temporary" water line on the top of the bridge has been in place for over 2 years. This freezes over winter leaving us with no water in the coldest part of the year. Unacceptable.

Q14. **Please choose your preferred option.**	Option B: Increase the volumetric charge to $1.80 per cubic metre, with the fixed charge at $639.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

While I think the user pays model makes sense it is only fair that Ophir residents should expect the same quality and consistency of delivery of water as the rest of the district. It seems that we are paying for expensive upgrades to water systems across the district however receive no benefit with our water quality and pressure being well below what the majority of the district gets and expects.

Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.
Q17. **Which hall/facility would you like to comment?**	Ophir Hall

Q18. **Would you like to comment on the Ophir Hall?**

As a retired personiving in Ophir I strongly oppose the divestment of the Ophir Peace Memorial Hall. The Ophir hall is an extremely important center for entertainment and socializing within walking distance from home for the elderly residents. Having to drive, especially after dark, to an alternative facility would exclude a large proportion of our community and deny the elderly residents that very important socialization that is vital to wellness and connectivity as we age. The hall is the heart of our community. It brings the town together for multi-generational community events and provides a warm atmosphere for socializing, especially over the winter months when it is quieter in the town with less opportunity to connect with neighbors in the street.

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

not answered

Q21. **Would you like to comment on the Clyde Railway Station Building?**

not answered

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

not answered

Q23. **Would you like to comment on Blyth Street Museum, Clyde?**

not answered

Q24. **Would you like to comment on Clyde Hall?**

not answered

Q25. **Would you like to comment on Becks Hall?**

not answered

Q26. **Would you like to comment on Vallance Cottage?**

not answered

Q27. **Would you like to comment on the Riding for the Disabled?**

not answered

Q28. **Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?**

not answered

Q29. **Would you like to comment on the Ranfurly Hall?**

not answered

Q30. Would you like to comment on the Naseby Hall?

not answered

Q31. Would you like to comment on the Patearoa Hall?

not answered

Q32. Would you like to comment on the Waipiata Hall?

not answered

Q33. Would you like to comment on the Wedderburn Hall?

not answered

Q34. Would you like to comment on the Millers Flat Hall?

not answered

Q35. Would you like to comment on the Millers Flat Bowling Club?

not answered

Q36. Would you like to comment on the Roxburgh Squash Court Building?

not answered

Q37. Would you like to comment on the Fenton Library?

not answered

Q38. Would you like to comment on the Naseby General Store?

not answered

Q39. Would you like to comment on another hall or facility?

not answered

Q40. Would you like to comment on the Centennial Milk Bar?

not answered

Q41. Would you like to comment on the Ranfurly Service Centre?

not answered

Q42. Would you like to comment on the Wallace Memorial Rooms?

not answered

Q43. Would you like to upload any supporting documents about halls and facilities? not answered

Q44. Which option do you prefer? not answered

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

not answered

Q46. **Which option do you prefer?** not answered

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

not answered

Q48. **Which option do you prefer?** Option D: Do not support

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

I am concerned that building large, expensive, and over engineered community hubs such as the Manuherekia and Cromwell hubs will cost the rate payer, both in escalating building costs and ongoing operational costs, across the district and yet offers little benefit to small communities such as Ophir especially if the halls are divested which would be a loose loose for rate payers in these communities. I can see that the Manuherekia Hub would benefit sporting events in Omakau but in terms of community socialization it would be unlikely to provide the same warmth and connectivity

Q50. **Which option do you prefer?** Option C: Do not support

Q1. **I'm registered for Let's Talk**	Yes. Please skip past the demographic questions and click next at the bottom of the page.
Q2. **First name**	not answered
Q3. **Last name**	not answered
Q4. **Email address**	not answered
Q5. **What is your connection to the Central Otago District?**	not answered
Q6. **Where do you live?**	not answered
Q7. **What year were you born?**	not answered
Q8. **What gender do you identify with most?**	not answered
Q9. **I am submitting**	as an individual
Q10. **Do you want to speak to your submission at a formal meeting?**	no
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.

Q13. **Would you like to comment on our plan for water?**

not answered

Q14. **Please choose your preferred option.**	Option B: Increase the volumetric charge to $1.80 per cubic metre, with the fixed charge at $639.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

If people are required to spend more on metered water they may consider adopting water storage to augment their own supply. It will be a good idea if the CODC were to help families transition to installing free standing water storage tanks.

Q16. **Please select your preferred option.**	Option B: Maintain the current level of support that Council provides for all of the halls and facilities listed above.
Q17. **Which hall/facility would you like to comment?**	not answered

Q18. Would you like to comment on the Ophir Hall?

not answered

Q19. Would you like to comment on the Poolburn Hall?

not answered

Q12. **Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.
Q13. **Would you like to comment on our plan for water?**	not answered
Q14. **Please choose your preferred option.**	Option A: Increase the volumetric charge to $2.40 per cubic metre, with the fixed charge of $509.24 per connection.
Q15. **Would you like to comment on volumetric charges?**	not answered
Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.
Q17. **Which hall/facility would you like to comment?**	Blyth Street Museum, Clyde Clyde Hall

Q18. Would you like to comment on the Ophir Hall?

not answered

Q19. Would you like to comment on the Poolburn Hall?

not answered

Q20. Would you like to comment on the Clyde Police Lockup?

not answered

Q21. Would you like to comment on the Clyde Railway Station Building?

not answered

Q22. Would you like to comment on the Former Clyde Museum Stables & Goods Shed?

not answered

Q23. Would you like to comment on Blyth Street Museum, Clyde?

This museum has a strong supportive creative community lead team keeping Clyde and surrounding area history assessable & to all in our area living & visiting. Be great for council/rate payers to continue supporting this museum.

Q24. Would you like to comment on Clyde Hall?

Community need this hall, it's regularly used by community and has the library too.

Q25. Would you like to comment on Becks Hall?

not answered

Q26. Would you like to comment on Vallance Cottage?

not answered

Q27. Would you like to comment on the Riding for the Disabled?

not answered

not answered

Q41. **Would you like to comment on the Ranfurly Service Centre?**

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?** — not answered

Q44. **Which option do you prefer?** — Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

Keep this pool running for community enjoyment and exercise.

Q46. **Which option do you prefer?** — Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

Well used and heating it was great this year.

Q48. **Which option do you prefer?** not answered

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?** not answered

Q51. **Would you like to provide comments on the Supercars Championship?**

not answered

Q52. **Which option do you prefer?** Option A: Provide a $200,000 grant, rate funded in the 2026/27 financial year.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

not answered

Q54. **Which option do you prefer?** Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

We need a turf in Alexandra. The more sports facilities CO has the healthy we will be, hockey is a fun sport for all ages and the turf could be used year round.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q40. Would you like to comment on the Centennial Milk Bar?

not answered

Q41. Would you like to comment on the Ranfurly Service Centre?

not answered

Q42. Would you like to comment on the Wallace Memorial Rooms?

not answered

Q43. Would you like to upload any supporting documents about halls and facilities?	https://s3-ap-southeast-2.amazonaws.com/ehq-production-australia/c973eb9ae79fba7412fe8a735477e6bdd87f9fe9/original/17[redacted]/90a12a60120c38c3979f6be0301d08c2_Halls%20and%20Facilities.pdf?1744595256
Q44. Which option do you prefer?	Option B: Do not support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

This question of ownership has only come about at it was an ill thoughout idea from from beginning, surely the management involved in the construction of the pool should have considered how the pool was to be managed before they spent rate payers money. If ownership is passed to the Council there is a huge local increase on our rates. It seems ironic that the Millers Flat Pool now has an increase use from people in Roxburgh who prefer the facility we have. Very little effort has been put into forming a committee to run Roxburgh Pool whereas Millers Flat has a volunteer committee and has done for decades. Again it comes back to the planning of the Roxburgh Pool - were they too wrapped up in their own egos to create something without thought of how it will be run in the future or was this the plan all along to pass it to the Council at the whole Teviot Valley's cost? Perhaps those on the building committee should step up as volunteers to run the pool?

Q46. **Which option do you prefer?** Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

Maybe they need to look at a better management strategy?

Q48. **Which option do you prefer?** Option D: Do not support

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

They should fund raise locally.

Q50. **Which option do you prefer?** Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

Transfer tourism reserves to local projects and I feel incredible that you are even considering this in the recent economic environment.

Q52. **Which option do you prefer?** Option C: Do not support

Q53. **Would you like to provide comments on the Artificial Turf at Manlototo Area School?**

not answered

Q54. **Which option do you prefer?** Option C: Do not support

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

Why is this on school land and not community land - danger is that Dunstan High School will feel they own it!

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

Council need to be more transparent in their thoughts and actions and use rate payers money to massage their own egos. Do not treat the rate payers as a cash cow.

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q58. **Would you like to upload any supporting documents?**	not answered

Q12. **Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.

Q13. **Would you like to comment on our plan for water?**

Only if it makes financial sense. No way should any private company be involved, we have seen what has happened in Queenstown and Wellington.

Q14. **Please choose your preferred option.**	Option A: Increase the volumetric charge to $2.40 per cubic metre, with the fixed charge of $509.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

So Districtisation is saving money...yeah right. I am appalled by the lack of infrastructure work undertaken by successive councils which brings us now to excessive charging. This better work.

Q16. **Please select your preferred option.**	Option A: Divest all of the community halls listed (highlighted in green above).

Q17. Which hall/facility would you like to comment? not answered

Q18. Would you like to comment on the Ophir Hall?

not answered

Q39. Would you like to comment on another hall or facility?

not answered

Q40. Would you like to comment on the Centennial Milk Bar?

not answered

Q41. Would you like to comment on the Ranfurly Service Centre?

not answered

Q42. Would you like to comment on the Wallace Memorial Rooms?

not answered

Q43. Would you like to upload any supporting documents about halls and facilities? not answered

Q44. Which option do you prefer? Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?

not answered

Q46. Which option do you prefer? Option B: Retain the outdoor pool in Alexandra.

Q47. Would you like to provide comments on the Alexandra outdoor pool?

Safe outdoor swimming venue for locals. Make the outdoor area more appealing to be at - trees, shade, bbqs etc

Q48. Which option do you prefer? not answered

Q49. Would you like to provide comments on the Manuherekia Valleys Community Hub?

not answered

Q50. **Which option do you prefer?**	Option A: Agree to provide a $250,000 grant funded through the tourism reserves.

Q51. **Would you like to provide comments on the Supercars Championship?**

not answered

Q52. **Which option do you prefer?**	Option A: Provide a $200,000 grant, rate funded in the 2026/27 financial year.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

These kids do so much travel to play sport. They need this. Keep kids in sport and make it accessible

Q54. **Which option do you prefer?**	Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

This needs to happen. We can not continue to travel to Cromwell 1-3 times per week for kids sports. Think of the sports week competitions we could host. Keep kids in sport

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q58. **Would you like to upload any supporting documents?**	not answered

Q30. Would you like to comment on the Naseby Hall?

not answered

Q31. Would you like to comment on the Patearoa Hall?

not answered

Q32. Would you like to comment on the Waipiata Hall?

not answered

Q33. **Would you like to comment on the Wedderburn Hall?**

not answered

Q34. **Would you like to comment on the Millers Flat Hall?**

Millers Flat Hall is a well used community facility. Usage is over 200 bookings per year from local groups, Health Services, funerals, weddings, concerts, church groups, weekly coffee mornings and school usage to name but a few. This facility is entirely run by local volunteers and often gets complimented on how great a facility it is. Loss of this as our community hub would be devastating despite being given a reprieve due to the fire at Roxburgh, this facility stands well above its weight and should be taken off the divesting list for good!

Q35. **Would you like to comment on the Millers Flat Bowling Club?**

The Bowling Club at Millers Flat should be knocked down and the area replanted with trees. This facility gets no use at all and is not part of the proposal to upgrade the courts. Similarly to the new Roxburgh Pool debacle with a lack of committee to run this facility, should it be 'sold' to the playground upgrade. I fear this is what will happen to it in the future.

Q36. **Would you like to comment on the Roxburgh Squash Court Building?**

not answered

Q37. **Would you like to comment on the Fenton Library?**

not answered

Q38. **Would you like to comment on the Naseby General Store?**

not answered

Q39. **Would you like to comment on another hall or facility?**

not answered

Q40. **Would you like to comment on the Centennial Milk Bar?**

not answered

Q41. **Would you like to comment on the Ranfurly Service Centre?**

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?**	not answered
Q44. **Which option do you prefer?**	Option B: Do not support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

In my opinion, giving the ownership and management to the Council was always the intent of the building committee. How is it that Millers Flat Pool can be run entirely by volunteers with a pool of a lot less people and Roxburgh Pool cannot find people? I wonder how hard they have tried and perhaps they should have a similar set up to Millers Flat where key holders sign an indemnity. It is the parents responsibility to supervise their own children, they do not need life guards - Millers Flat doesn't and their pool is bigger and the season longer than Roxburgh! Incidentally. Roxburgh Area School used Millers Flat Pool this summer as Roxburgh Pool wasn't big enough to accommodate a whole class!

Q46. **Which option do you prefer?** Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

The usage of the outdoor pool exceeds and warrant's the council retaining it.

Q48. **Which option do you prefer?** Option D: Do not support

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

Perhaps they should locally fund raise, that's what the rest of the area halls has to do! How come they underestimated a $1.6million shortfall or was it always the intent to ask rate payers to cough up the money?

Q50. **Which option do you prefer?** Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

Council should re-invest the $250,000 tourism reserves into local halls - the only winners from a Supercars Championship at Highlands Motor Park is Cromwell and a privately owned Highlands Motor Park, which is one small area that the Council services. Sounds very much like someone is getting a backhander here!

Q52. **Which option do you prefer?** Option C: Do not support

Q53. **Would you like to provide comments on the Artificial Turf at Manlototo Area School?**

Why do we need two turfs, Millers Flat students who play hockey have to travel to Cromwell - one hours drive.

Q54. **Which option do you prefer?** Option B: Provide a $300,000 grant loan funded over a period of 10 years

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

My concern with this being housed at Dunstan High School is that if 'we' the ratepayers are contributing why is it not on Council land that is more communal?

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q58. **Would you like to upload any supporting documents?**	not answered

Q28. Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?

not answered

Q29. Would you like to comment on the Ranfurly Hall?

not answered

Q30. Would you like to comment on the Naseby Hall?

not answered

Q31. Would you like to comment on the Patearoa Hall?

not answered

Q32. Would you like to comment on the Waipiata Hall?

not answered

Q33. **Would you like to comment on the Wedderburn Hall?**

not answered

Q34. **Would you like to comment on the Millers Flat Hall?**

Even if the Roxburgh entertainment centre hall still existed, the Millers Flat hall still has a effective role to play in our district. Not only is it one of the most used in the Teviot valley, but it should also be recognised as being a strategic assett for civil emergencies being on the true left of the Clutha river.

Q35. **Would you like to comment on the Millers Flat Bowling Club?**

not answered

Q36. **Would you like to comment on the Roxburgh Squash Court Building?**

not answered

Q37. **Would you like to comment on the Fenton Library?**

not answered

Q38. **Would you like to comment on the Naseby General Store?**

not answered

Q39. **Would you like to comment on another hall or facility?**

not answered

Q40. **Would you like to comment on the Centennial Milk Bar?**

not answered

Q41. **Would you like to comment on the Ranfurly Service Centre?**

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?**	not answered
Q44. **Which option do you prefer?**	Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

I have been involved with the Roxburgh pool for approx. 36 years and have been actively involved with developing/building our new pool complex. The original pool was council owned before being managed by a local committee. A local committee along with the community, council, and funders have replaced the end of life pool with an outstanding asset and it is timely for the Council with its expertise and resources to take ownership and management of the pool complex to meet all safety, supervision, operation, maintenance and depreciation requirements. This will in my opinion, allow for all age groups the greatest opportunity to use the pools now and for the long term.

Q46.	**Which option do you prefer?**	Option B: Retain the outdoor pool in Alexandra.

Q47. Would you like to provide comments on the Alexandra outdoor pool?

Having some knowledge of the issues of the outdoor pool at Alexandra, I would like to see a workshop to discuss the issues and potential with a wider audience.

Q48.	**Which option do you prefer?**	not answered

Q49. Would you like to provide comments on the Manuherekia Valleys Community Hub?

Np comment.

Q50.	**Which option do you prefer?**	Option A: Agree to provide a $250,000 grant funded through the tourism reserves.

Q51. Would you like to provide comments on the Supercars Championship?

Not only would it boost the local economy, but promote tourism in general. Bring it on I say.

Q52.	**Which option do you prefer?**	not answered

Q53. Would you like to provide comments on the Artificial Turf at Manlototo Area School?

Option A or B. If it is available for the whole community's use, option A. Especially since it is a relatively isolated (distance wise) to other CODC sport assets.

Q54.	**Which option do you prefer?**	Option B: Provide a $300,000 grant loan funded over a period of 10 years

Q55. Would you like to provide comments on the Artificial Turf at Dunstan High School?

As per reasoning above,

Q56. Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy

No Comment.

Q57. Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?

no

Q58.	**Would you like to upload any supporting documents?**	not answered
Q59.	**How did you hear about this engagement opportunity? You may tick more than one.**	**Other (please specify)** Local councillor

Q1. **I'm registered for Let's Talk**	Yes. Please skip past the demographic questions and click next at the bottom of the page.
Q2. **First name**	not answered
Q3. **Last name**	not answered
Q4. **Email address**	not answered
Q5. **What is your connection to the Central Otago District?**	not answered
Q6. **Where do you live?**	not answered
Q7. **What year were you born?**	not answered
Q8. **What gender do you identify with most?**	not answered
Q9. **I am submitting**	as an individual
Q10. **Do you want to speak to your submission at a formal meeting?**	no
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.

Q13. **Would you like to comment on our plan for water?**

not answered

Q14. **Please choose your preferred option.**	Option B: Increase the volumetric charge to $1.80 per cubic metre, with the fixed charge at $639.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

If the average household in Central Otago is 2.4 people and each person uses on average 586 litres per day then the household would use 513.3 cubic meters (m3) of water per annum so the options would cost on average: Option A $1,741 per annum 51.2% increase on status quo Option B $1,563 per annum 35.7 increase on status quo Option C $1,152 per annum Option B would be a fair choice as it would incentivise the public to conserve water but also give additional revenue to the Council to continue upgrading the water infrastructure

Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.
Q17. **Which hall/facility would you like to comment?**	Clyde Police Lockup Clyde Railway Station Building Former Clyde Museum Stables & Goods Shed Blyth Street Museum, Clyde Clyde Hall Becks Hall Former Clyde Briar & Herb factory, and cottage Ranfurly Hall Naseby Hall Patearoa Hall Waipiata Hall Wedderburn Hall Naseby General Store Centennial Milk Bar Millers Flat Hall Roxburgh Squash Court Building

Q18. **Would you like to comment on the Ophir Hall?**

not answered

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

Sell on the open market as it is in a desirable location for tourism operators to purchase and run a business from whilst they must maintain the historic (if any) presentation.

Q21. **Would you like to comment on the Clyde Railway Station Building?**

Sell on the open market as it is in a desirable location for tourism operators to purchase and run a business from whilst they must maintain the historic (if any) presentation.

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

Sell on the open market as it is in a desirable location for tourism operators to purchase and run a business from whilst they must maintain the historic (if any) presentation.

Q23. **Would you like to comment on Blyth Street Museum, Clyde?**

Sell on the open market as it is in a desirable location for tourism operators to purchase and run a business from whilst they must maintain the historic (if any) presentation.

Q24. **Would you like to comment on Clyde Hall?**

Sell on the open market as it is in a desirable location for tourism operators to purchase and run a business from whilst they must maintain the historic (if any) presentation.

Q25. **Would you like to comment on Becks Hall?**

Sell to a community board via a 10 year interest free loan that must be paid back over the 10 year period and all costs and maintenance costs are met by the community Board

Q26. **Would you like to comment on Vallance Cottage?**

not answered

Q27. **Would you like to comment on the Riding for the Disabled?**

not answered

Q28. **Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?**

Sell on the open market as it is in a desirable location for tourism operators to purchase and run a business from whilst they must maintain the historic (if any) presentation.

Q29. **Would you like to comment on the Ranfurly Hall?**

Sell to a community board via a 10 year interest free loan that must be paid back over the 10 year period and all costs and maintenance costs are met by the community Board. If the community is not interested sell on the open market to be converted to a house or business premise.

Q30. **Would you like to comment on the Naseby Hall?**

Sell to a community board via a 10 year interest free loan that must be paid back over the 10 year period and all costs and maintenance costs are met by the community Board. If the community is not interested sell on the open market to be converted to a house or business premise.

Q31. **Would you like to comment on the Patearoa Hall?**

Sell to a community board via a 10 year interest free loan that must be paid back over the 10 year period and all costs and maintenance costs are met by the community Board. If the community is not interested sell on the open market to be converted to a house or business premise.

Q32. **Would you like to comment on the Waipiata Hall?**

Sell to a community board via a 10 year interest free loan that must be paid back over the 10 year period and all costs and maintenance costs are met by the community Board. If the community is not interested sell on the open market to be converted to a house or business premise.

Q33. **Would you like to comment on the Wedderburn Hall?**

Sell to a community board via a 10 year interest free loan that must be paid back over the 10 year period and all costs and maintenance costs are met by the community Board. If the community is not interested sell on the open market to be converted to a house or business premise.

Q34. **Would you like to comment on the Millers Flat Hall?**

Sell to a community board via a 10 year interest free loan that must be paid back over the 10 year period and all costs and maintenance costs are met by the community Board. If the community is not interested sell on the open market to be converted to a house or business premise.

Q35. **Would you like to comment on the Millers Flat Bowling Club?**

not answered

Q36. **Would you like to comment on the Roxburgh Squash Court Building?**

Sell to a community board or club via a 10 year interest free loan that must be paid back over the 10 year period and all costs and maintenance costs are met by the community Board. If the community is not interested sell on the open market to be converted to a house or business premise.

Q37. **Would you like to comment on the Fenton Library?**

not answered

Q38. **Would you like to comment on the Naseby General Store?**

Sell on the open market as a business premise

Q39. **Would you like to comment on another hall or facility?**

not answered

Q40. **Would you like to comment on the Centennial Milk Bar?**

Sell on the open market as a business premise

Q41. **Would you like to comment on the Ranfurly Service Centre?**

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?** not answered

Q44. **Which option do you prefer?** Option B: Do not support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

The community needs to be responsible for running and promoting this amenity

Q46. **Which option do you prefer?** Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

Set it up so that a private company can manage, operate and promote the amenity. The management company would be responsible for the ongoing maintenace once it is brought up to an acceptable level of presentation and the filtration equipment etc is operable and has an acceptable lifetime before replacement is required.

Q48. **Which option do you prefer?** Option B: Provide additional funding of up to $1.6 million, loan funded over a period of 10 years.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

Community is responsible for the repayment of the $1.6 million loan over the 10 year period with a set interest rate that is 50% less than the current market rate fixed for the 10 years

Q50. **Which option do you prefer?**	Option A: Agree to provide a $250,000 grant funded through the tourism reserves.

Q51. **Would you like to provide comments on the Supercars Championship?**

not answered

Q52. **Which option do you prefer?**	Option B: Provide a $200,000 grant loan funded over a period of 10 years.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

The community would have skin in the game and be responsible to fundraise to pay the loan back.

Q54. **Which option do you prefer?**	Option B: Provide a $300,000 grant loan funded over a period of 10 years

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

The community would have skin in the game and be responsible to fundraise to pay the loan back.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q58. **Would you like to upload any supporting documents?**	not answered

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

I would like a new auditorium built for Ranfurly at the current Maniototo Stadium site with green rooms and lockable storage facilities for (preferably low) rent by groups such as the Theatre Group. Ranfurly Town Hall should not be sold to someone who may turn it into more main street residential property (we have too much of that already) but knocked down and the section beautified in the meantime but kept for future retail/commercial land use if Ranfurly should grow in the future.

Q58. **Would you like to upload any supporting documents?**	not answered

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

We lack a suitable surface for our children to play hockey on in Alexandra. We are unable to book the surface at Pioneer Park and it is too small and therefore dangerous for high school students to practice on. With games able to be played on the surface, the increased revenue to the town through cafe, supermarket and local shop spending would benefit the town financially. I know when I have to go to Cromwell for hockey I do my supermarket shop while the team is warming up each week and then buy food for the kids after the game. I am not alone in doing this so it all adds up over the winter.

not answered

Q54. **Which option do you prefer?** Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

This would be an fantastic facility for Alexandra and the surrounding areas, making Molyneux Park and DHS jointly an amazing sporting hub that can be promoted to bring people/groups into the area. On a more local scale the surface can be used by a wide variety of sporting groups both within the school and community. As well as hockey, it can be used for football practices, futsal, rippa rugby, 3v3 basketball if hoops are put on the high fences. The lights will be also lighting up the rugby field which means the girls games can hopefully played under better lighting and it also means that there is more than 1 field that can be used for evening practices for rugby. For our special needs students it provides an even, safe, colourful surface for their recreation - esp those in wheelchairs, and it is situated beside their classroom blocks. This surface is surrounded by over 1000 tamariki aged from 2-18 years who will be able to use it during the day and as part of our community outside school hours The access through Molyneux Stadium car park will ensure it is easy for the community to access the facility without going through the school, and then hopefully they can use the changing rooms/toilets and other stadium facilities which will increase the use of the stadium.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

Q1. **I'm registered for Let's Talk**	Yes. Please skip past the demographic questions and click next at the bottom of the page.
Q2. **First name**	not answered
Q3. **Last name**	not answered
Q4. **Email address**	not answered
Q5. **What is your connection to the Central Otago District?**	not answered
Q6. **Where do you live?**	not answered
Q7. **What year were you born?**	not answered
Q8. **What gender do you identify with most?**	not answered
Q9. **I am submitting**	as an individual
Q10. **Do you want to speak to your submission at a formal meeting?**	no
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	Option B: Status quo. Water services continue to be owned, maintained and delivered by Council.

Q13. **Would you like to comment on our plan for water?**

New Organisation will add another cost onto rate payers

Q14. **Please choose your preferred option.**	Option A: Increase the volumetric charge to $2.40 per cubic metre, with the fixed charge of $509.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

Option A encourages water preservation and people could install rainwater tanks to water the garden or flush the toilet/

Q16. **Please select your preferred option.**	Option B: Maintain the current level of support that Council provides for all of the halls and facilities listed above.
Q17. **Which hall/facility would you like to comment?**	not answered

Q18. Would you like to comment on the Ophir Hall?

not answered

Q19. Would you like to comment on the Poolburn Hall?

not answered

Q20. Would you like to comment on the Clyde Police Lockup?

not answered

Q21. Would you like to comment on the Clyde Railway Station Building?

not answered

Q22. Would you like to comment on the Former Clyde Museum Stables & Goods Shed?

not answered

Q23. Would you like to comment on Blyth Street Museum, Clyde?

not answered

Q24. Would you like to comment on Clyde Hall?

not answered

Q25. Would you like to comment on Becks Hall?

not answered

Q26. Would you like to comment on Vallance Cottage?

not answered

Q27. Would you like to comment on the Riding for the Disabled?

not answered

Q28. Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?

not answered

Q29. Would you like to comment on the Ranfurly Hall?

not answered

Q30. Would you like to comment on the Naseby Hall?

not answered

Q31. Would you like to comment on the Patearoa Hall?

not answered

Q32. Would you like to comment on the Waipiata Hall?

not answered

Q33. Would you like to comment on the Wedderburn Hall?

not answered

Q34. Would you like to comment on the Millers Flat Hall?

not answered

Q35. Would you like to comment on the Millers Flat Bowling Club?

not answered

Q36. Would you like to comment on the Roxburgh Squash Court Building?

not answered

Q37. Would you like to comment on the Fenton Library?

not answered

Q38. Would you like to comment on the Naseby General Store?

not answered

Q39. Would you like to comment on another hall or facility?

not answered

Q40. Would you like to comment on the Centennial Milk Bar?

not answered

Q41. Would you like to comment on the Ranfurly Service Centre?

not answered

Q42. Would you like to comment on the Wallace Memorial Rooms?

not answered

Q43. Would you like to upload any supporting documents about halls and facilities? not answered

Q44. Which option do you prefer? Option B: Do not support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?

not answered

Q46. Which option do you prefer? Option B: Retain the outdoor pool in Alexandra.

Q47. Would you like to provide comments on the Alexandra outdoor pool?

Swimming facilities are very important for children to learn swimming and become confident in the water. Such facilities are more important than subsidising motor "sport" events.

Q48. **Which option do you prefer?**	Option A: Provide additional funding of up to $1.6 million towards the construction of the Manuherekia Valleys Community Hub, funded from Vincent General Reserves.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?**	Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

No rate payer money for this kind of events!!!!! People who are interested in this can pay for it to see and the organiser can easily recover this 250K through higher admission charges. This kind of events are promoting air pollution and noise pollution and I find it very upsetting that council even considers to waste rate payers money for this. Is all the climate change talk just hot air?????

Q52. **Which option do you prefer?**	Option A: Provide a $200,000 grant, rate funded in the 2026/27 financial year.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

not answered

Q54. **Which option do you prefer?**	Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

not answered

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

Council should NOT spend any rate payer money for motor "sport" events. Such "events" are not needed in Central Otago and there is no benefit for the whole community.

Q58. **Would you like to upload any supporting documents?**	not answered
Q59. **How did you hear about this engagement opportunity? You may tick more than one.**	Postcard in the mail

Q44. **Which option do you prefer?** Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

Over the years the committee running the old pool have done a great job. With limited funds. Now that the new pool has been built, and it is a beautiful one, it is still being run largely by the same committee. People are ready to volunteer to help with a lot of projects. But to be on the committee and responsible for the running of, health and safety, maintenance of said pool unfortunately there has been not a lot come forward. Also the hard job of getting life guards has been an issue. The CODC has more resources at its disposal even if it means a rates rise. People will just have to use the pool more.

Q9. **I am submitting**	as an individual
Q10. **Do you want to speak to your submission at a formal meeting?**	yes
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	[redacted]
Q12. **Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.

Q13. **Would you like to comment on our plan for water?**

I support option A with a level of nervousness as I can see the benefit of having access to a higher debt ceiling and being able to spread this out over a longer period time for rate payers. But if we are to join up with other Councils then how do we determine between different Councils working to different timeline and with different quality of services depending on past investment. Also by splitting these services out from Council I take it you also remove the asset from the balance sheet, my question is, will this not affect the ability of Councils to borrow against these assets? ie we reduce the amount we can borrow by reducing the asset base that is currently a part of our credit rating. It also seems like the first step towards the ability to privatise all community infrastructure, and potentially in the future take away the ability for the community to have a say on the level of service that is required/wanted for this particular community.

Q14. **Please choose your preferred option.**	Option A: Increase the volumetric charge to $2.40 per cubic metre, with the fixed charge of $509.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

I support a drive to decrease water use within reason. When the volume charges were first brought in there was a noticeable decrease in the level of garden and road verge irrigation and this has an impact on the look/feel of our townships in summer time. If we put more emphasis on volume charges then this trend of not watering is only going to increase and affects how are towns residential area look and feel as a community.

Q16. **Please select your preferred option.** Option A: Divest all of the community halls listed (highlighted in green above).

Q17. **Which hall/facility would you like to comment?** not answered

Q18. **Would you like to comment on the Ophir Hall?**

not answered

Q19. **Would you like to comment on the Poolburn Hall?**

Q43. Would you like to upload any supporting documents about halls and facilities? not answered

Q44. **Which option do you prefer?** Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

not answered

Q46. **Which option do you prefer?** Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

The commentary in the public documents for these particular options is misleading. The use of the outside pool is very dependent on the lifeguards being available to open this area. As a regular user of both the inside and outdoor pool (when available) the outdoor pool is my preferred place to swim. The outdoor pool provides a very different amenity level and would represent a significant reduction in the level of service if this was closed. This outside pool in Alexandra, in a location near to where lots of visitors come to the district, has the ability to be a major draw card for this community. Rather than closing the facility down the Council should be looking to see what it can do to promote this facility to people outside of the community. I think some additional investment into a waterslide would significantly increase the numbers of visitors for example. Instead of spending $250k on the chance to get additional motorsport for a short period of time, lets invest regional promotion money in a water slide (as was originally proposed for this outdoor facility). By doing this we would attract a greater number of people from outside of the District and would become more of a destination for holiday makers again. The recent summer's heating of the outside pool was not well advertised at all, so it was a lost opportunity to see if this would have increased numbers of users. I would also suggest going a step further and see what it would take to heat the pool over the winter, as this would provide a serious point of difference and again attract additional visitors to the District. I understand that part of this heating can be done by the reverse heating from the ice rink cooling system, so is already potentially available. Either way I strongly support the retention of the outside pool, this is a great community asset that would be a huge loss to the community.

Q48. **Which option do you prefer?** Option B: Provide additional funding of up to $1.6 million, loan funded over a period of 10 years.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

What are the other possible uses of the Vincent General Reserves? By committing to option A without giving alternatives to spend this reserves funding on misleads the Vincent community as other potential project that these reserve funds could support. This is particularly prevalent due the spatial spread of the community in the Vincent catchment. I support the Council funding it but not through general reserves without first giving the Vincent Community other options on what these funds could go towards.

Q50. **Which option do you prefer?** Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

This event will go ahead with or without the Council support. A large proportion of people who would come to an event like this would come from Queenstown or at least would stay in Queenstown as this is where the majority of short term accommodation is located. So without QLDC support I do not see why CODC should be expected to pay money to what is a very uncertain bid only. $250k could be invested in other parts of our District Infrastructure to attract people to our district over a longer period of time. For example Council investing in a hydro slide for the Alexandra outdoor pool to attract lots more visitors over a long period of time.

Q52. **Which option do you prefer?** Option B: Provide a $200,000 grant loan funded over a period of 10 years.

Q53. **Would you like to provide comments on the Artificial Turf at Manlototo Area School?**

not answered

Q54. **Which option do you prefer?** Option B: Provide a $300,000 grant loan funded over a period of 10 years

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

This is a long term investment into the available facilities for our District. I would support investing in this facility any way possible. But as it is a long term asset then it should be spread out over time for the ratepayers. This would be a great addition to the recreation offerings in this location

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

The significant proposed increases in Development and Financial contributions included in the documents will have serious ramifications on attraction of investment into our communities. Both for green field development and more importantly the redevelopment of some of our older housing areas. The increased proposed contributions will make very hard for people to consider subdividing existing housing area that have been recently rezoned to medium density to provide for our district required increased/projected housing needs. There is also a very large disparity in the rates proposed for Alex and Clyde versus Cromwell, which could direct further development investment towards Cromwell. This disparity has not been acknowledged anywhere and it is not clear in the public information why this disparity is there. We need to ensure a continued healthy level of investment into new development continues across the community, so for this reason I would like to see development rates that are set at the same level across the district. The other point I would like to make is the investment in the Alexandra airport, $470k based on LTP funds allocated, versus the fees to use this asset being only $10 a time. Surely this airport is significantly under utilised as asset and LTP funds could be better spend elsewhere on other community assets, like the Alexandra outdoor pool for instance which would have a much higher number of users compared to the airport. I appreciate that the resurfacing of the runway was in the LTP, but this just highlights that community infrastructure spending needs to be spread out over the long run in order to make it work. How are use fees calculated for Alexandra airport, because there is no way that there are enough planes using it to pay for its upkeep based on the current charging regime. Should users have to pay more so that the rest of the community are not subsidising this community asset/liability.

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

It is not clear what development contributions have been collected in the previous period and where these funds have then been spent. It would be great if some clarity could be provided on this point to the community. Particularly with the large increase in proposed charges in this area proposed, it would be great to get some understanding of where funds have been spent or where money is being collected for future spending.

Q58. **Would you like to upload any supporting documents?** not answered

Q9.	**I am submitting**	as an individual
Q10.	**Do you want to speak to your submission at a formal meeting?**	no
Q11.	**Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12.	**Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.

Q13. **Would you like to comment on our plan for water?**

not answered

Q14.	**Please choose your preferred option.**	Option B: Increase the volumetric charge to $1.80 per cubic metre, with the fixed charge at $639.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

I strongly believe that Option A is too excessive for an area receiving low quality drinking water. I think an increase to $1.20 in the volumetric charge i.e. 100% increase to be acceptable.

Q16.	**Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.

Q17. **Which hall/facility would you like to comment?** Ophir Hall

Q18. **Would you like to comment on the Ophir Hall?**

I oppose the divestment of Ophir Peace Memorial Hall (see attached individual submission) and fully support the detailed submission prepared by the Ophir Welfare Committee.

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

not answered

Q21. **Would you like to comment on the Clyde Railway Station Building?**

not answered

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

not answered

Q23. **Would you like to comment on Blyth Street Museum, Clyde?**

not answered

Q24. **Would you like to comment on Clyde Hall?**

not answered

Q25. **Would you like to comment on Becks Hall?**

not answered

Q26. **Would you like to comment on Vallance Cottage?**

not answered

Q27. **Would you like to comment on the Riding for the Disabled?**

not answered

Q28. **Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?**

not answered

Q29. **Would you like to comment on the Ranfurly Hall?**

not answered

Q30. **Would you like to comment on the Naseby Hall?**

not answered

Q31. **Would you like to comment on the Patearoa Hall?**

not answered

Q32. Would you like to comment on the Walplata Hall?

not answered

Q33. Would you like to comment on the Wedderburn Hall?

not answered

Q34. Would you like to comment on the Millers Flat Hall?

not answered

Q35. Would you like to comment on the Millers Flat Bowling Club?

not answered

Q36. Would you like to comment on the Roxburgh Squash Court Building?

not answered

Q37. Would you like to comment on the Fenton Library?

not answered

Q38. Would you like to comment on the Naseby General Store?

not answered

Q39. Would you like to comment on another hall or facility?

not answered

Q1. **I'm registered for Let's Talk**	Yes. Please skip past the demographic questions and click next at the bottom of the page.
Q2. **First name**	not answered
Q3. **Last name**	not answered
Q4. **Email address**	not answered
Q5. **What is your connection to the Central Otago District?**	not answered
Q6. **Where do you live?**	not answered
Q7. **What year were you born?**	[redacted]
Q8. **What gender do you identify with most?**	not answered
Q9. **I am submitting**	as an individual
Q10. **Do you want to speak to your submission at a formal meeting?**	no
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.

Q13. **Would you like to comment on our plan for water?**

A CCO model for water seems to be the only possible step to alleviate the enormous financial pressure on local government. However, we also really strongly feel that access to safe, clean, quality drinking water is a fundamental duty. Measures should be put in place to ensure an appropriate level of investment is made in the required infrastructure - including community oversight of the new entity and ensuring that Central Otago's voice is not lost to larger players.

Q14. **Please choose your preferred option.**	Option B: Increase the volumetric charge to $1.80 per cubic metre, with the fixed charge at $639.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

My household are relatively low water users and for environmental reasons I really support a user pays system with a higher volumetric charge. However the cost of living may make this challenging for rented properties. I would support a system where tenanted properties - that are effectively a business - had a different charging model to residential properties, to ensure that something as essential as water does not become a challenge for people in need. I've picked option B for these reasons, but am happy to council to come up with an alternate if it addresses these concerns.

Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.
Q17. **Which hall/facility would you like to comment?**	Other

Q18. **Would you like to comment on the Ophir Hall?**

not answered

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

not answered

Q21. **Would you like to comment on the Clyde Railway Station Building?**

not answered

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

not answered

Q23. **Would you like to comment on Blyth Street Museum, Clyde?**

not answered

Q24. **Would you like to comment on Clyde Hall?**

not answered

Q25. **Would you like to comment on Becks Hall?**

not answered

Q26. **Would you like to comment on Vallance Cottage?**

not answered

Q27. **Would you like to comment on the Riding for the Disabled?**

not answered

Q28. **Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?**

not answered

Q29. Would you like to comment on the Ranfurly Hall?

not answered

Q30. Would you like to comment on the Naseby Hall?

not answered

Q31. Would you like to comment on the Patearoa Hall?

not answered

Q32. Would you like to comment on the Waipiata Hall?

not answered

Q33. Would you like to comment on the Wedderburn Hall?

not answered

Q34. Would you like to comment on the Millers Flat Hall?

not answered

Q35. Would you like to comment on the Millers Flat Bowling Club?

not answered

Q36. Would you like to comment on the Roxburgh Squash Court Building?

not answered

Q37. Would you like to comment on the Fenton Library?

not answered

Q38. Would you like to comment on the Naseby General Store?

not answered

Q39. Would you like to comment on another hall or facility?

I don't support an en masse one off sale of a large amount of facilities in one go. I would support a graduated process over time based on strategic priorities and reinvestment of the proceeds into other assets - because the pressures on ratepayer finances are not going away. I would prefer CODC to be investing in income-generating assets to set it up for the future, than stripping assets for short-term gain.

Q40. Would you like to comment on the Centennial Milk Bar?

not answered

Q41. Would you like to comment on the Ranfurly Service Centre?

not answered

Q42. Would you like to comment on the Wallace Memorial Rooms?

not answered

Q43.	**Would you like to upload any supporting documents about halls and facilities?**	not answered
Q44.	**Which option do you prefer?**	Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

I don't want to tick either option but now I've hit one it's stuck. I am happy to support THIS project becoming a community asset but am concerned with Council picking up forseeable ongoing operating costs for projects that were budgeted based solely on capital costs. If Council are to take on this role, I would prefer they have oversight from the outset to ensure the facility or asset is constructed or planned with operational efficiencies in mind.

Q46.	**Which option do you prefer?**	Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

I'm prepared to pay more in rates for the retention of this facility. An outdoor pool is a huge part of childhood.

Q48.	**Which option do you prefer?**	not answered

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

I don't feel I have enough information to comment on this one between Option A-C. I support Council supporting the community on this one.

Q50.	**Which option do you prefer?**	Option A: Agree to provide a $250,000 grant funded through the tourism reserves.

Q51. **Would you like to provide comments on the Supercars Championship?**

I strongly urge Council to invest in events and promotions. I do not want to live in a district made up of roads, rubbish collections, and pipes - I want to invest in vibrancy, visitation, community connections, sustainable growth, and experiences.

Q52.	**Which option do you prefer?**	Option B: Provide a $200,000 grant loan funded over a period of 10 years.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

I do support Council assisting local schools, however note this clearly is required due to insufficient investment from Central Government. Council have a responsibility to make this clear. I have selected loan funding as I believe the Ministry of Education should be repaying this - government have access to borrowing at the lowest interest rate of any provider. In the absence of that, I'm happy to pay extra in rates to ensure students have access to these facilities.

Q54.	**Which option do you prefer?**	Option B: Provide a $300,000 grant loan funded over a period of 10 years

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

I do support Council assisting local schools, however note this clearly is required due to insufficient investment from Central Government. Council have a responsibility to make this clear. I have selected loan funding as I believe the Ministry of Education should be repaying this - government have access to borrowing at the lowest interest rate of any provider. In the absence of that, I'm happy to pay extra in rates to ensure students have access to these facilities.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

No comments.

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

I think this plan is okay for the conditions we find our community in, however believe there should be less emphasise on cutting and much more on investing in assets that reduce the reliance on rates as a percentage of councils income. National and global outlooks show an increasing pressure on finances. Council should be strategically investing to steer our community through and leave us better off, not selling to continue keeping rates artificially low. I do support an increase in rates relief to people on the margins and am happy to pay a little extra to enable this.

Q58. **Would you like to upload any supporting documents?**	not answered
Q59. **How did you hear about this engagement opportunity? You may tick more than one.**	Postcard in the mail

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?** — not answered

Q44. **Which option do you prefer?** — Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

not answered

Q46. **Which option do you prefer?** — Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

Iwould have thought the cost of maintaining and operating the outdoor pool would not be high. It will use the same water treatment plant as the indoor pool, and just run it for 3-4 months through summer. Hire casual staff to cover that period.

Q48.	**Which option do you prefer?**	Option A: Provide additional funding of up to $1.6 million towards the construction of the Manuherekia Valleys Community Hub, funded from Vincent General Reserves.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50.	**Which option do you prefer?**	Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

This is a privately owned facility, attended and used generally by people with plenty of money. It is also supporting a non-sustainable fossil fuel buring enterprise, and should not be supported by council at all.

Q52.	**Which option do you prefer?**	Option B: Provide a $200,000 grant loan funded over a period of 10 years.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

not answered

Q54.	**Which option do you prefer?**	Option B: Provide a $300,000 grant loan funded over a period of 10 years

not answered

Q50. **Which option do you prefer?** Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

Why not reward every event organiser (regardless of size) equally, based on performance after the fact, rather than provide handouts on a promises of XYZ returns. I ask CODC do away with awarding grants ahead of the fact to event organisers of events which propose to bring an XYZ economic benefit to the region, but instead provide an incentive to them, to make them work hard to achieve the greatest success. A $250,000 grant for a $40 million economic return equates to roughly a 0.625% investment on return. But this is for one event only. And in my 20 years of running events and calculating the economic impact of them for council's, board's, trust's etc, a 0.625% investment on return is high. In fact the recent funding we were able to secure equated to for an event only 0.061% investment on return (or ten times less). So, applied to a smaller event that the CODC may calculate has a smaller direct immediate economic benefit of $400,000 to the local community, then CODC would then award the organisers of this event with $800 to put toward the following years event in the way they see best. (excerpts from full submission, which is attached)

Q31. Would you like to comment on the Patearoa Hall?

Please delay the decision to divest or demolish the Patearoa Hall. We currently have no community hub/ public meeting place other than the hall. The community has called three public meetings and we are in the process of investigating plans for our local future meeting place, we are investigating consents, plans, finances and funding. We are an active community and are seeking a solution that benefits us. Please delay the decision to dispose of the Patearoa hall.

Q44. Which option do you prefer? Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?

This facility is an outstanding asset for the Teviot Valley Community ..... the old pool was never going to be replaced by the CODC and we in this community must now appreciate what we actually have which is a modern and award winning pool complex that will benefit all of the community in the Teviot Valley. Ownership of the $3.2m dollar asset must be now looked after the CODC who can future proof this outstanding community asset.

Q46. Which option do you prefer? not answered

Q47. Would you like to provide comments on the Alexandra outdoor pool?

not answered

Q48. **Which option do you prefer?**	Option A: Provide additional funding of up to $1.6 million towards the construction of the Manuherekia Valleys Community Hub, funded from Vincent General Reserves.

Q44. **Which option do you prefer?** — Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

not answered

Q46. **Which option do you prefer?** — Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

not answered

Q48. **Which option do you prefer?** — Option D: Do not support

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?**	Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

This should have nothing to do with council - it's a privately owned and run facility that is profitable enough to support such initiatives should it wish to. Secondly, this is an event - very much a 'nice to have' not an essential community provision that supports the development and wellbeing of the population.

Q52. **Which option do you prefer?**	Option A: Provide a $200,000 grant, rate funded in the 2026/27 financial year.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

not answered

Q54. **Which option do you prefer?**	Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

not answered

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q58. **Would you like to upload any supporting documents?**	not answered

Q1. **I'm registered for Let's Talk**	No. Please complete the demographic questions below.
Q2. **First name**	Chris
Q3. **Last name**	Winter
Q4. **Email address**	[redacted]
Q5. **What is your connection to the Central Otago District?**	I'm a Central Otago District ratepayer
Q6. **Where do you live?**	Vincent Ward (Alexandra and surrounds)
Q7. **What year were you born?**	[redacted]
Q8. **What gender do you identify with most?**	[redacted]
Q9. **I am submitting**	as an individual
Q10. **Do you want to speak to your submission at a formal meeting?**	no
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	Option B: Status quo. Water services continue to be owned, maintained and delivered by Council.
Q13. **Would you like to comment on our plan for water?**	
I like the status quo	
Q14. **Please choose your preferred option.**	not answered
Q15. **Would you like to comment on volumetric charges?**	
not answered	
Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.

Q17. **Which hall/facility would you like to comment?**

Ophir Hall
Poolburn Hall
Clyde Hall
Ranfurly Hall
Naseby Hall
Patearoa Hall
Waipiata Hall
Wedderburn Hall
Ranfurly Service Centre
Millers Flat Hall

Q18. **Would you like to comment on the Ophir Hall?**

Each community should have a hall to congregate for meetings and special occasions irrelevant if they get used often or not. It's the councils responsibility to provide this service.

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

not answered

Q21. **Would you like to comment on the Clyde Railway Station Building?**

not answered

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

not answered

not answered

Q39. Would you like to comment on another hall or facility?

not answered

Q40. Would you like to comment on the Centennial Milk Bar?

not answered

Q41. Would you like to comment on the Ranfurly Service Centre?

not answered

Q42. Would you like to comment on the Wallace Memorial Rooms?

not answered

Q43. Would you like to upload any supporting documents about halls and facilities? not answered

Q44. **Which option do you prefer?**	Option B: Do not support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

The Roxburgh community should have considered the running of the pool before they built it. There are plenty of community run pools around the country that operate on a user pays /takes liability basis. The Roxburgh community should be able to manage this responsibility if they managed to fund raise to build the pool in the first place. If the council were to take this pool under its umbrella it shouldn't be to the deterrent of other pools in the district.

Q46. **Which option do you prefer?**	Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

Point 1: The outdoor pool has not been utilised by the community because of staffing issues at the pool. Often the outdoor pool is closed to the public due to a lack of pool staff to manage all the pools. The pool has struggled for years to employ enough staff to manage the whole facility. Point 2: The outdoor pool is unique to other pools in our district/NZ. There are no other 25m outdoor pools in NZ like this (that I know of) Without this pool NZ could not host the Australia/NZ ice swimming championships. This event on its own would bring in ten's of thousands of dollars to our community. Alexandra currently has 2 world champion ice swimmers who use this pool to train over winter. Not to mention many others who travel from all over Otago & Southland to swim and train in the pool during the summer months. Point 3: I do not agree that there would be a saving of $200 000 to the community if the pool was closed. With my engineering experience with community pools and looking at the figures supplied, I feel these $ breakdown is not reflective of the actual costs to run the outdoor pool. I would like the council to review these figures and provide actual costs not just budget estimates. (ie 1x additional staff member to lifeguard the outdoor pool for 6mths of the year should not cost the community $90k) little to no heating and some additional chemical and maintenance should not cost $200k/ year. Please review these figures and provide actual annual running costs to the community . Side note: Maybe the council could spend some of their marketing and tourism budget to market the pool facility to attract more visitors to the town. That would help with staffing and attract more swimmers numbers.

Q48. **Which option do you prefer?**	Option B: Provide additional funding of up to $1.6 million, loan funded over a period of 10 years.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?**	Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

I'm sure $250k is not enough to entice the Supercars franchise. If they want to race in Cromwell they will do it without the councils help. Promote the region and they will come.

Q52. **Which option do you prefer?**	Option A: Provide a $200,000 grant, rate funded in the 2026/27 financial year.

Q53. **Would you like to provide comments on the Artificial Turf at Manlototo Area School?**

Maintenance for an existing turf!

Q54. **Which option do you prefer?**	Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

The community has needed this turf for 10+ yrs . It's a great idea to build it on the school grounds. With the number of hockey players in the Alexandra area it has been needed for years for team practices/play and to give another full sized turf to enable larger competitions in our region. 1 turf in Cromwell is not enough and travel times from Maniototo are too long for teams to safely travel to play in Cromwell. Turf can be used for other sports all year round. The turf wi be heavily used by the community.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

not answered

Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.
Q17. **Which hall/facility would you like to comment?**	Ophir Hall

Q18. **Would you like to comment on the Ophir Hall?**

The Ophir Peace Memorial hall is the central hub of this community. It provides social connection for locals & people in the wider district. The Ophir community manage the facility, fund raise, apply for grants & volunteer their time to support this asset. This ultimately lowers financial cost for CODC. Its use has increased significantly over the past few years. It is a favored destination for culture & arts with many musicians performing at the Hall. The history of this hall in a heritage precinct should not be overlooked. The way it currently runs with it being owned by CODC & managed & enhanced by the community works well with little cost to ratepayers in the Vincent Ward. The local community would struggle to own & run this hall if it were divested. The proposed community facility in nearby Oamaku will have a completely different focus and feel to the treasured Ophir Peace Memorial Hall.Please do not divest it and continue as it is. It works well. Thank you

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

not answered

Q21. **Would you like to comment on the Clyde Railway Station Building?**

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?**	not answered
Q44. **Which option do you prefer?**	Option B: Do not support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

not answered

Q46. **Which option do you prefer?** Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

This is such an asset to Alexandra. I use the outdoor pool in preference to the indoor pool fur lap swimming. It is great for families. It is a destination for ice swimmers and is unique. It is a point of difference to other pools in the wider region. It would be such a loss to close this pool

Q48. **Which option do you prefer?** Option D: Do not support

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?** Option C: Do not support

Q1. **I'm registered for Let's Talk**	Yes. Please skip past the demographic questions and click next at the bottom of the page.
Q2. **First name**	Kim
Q3. **Last name**	Simmons
Q4. **Email address**	[redacted]
Q5. **What is your connection to the Central Otago District?**	I live in the district
Q6. **Where do you live?**	Vincent Ward (Alexandra and surrounds)
Q7. **What year were you born?**	[redacted]
Q8. **What gender do you identify with most?**	[redacted]
Q9. **I am submitting**	as an individual
Q10. **Do you want to speak to your submission at a formal meeting?**	no
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.

Q13. **Would you like to comment on our plan for water?**

Omakau needs a whole new water system. Our water stops flowing often and tastes like dirt throughout the year. Happy to pay if we are guaranteed a proper water supply that is fit for a first world country

Q14. **Please choose your preferred option.**	Option C: Status quo. Retain the charge at 60 cents per cubic metre, with a fixed charge at $843.54 per connection.

Q15. **Would you like to comment on volumetric charges?**

If water supply is held to a proper standard then being charged isn't a problem, currently the omakau water supply is a total joke

Q16. **Please select your preferred option.**	Option B: Maintain the current level of support that Council provides for all of the halls and facilities listed above.

Q17. **Which hall/facility would you like to comment?** not answered

Q18. **Would you like to comment on the Ophir Hall?**

not answered

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

not answered

Q21. **Would you like to comment on the Clyde Railway Station Building?**

not answered

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

not answered

Q23. **Would you like to comment on Blyth Street Museum, Clyde?**

not answered

Q24. **Would you like to comment on Clyde Hall?**

not answered

Q25. **Would you like to comment on Becks Hall?**

not answered

Q26. **Would you like to comment on Vallance Cottage?**

not answered

Q27. **Would you like to comment on the Riding for the Disabled?**

not answered

Q28. **Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?**

not answered

Q29. **Would you like to comment on the Ranfurly Hall?**

not answered

Q30. **Would you like to comment on the Naseby Hall?**

not answered

Q31. **Would you like to comment on the Patearoa Hall?**

not answered

Q32. **Would you like to comment on the Walplata Hall?**

not answered

not answered

Q37. **Would you like to comment on the Fenton Library?**

not answered

Q38. **Would you like to comment on the Naseby General Store?**

not answered

Q39. **Would you like to comment on another hall or facility?**

not answered

Q40. **Would you like to comment on the Centennial Milk Bar?**

not answered

Q41. **Would you like to comment on the Ranfurly Service Centre?**

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?** — not answered

Q44. **Which option do you prefer?** — Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

Pool is a great place for relaxation and a social hub

Q46. **Which option do you prefer?** — Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

What a waste of money to decommission the outdoor pool. So many of our waterways are deemed not fit for use by the council during summer in a place where we often hit 30deg the outdoor pool provides a safe and secure place for families to enjoy time together and for children to learn water safety

Q48. **Which option do you prefer?** Option A: Provide additional funding of up to $1.6 million towards the construction of the Manuherekia Valleys Community Hub, funded from Vincent General Reserves.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?** Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

250000 would be better spent on saving assets we currently have

Q52. **Which option do you prefer?** Option A: Provide a $200,000 grant, rate funded in the 2026/27 financial year.

Q53. **Would you like to provide comments on the Artificial Turf at Manlototo Area School?**

not answered

Q54. **Which option do you prefer?** Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

Both turfs provide a great opportunity for our youth to engage in meaningful experiences and sport

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

Fees are ridiculous and the money rate payers are being asked to pay actually needs to go towards experiences and items that they get use off

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

Perhaps look at more user charges to compact some costs especially in regards to both pools, polls are a community hub and shutting them down will only create more disconnect, spend more money on bringing people together in forms of the pools or community centres rather than on one time events. Upgrade our water system in omakau so we are not living in a third world society with substandard water that stops numerous times throughout the day as well as tastes like it is directly from the river

Q58. **Would you like to upload any supporting documents?** not answered

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

I would like to see the annual $24,000 grant for Blossom Festival included in the long term plan. It doesn't make sense that this would sit in a contestable fund when the festival is such an integral part of the Alexandra DNA. This event contributes significantly financially to our local economy through so many different aspects. It encourages the circular economy of locals spending but also brings in many from outside the area that contribute greatly to a wide range of businesses. Finances from the festival are redistributed through so many local organisations like schools, child care centres, sports clubs, etc that often struggle for fundraising opportunities but jump at this opportunity to help make the festival great. The funding from CODC has helped keep the costs of the festival down for locals which has been very important through recessions and cost of living crisis. I personally believe that the festival also holds a certain amount of responsibility in helping with mental health wellbeing as after coming out of the harsh Central Otago winters I often hear how people have the event to look forward to as we celebrate the return to spring. To leave the Blossom Featival where it currently stands in contestable I believe would be a horrific mistake for all the above reasons along with so many more including the fact that even after all this it doesn't comply with the requirements of that funding.

An issue which is so important to me is the maintenance of the roadsides and empty land close to the Cromwell town centre.Alexandra looks amazing when arriving in the town. Cromwell only looks tidy by the Big Fruit. Arriving from Queenstown…scruffy wasteland to the right…land owners should not be able to leave their property in such a state. The land opposite Jackson's shop…corner of Shortcut Rd and main road…a total disgrace. The roadside by the Wooing Tree estate between Jackson's shop and roundabout…is not maintained. I would like answers and see progress in this area as it reflects on the town. Cromwell looks like the poor cousin to the other neighbouring towns. Simple by laws controlling empty land maintenance and suitable fines might help. I want people to love visiting Cromwell and appreciate the beauty of the hills surrounding it, plus the lake and lakesides (another issue!). I love living here but would love it more if it looked good!

Q1. **I'm registered for Let's Talk**	No. Please complete the demographic questions below.
Q2. **First name**	David
Q3. **Last name**	Perez
Q4. **Email address**	[redacted]
Q5. **What is your connection to the Central Otago District?**	I'm a Central Otago District ratepayer
Q6. **Where do you live?**	Vincent Ward (Alexandra and surrounds)
Q7. **What year were you born?**	[redacted]
Q8. **What gender do you identify with most?**	[redacted]
Q9. **I am submitting**	as an individual
Q10. **Do you want to speak to your submission at a formal meeting?**	no
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.

Q13. **Would you like to comment on our plan for water?**

Option A might allow a more focussed approach to water planning but I am apprehensive that cost containment may not be as vigorous as the CODC would apply and this will be passed on to ratepayers.

Q14. **Please choose your preferred option.**	Option B: Increase the volumetric charge to $1.80 per cubic metre, with the fixed charge at $639.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

not answered

Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.
Q17. **Which hall/facility would you like to comment?**	Ophir Hall

Q18. **Would you like to comment on the Ophir Hall?**

The Ophir hall is a real focus for the community there. Ophir has a great community spirit and the hall, located in the centre of Ophir, gives a real sense of belonging to this community. The effort put in by Ophir residents to maintaining the hall and funding improvements would be seriously diluted. It would be a shame if the one off seismic strengthening issue determined the future of the hall. I would like to see a solution to seismic strengthening where the CODC and Ophir community both contributed financially.

Q19. **Would you like to comment on the Poolburn Hall?**

Q49. Would you like to provide comments on the Manuherekia Valleys Community Hub?

not answered

Q50. Which option do you prefer? Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

The joint/multiple owners of V8 Supercars Aus/NZ and circuits in NZ/Australia are extremely wealthy and DO NOT need Central Otago ratepayers to support an event in Central Otago. The NZ Highlands Motorsports circuit and many other circuits in NZ and Aus are private business operations that benefit the owners through gate charges/ competitor charges.

IP Address: [redacted]

Q1.	**I'm registered for Let's Talk**	Yes. Please skip past the demographic questions and click next at the bottom of the page.
Q2.	**First name**	Bryan
Q3.	**Last name**	McIntyre
Q4.	**Email address**	[redacted]
Q5.	**What is your connection to the Central Otago District?**	I live in the district
Q6.	**Where do you live?**	Vincent Ward (Alexandra and surrounds)
Q7.	**What year were you born?**	[redacted]
Q8.	**What gender do you identify with most?**	[redacted]
Q9.	**I am submitting**	as an individual
Q10.	**Do you want to speak to your submission at a formal meeting?**	no
Q11.	**Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12.	**Please choose your preferred option.**	Option B: Status quo. Water services continue to be owned, maintained and delivered by Council.

Q13. **Would you like to comment on our plan for water?**

I support retaining the current model where Council directly owns, maintains, and delivers water services. While I understand the intention behind exploring a council-controlled organisation (CCO), I have significant concerns about the creation of a structure that operates at "arm's length" from the community. Public ownership is not just about technical control — it's also about accountability, visibility, and trust. The further decisions are placed from ratepayer oversight, the harder it becomes to ensure that priorities remain aligned with community needs rather than operational efficiencies. The current model, while not perfect, at least maintains a direct line of responsibility between Council and the residents it serves. That clarity matters — especially when public trust is fragile. Rather than restructuring governance, I would prefer to see improvements made within the current model: better communication, clearer reporting on water spending, and stronger internal accountability mechanisms. Those changes would offer more benefit — and more reassurance — than the structural shift to a CCO.

Q14.	**Please choose your preferred option.**	not answered

Q15. **Would you like to comment on volumetric charges?**

The existing balance between fixed and volumetric charges is predictable, transparent, and fair — especially for residents who already manage their water use carefully. While I understand the aim of incentivising conservation, I'm not confident this pricing shift is the right mechanism to achieve it. Increasing the volumetric charge so significantly — while reducing the fixed cost — creates uncertainty. Households can't always control usage due to seasonal needs, family size, or property type. This model risks penalising residents with no real waste to cut. Without a clear link between these changes and improvements in water management, it feels like a reshuffle in billing rather than a strategy for sustainability. I would prefer Council focus on system upgrades, public education, and transparency in spending — before overhauling how residents are charged.

Q16. **Please select your preferred option.** Option B: Maintain the current level of support that Council provides for all of the halls and facilities listed above.

Q17. **Which hall/facility would you like to comment?** not answered

Q18. **Would you like to comment on the Ophir Hall?**

not answered

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

not answered

Q21. **Would you like to comment on the Clyde Railway Station Building?**

not answered

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

Q23. **Would you like to comment on Blyth Street Museum, Clyde?**

not answered

Q24. **Would you like to comment on Clyde Hall?**

not answered

Q25. **Would you like to comment on Becks Hall?**

not answered

Q26. **Would you like to comment on Vallance Cottage?**

not answered

Q27. **Would you like to comment on the Riding for the Disabled?**

not answered

Q28. Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?

not answered

Q29. Would you like to comment on the Ranfurly Hall?

not answered

Q30. Would you like to comment on the Naseby Hall?

not answered

Q31. Would you like to comment on the Patearoa Hall?

not answered

Q32. Would you like to comment on the Waipiata Hall?

not answered

Q33. Would you like to comment on the Wedderburn Hall?

not answered

Q34. Would you like to comment on the Millers Flat Hall?

not answered

Q35. Would you like to comment on the Millers Flat Bowling Club?

not answered

Q36. Would you like to comment on the Roxburgh Squash Court Building?

not answered

Q37. Would you like to comment on the Fenton Library?

not answered

Q38. Would you like to comment on the Naseby General Store?

not answered

Q39. Would you like to comment on another hall or facility?

not answered

Q40. Would you like to comment on the Centennial Milk Bar?

not answered

Q41. Would you like to comment on the Ranfurly Service Centre?

not answered

Q42. Would you like to comment on the Wallace Memorial Rooms?

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?**	not answered
Q44. **Which option do you prefer?**	Option B: Do not support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

Community-led facilities like this pool reflect more than just infrastructure — they represent local initiative, trust, and pride. While Council support can be valuable, full ownership risks diluting the strong community connection that underpins its success. Rather than absorbing the pool into the Council's broader management structure, I believe the better path forward is shared support: Council backing community leadership with funding, technical assistance, and access to resources — while leaving governance in local hands.

Q46. **Which option do you prefer?**	Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

I strongly support retaining the Alexandra outdoor pool. This facility provides more than just seasonal recreation — it plays a vital role in supporting physical health, social connection, youth activity, and community wellbeing. Outdoor pools offer a different experience than indoor centres and are especially important for families, schools, and events during summer months. Once a facility like this is lost, it rarely returns. Decommissioning it may save short-term costs, but the long-term impact on community vibrancy and accessible recreation is too high a price. Council should be finding ways to enhance and promote underused assets, not eliminate them. I urge you to retain this facility and explore ways to better support its use and sustainability.

Q48. **Which option do you prefer?**	Option D: Do not support

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

While I understand the importance of community infrastructure, I'm concerned by the scale of this additional funding request — especially without a clear explanation of why original estimates were insufficient or how this project's scope has changed. Council needs to demonstrate fiscal discipline and transparency, especially in times of economic pressure. Too often, costs escalate while delivery falters — and ratepayers are left to absorb the gap. Until there is a detailed breakdown of spend, need, and value for money, I cannot support further financial commitment to this project.

Q50. **Which option do you prefer?**	Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

I do not support providing a $250,000 grant to support bringing the Supercars Championship to Cromwell. While high-profile events can create short-term economic activity, public funding of this scale for a private, ticketed event raises serious concerns. Without a clear and independently assessed return-on-investment, this proposal risks privileging spectacle over substance. I would prefer to see Council prioritise projects that deliver broader and more lasting benefit to residents — not one-off grants that benefit a narrow slice of the population or business community. Public money should be used with discipline, transparency, and alignment to community needs.

Q52. **Which option do you prefer?**	Option C: Do not support

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

I do not support providing a $200,000 grant for the extension of the artificial turf and court at Maniototo Area School. While I value investment in active spaces, I'm cautious about public money going toward assets that are primarily school-based, with unclear or limited access for the broader community. Without a detailed public use plan, open access commitments, or a co-funding model that spreads cost and responsibility, this feels premature. I encourage Council to revisit this once there is greater clarity on shared access, community impact, and accountability for long-term maintenance and use.

Q54. **Which option do you prefer?** Option C: Do not support

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

I do not support providing $300,000 in Council funding toward the construction of an artificial turf at Dunstan High School. While outdoor spaces are important, this proposal lacks the necessary clarity and safeguards to justify such a significant spend of public funds. If this facility is intended to serve the broader community, there should be detailed guarantees around open access, shared governance, and a clear co-funding model. Without those, this risks being a school infrastructure project partially subsidised by ratepayers — and that's not an appropriate use of Council funds.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

Across all long-term policies — particularly those relating to fees, funding, and engagement — I would encourage Council to place far greater emphasis on transparency, restraint, and trust-building. Throughout this consultation, a consistent concern has been the lack of clarity on how funding decisions are made, what alternatives were considered, and how long-term financial impacts are communicated to ratepayers. "Consultation" must mean more than presenting pre-set options. It should involve genuine dialogue, evidence-based reasoning, and a clear link between community input and final decisions. Whether through the Revenue and Financing Policy, or Fees and Charges, I urge Council to prioritise: Honest explanation of cost structures Rigorous public access to data and assumptions Caution in expanding spending commitments without robust modelling Engagement processes that feel real — not procedural

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q58. **Would you like to upload any supporting documents?** not answered

Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.

Q13. **Would you like to comment on our plan for water?**

not answered

Q14. **Please choose your preferred option.**	Option B: Increase the volumetric charge to $1.80 per cubic metre, with the fixed charge at $639.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

not answered

Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.

Q17. **Which hall/facility would you like to comment?**

Poolburn Hall
Becks Hall
Ranfurly Hall
Naseby Hall
Patearoa Hall
Waipiata Hall
Wedderburn Hall
Millers Flat Hall

Q18. **Would you like to comment on the Ophir Hall?**

not answered

Q19. **Would you like to comment on the Poolburn Hall?**

My comment on all of the halls is that it is important to have a space available to the community to congregate in from time to time. Some of these communities do not have alternatives and once the hall goes, the opportunity for the community to gather in a neutral space is lost. Rural communities are self supporting in many ways; please don't make them become responsible for another piece of infrastructure that they need to find external funding for.

Q20. **Would you like to comment on the Clyde Police Lockup?**

not answered

Q21. **Would you like to comment on the Clyde Railway Station Building?**

not answered

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

Q38. Would you like to comment on the Naseby General Store?

not answered

Q39. Would you like to comment on another hall or facility?

not answered

Q40. Would you like to comment on the Centennial Milk Bar?

not answered

Q41. Would you like to comment on the Ranfurly Service Centre?

not answered

Q42. Would you like to comment on the Wallace Memorial Rooms?

not answered

Q43. Would you like to upload any supporting documents about halls and facilities? not answered

Q44.	**Which option do you prefer?**	Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

Swimming pools are important community infrastructure.

Q46.	**Which option do you prefer?**	Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

I'd like to see council invest in the outdoor facilities eg a splash mat facility for young children. The outdoor pool is important to Central Otago as part of ice swimming champs Is there not another model for the outdoor pool? Bluff Pool has swipe card access so swimmers can go when suits them, and they advertise their supervised hours (mornings only during the week / afternoons at weekends).

Q48.	**Which option do you prefer?**	Option A: Provide additional funding of up to $1.6 million towards the construction of the Manuherekia Valleys Community Hub, funded from Vincent General Reserves.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50.	**Which option do you prefer?**	Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

My preference is not to fund - community halls and swimming pools are more important to the district would be my view. If it is funded, it should come from the tourism reserves. The consultation document doesn't mention the quantum in this reserve account.

Q52.	**Which option do you prefer?**	Option B: Provide a $200,000 grant loan funded over a period of 10 years.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

As the turf will last longer than one year, so the cost should be spread.

Q54.	**Which option do you prefer?**	Option B: Provide a $300,000 grant loan funded over a period of 10 years

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

As for Maniototo.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

Q1. **I'm registered for Let's Talk**	No. Please complete the demographic questions below.
Q2. **First name**	Jo
Q3. **Last name**	mckenzie
Q4. **Email address**	[redacted]
Q5. **What is your connection to the Central Otago District?**	I live in the district
Q6. **Where do you live?**	Vincent Ward (Alexandra and surrounds)
Q7. **What year were you born?**	[redacted]
Q8. **What gender do you identify with most?**	[redacted]
Q9. **I am submitting**	as an individual
Q10. **Do you want to speak to your submission at a formal meeting?**	no
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	Option B: Status quo. Water services continue to be owned, maintained and delivered by Council.
Q13. **Would you like to comment on our plan for water?**	not answered
Q14. **Please choose your preferred option.**	Option B: Increase the volumetric charge to $1.80 per cubic metre, with the fixed charge at $639.24 per connection.
Q15. **Would you like to comment on volumetric charges?**	not answered
Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.
Q17. **Which hall/facility would you like to comment?**	Roxburgh Squash Court Building

Q18. Would you like to comment on the Ophir Hall?

not answered

Q19. Would you like to comment on the Poolburn Hall?

not answered

Q20. Would you like to comment on the Clyde Police Lockup?

not answered

Q21. Would you like to comment on the Clyde Railway Station Building?

not answered

Q22. Would you like to comment on the Former Clyde Museum Stables & Goods Shed?

not answered

Q23. Would you like to comment on Blyth Street Museum, Clyde?

not answered

Q24. Would you like to comment on Clyde Hall?

not answered

Q25. Would you like to comment on Becks Hall?

not answered

Q26. Would you like to comment on Vallance Cottage?

not answered

Q27. Would you like to comment on the Riding for the Disabled?

not answered

Q28. Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?

not answered

Q29. Would you like to comment on the Ranfurly Hall?

not answered

Q30. Would you like to comment on the Naseby Hall?

not answered

Q31. Would you like to comment on the Patearoa Hall?

not answered

Q32. Would you like to comment on the Waipiata Hall?

not answered

Q33. **Would you like to comment on the Wedderburn Hall?**

not answered

Q34. **Would you like to comment on the Millers Flat Hall?**

not answered

Q35. **Would you like to comment on the Millers Flat Bowling Club?**

not answered

Q36. **Would you like to comment on the Roxburgh Squash Court Building?**

Even though I don't live in this community anymore I think this building is important for futures communities to have this as a resource.

Q37. **Would you like to comment on the Fenton Library?**

not answered

Q38. **Would you like to comment on the Naseby General Store?**

not answered

Q39. **Would you like to comment on another hall or facility?**

not answered

Q40. **Would you like to comment on the Centennial Milk Bar?**

not answered

Q41. **Would you like to comment on the Ranfurly Service Centre?**

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?** — not answered

Q44. **Which option do you prefer?** — Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

not answered

Q46. **Which option do you prefer?** — Option A: Close and decommission the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

As much as people are wanting this to stay, people don't use it enough to warrant it staying. The children may be in it for all over 10mins when it's warm enough but then back inside. Staffing is also a challenge and it is often closed anyway when we go to the pool or it is too cold to open.

Q48. **Which option do you prefer?**	Option B: Provide additional funding of up to $1.6 million, loan funded over a period of 10 years.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?**	Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

This is great for small businesses but I don't believe this will benefit the individual rate payer when many can't afford basics. As little spending as possible.

Q52. **Which option do you prefer?**	Option B: Provide a $200,000 grant loan funded over a period of 10 years.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

not answered

Q54. **Which option do you prefer?**	Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

I wonder if there should be more consideration here to build a multi complex centre like in Gore to cater to netball, basketball, indoor soccer, sports training sessions instead. There is an artificial turf 20mins away, turf at the tennis courts in town.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q58. **Would you like to upload any supporting documents?**	not answered
Q59. **How did you hear about this engagement opportunity? You may tick more than one.**	Postcard in the mail

Q1.	**I'm registered for Let's Talk**	Yes. Please skip past the demographic questions and click next at the bottom of the page.
Q2.	**First name**	not answered
Q3.	**Last name**	not answered
Q4.	**Email address**	not answered
Q5.	**What is your connection to the Central Otago District?**	not answered
Q6.	**Where do you live?**	not answered
Q7.	**What year were you born?**	not answered
Q8.	**What gender do you identify with most?**	not answered
Q9.	**I am submitting**	as an individual
Q10.	**Do you want to speak to your submission at a formal meeting?**	no
Q11.	**Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12.	**Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.

Q13. **Would you like to comment on our plan for water?**

The quality of water in Ophir is so poor it's undrinkable. I believe three main issues need to be addressed, as follows: No further water consents for dairy farming. The land and climate is not suited to dairy farming, and it's no coincidence that our drinking water quality has reduced in recent years as more dairy farms have been taking water. Water pricing should have three parts, fixed cost, volumetric charge and quality. If water is not drinkable, it should have less value than water that is drinkable. Council should fund in-home water filters in areas where water is not drinkable.

Q14.	**Please choose your preferred option.**	Option A: Increase the volumetric charge to $2.40 per cubic metre, with the fixed charge of $509.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

As mentioned in section 13. The price per cubic metre should be less for undrinkable water. Unless council funds filtering systems in our houses.

Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.
Q17. **Which hall/facility would you like to comment?**	Ophir Hall

Q18. **Would you like to comment on the Ophir Hall?**

Ophir hall is an essential element forming part of the backbone of what is a very strong community. The hall had 80 bookings in 2024, and is now able to be used in winter with the improved bathrooms, kitchen and heating. It is used for Ophir Welfare Committee meetings, band nights, movie nights, various festivals and I don't believe it's reasonable for the community to do any more than we currently do with regard to fund raising and organisation for the hall. The Omakau and Ophir communities are both unique and we wouldn't see a facility in Omakau as "ours".

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

not answered

Q21. **Would you like to comment on the Clyde Railway Station Building?**

not answered

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

not answered

Q23. **Would you like to comment on Blyth Street Museum, Clyde?**

not answered

Q24. **Would you like to comment on Clyde Hall?**

not answered

Q25. **Would you like to comment on Becks Hall?**

not answered

Q26. **Would you like to comment on Vallance Cottage?**

not answered

Q27. **Would you like to comment on the Riding for the Disabled?**

not answered

Q28. **Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?**

not answered

Q29. **Would you like to comment on the Ranfurly Hall?**

not answered

Q30. **Would you like to comment on the Naseby Hall?**

not answered

Q31. **Would you like to comment on the Patearoa Hall?**

not answered

Q32. **Would you like to comment on the Waipiata Hall?**

not answered

Q33. **Would you like to comment on the Wedderburn Hall?**

not answered

Q34. **Would you like to comment on the Millers Flat Hall?**

not answered

Q35. **Would you like to comment on the Millers Flat Bowling Club?**

not answered

Q36. **Would you like to comment on the Roxburgh Squash Court Building?**

not answered

Q37. **Would you like to comment on the Fenton Library?**

not answered

Q38. **Would you like to comment on the Naseby General Store?**

not answered

Q39. **Would you like to comment on another hall or facility?**

not answered

Q40. **Would you like to comment on the Centennial Milk Bar?**

not answered

Q41. **Would you like to comment on the Ranfurly Service Centre?**

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?**	not answered
Q44. **Which option do you prefer?**	Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

Facilities such as pools are important for all communities, especially those such as Roxburgh where places like pools become part of the community hub.

Q46. **Which option do you prefer?** Option A: Close and decommission the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

It sounds like the declining use of the pool is making it poor value for money. This money could be used in other ways.

Q48. **Which option do you prefer?** Option A: Provide additional funding of up to $1.6 million towards the construction of the Manuherekia Valleys Community Hub, funded from Vincent General Reserves.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

This facility will be mainly used by Vincent residents and visitors, it make sense for the Vincent fund to pay for this.

Q50. **Which option do you prefer?** Option A: Agree to provide a $250,000 grant funded through the tourism reserves.

Q51. **Would you like to provide comments on the Supercars Championship?**

I have a bias, in that I'm a motorsport and classic car enthusiast, hence my interest in this initiative. Having said that, the financial benefits to the entire region for these types of events is enormous, and the benefits will echo through time as word is spread about what a great place Central Otago is.

Q52. **Which option do you prefer?** Option A: Provide a $200,000 grant, rate funded in the 2026/27 financial year.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

We live in a society now where non-physical activities seem to be consuming our youth, specifically social media and gaming. Physical sports, particularly team sports are essential for the wellbeing and growth of our younger generation. We should all be happy to fund anything that will help in this regard.

Q54. **Which option do you prefer?** Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

We live in a society now where non-physical activities seem to be consuming our youth, specifically social media and gaming. Physical sports, particularly team sports are essential for the wellbeing and growth of our younger generation. We should all be happy to fund anything that will help in this regard.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

No further detail from me. I agree with the plans.

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q58. **Would you like to upload any supporting documents?**	not answered
Q59. **How did you hear about this engagement opportunity? You may tick more than one.**	Word of mouth

Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	Option B: Status quo. Water services continue to be owned, maintained and delivered by Council.

Q13. **Would you like to comment on our plan for water?**

not answered

Q14. **Please choose your preferred option.**	Option C: Status quo. Retain the charge at 60 cents per cubic metre, with a fixed charge at $843.54 per connection.

Q15. **Would you like to comment on volumetric charges?**

If the proposed changes are made, talk around some locals is the place will start to look terrible in summer, with burnt off front lawns, especially the council owned berm that a large number of properties are currently watering. And council is surely part of that % who currently use 43% of our local water, keeping parks, greenways and public spaces watered. Is that going to be reduced? Council should lead my example in reducing water wastage (and the ugly effects of not watering) before expecting property owners to do the same

Q16. **Please select your preferred option.**	Option B: Maintain the current level of support that Council provides for all of the halls and facilities listed above.
Q17. **Which hall/facility would you like to comment?**	not answered

Q18. **Would you like to comment on the Ophir Hall?**

not answered

Q57. Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?

I'd like to know and understand why council aren't looking to support a dog park in Cromwell and work with those trying to move it forward, rather than constantly putting barriers in the way despite not being willing to fund any of it

Q58.	**Would you like to upload any supporting documents?**	not answered

Q17. **Which hall/facility would you like to comment?**	Poolburn Hall

Q18. **Would you like to comment on the Ophir Hall?**

not answered

Q19. **Would you like to comment on the Poolburn Hall?**

Poolburn Hall is the centre of our local community - school prize givings, and performances, sports games, a place for local groups to use for fundraising, a great place to use for work functions (which I myself have done). A place we are proud off and all help maintain with the roster for lawn mowing and tidying.

Q20. **Would you like to comment on the Clyde Police Lockup?**

not answered

Q21. **Would you like to comment on the Clyde Railway Station Building?**

not answered

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

KACB would like CODC's continued support for our local projects: Lookout Reserve and Shaky Reserve. We are talking to Contact Energy about extending these plantings down to the river. We continue to protect plants against rabbits. More eradication efforts would be appreciated We are continuing to supply hanging baskets on Centennial Ave. We would like to charge the direct cost back to CODC as we have in the past We are also keen to keep up with the Riverside Kaimoanahaehae project. For the Alexandra signs: planting has not done well with bunnies and dry conditions. Tiered layers of schist rocks might make more of a welcoming statement. We could come up with a design

Q58. **Would you like to upload any supporting documents?** not answered

Q12.	**Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.
Q13.	**Would you like to comment on our plan for water?**	not answered
Q14.	**Please choose your preferred option.**	Option B: Increase the volumetric charge to $1.80 per cubic metre, with the fixed charge at $639.24 per connection.
Q15.	**Would you like to comment on volumetric charges?**	not answered
Q16.	**Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.

Q17. **Which hall/facility would you like to comment?**

Clyde Police Lockup
Clyde Railway Station Building
Former Clyde Museum Stables & Goods Shed
Clyde Hall

Q18. **Would you like to comment on the Ophir Hall?**

not answered

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

Since being moved to it's present location nothing has been done to either attract passers-by or any work to ensure egress. There seems little point in divesting the Lockup as no maintenance would be required or if maintenance was required in the future then cost would be minimal and therefore wouldn't be afinacial burden.

Q21. **Would you like to comment on the Clyde Railway Station Building?**

There is no way that the Station should be divested/not in council ownership. It forms part of the reserve and should it be divested the ratepayers in Clyde would lose any say in what the station is used for. It is important to note that commercial rent offsets costs to a significant degree and therefore it appears that the desire to consider divestment is related to earthquake strengthening, Which of course is a one off cost. it should also be borne in mind that the community rallied around to save the Station, had it painted etc. To "do away with" the station is just small minded thinking particularly given the fact that Clyde is the starting point or end point of the [Otago Central] Rail Trail.

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

Forms part of the historical precinct in Clyde along with the Railway Station and Police Lockup. Should therefore remain in Council ownership

Q23. **Would you like to comment on Blyth Street Museum, Clyde?**

not answered

Q24. **Would you like to comment on Clyde Hall?**

Frequency of use would dictate that the Hall be retained.

Q25. **Would you like to comment on Becks Hall?**

not answered

Q26. **Would you like to comment on Vallance Cottage?**

not answered

Q27. **Would you like to comment on the Riding for the Disabled?**

not answered

Q28. **Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?**

not answered

Q29. Would you like to comment on the Ranfurly Hall?

not answered

Q30. Would you like to comment on the Naseby Hall?

not answered

Q39. Would you like to comment on another hall or facility?

not answered

Q40. Would you like to comment on the Centennial Milk Bar?

not answered

Q41. Would you like to comment on the Ranfurly Service Centre?

not answered

Q42. Would you like to comment on the Wallace Memorial Rooms?

not answered

Q43. Would you like to upload any supporting documents about halls and facilities? not answered

Q44. **Which option do you prefer?**	not answered

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

not answered

Q46. **Which option do you prefer?**	Option A: Close and decommission the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

not answered

Q48. **Which option do you prefer?**	not answered

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?**	Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

Strongly against subsidising commercial enterprises - this is just another example of socialising the costs and privatising the income. It is completely irrelevant whether the $250k comes from Tourism Reserves and to say there is no impact on rates is disingenuous at best.

Q52. **Which option do you prefer?**	not answered

Q53. **Would you like to provide comments on the Artificial Turf at Manlototo Area School?**

not answered

Q54. **Which option do you prefer?**	not answered

Q1.	**I'm registered for Let's Talk**	No. Please complete the demographic questions below.
Q2.	**First name**	Deborah
Q3.	**Last name**	Robb
Q4.	**Email address**	[redacted]
Q5.	**What is your connection to the Central Otago District?**	I'm a Central Otago District ratepayer
Q6.	**Where do you live?**	Vincent Ward (Alexandra and surrounds)
Q7.	**What year were you born?**	[redacted]
Q8.	**What gender do you identify with most?**	[redacted]
Q9.	**I am submitting**	as an individual
Q10.	**Do you want to speak to your submission at a formal meeting?**	no
Q11.	**Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12.	**Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.

Q13. **Would you like to comment on our plan for water?**

I am disappointed '3 waters' didn't go ahead. Buddying up with other councils and sharing the governance and finances makes sense. This is critical infrastructure for a growing population moving into a less climate secure future. It is vitally important to build it strong and with capacity to grow.

Q14.	**Please choose your preferred option.**	Option B: Increase the volumetric charge to $1.80 per cubic metre, with the fixed charge at $639.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

It is fair to charge more than previously for the water actually used as water is a precious resource and increased pricing reduces wastage. But I prefer 3 times the price ($180) rather than 4 times ($240) recognising that we have built our town landscapes and gardens around irrigation and some water use is desirable to keep these dependant landscapes going. Newer subdivisions and town planning should take the cost of irrigation into account and promote and model dryer townscapes that look great without irrigation. cromwell Polytech has good info on this.

Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.
Q17. **Which hall/facility would you like to comment?**	Clyde Police Lockup Clyde Railway Station Building Former Clyde Museum Stables & Goods Shed Blyth Street Museum, Clyde Clyde Hall Former Clyde Briar & Herb factory, and cottage

Q18. **Would you like to comment on the Ophir Hall?**

not answered

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

Its a lovely little building and surely has a place in Clyde. Should be part of a future Clyde museum.

Q21. **Would you like to comment on the Clyde Railway Station Building?**

Again this is a classic old station and must be retained. its use as part of the Rail Trail experience at the moment is very apt and will add to visitor experience and keep our local history alive and it can earn its keep to at least some extent.

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

My comments pertain to both Clyde museums - I live in between the 2 and am part of a family with a long history in Clyde, and was involved in building the additions to this museum in the '80's. There should be only one museum site in Clyde and this is the best site. The old herb factory, working forge etc - all this is irreplaceable history and the herb factory tells a story that is unique to Clyde. I think it would be best to develop this site and sell the Blyth St Museum, which is the old VCC building. It is a nice site backing onto the public reserve and neighbouring the railway station.

Q23. **Would you like to comment on Blyth Street Museum, Clyde?**

The architecture of this building in not pleasing, not does it add anything to our town's streetscape. I think it should be sold but funding then has to go to developing the old museum site and housing adequately all the town's historic treasures.

Q24. **Would you like to comment on Clyde Hall?**

This hall is well patronised, in fact there are often clashes between users so it needs to be kept as a community resource. I live next door to it, and the Naylor family, of which I am part, gave the land for the hall to be built for the good of the community. The hall still serves the community well. As a resident of Clyde I am best qualified to speak for Clyde but I strongly feel that all the halls, if they are still used, serve as vital community hubs. As our communities grow, these places serve as networking centres where people can meet and get to know each other - making us happier, more connected and resilient. The future will be more turbulent than the past and our communities need places to congregate, have fun, exchange ideas and shelter. In a fossil free world we will need our local resources much as we did before we all had cars.

Q25. **Would you like to comment on Becks Hall?**

not answered

Q26. Would you like to comment on Vallance Cottage?

not answered

Q27. Would you like to comment on the Riding for the Disabled?

not answered

Q28. Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?

I would put this in with the comments on the former museum and Goods shed. This site should be developed as the Clyde Museum. The cottage is a bit of an anachronism - I would sell it for removal.

Q29. Would you like to comment on the Ranfurly Hall?

not answered

Q30. Would you like to comment on the Naseby Hall?

not answered

Q31. Would you like to comment on the Patearoa Hall?

not answered

Q32. Would you like to comment on the Waipiata Hall?

not answered

Q33. Would you like to comment on the Wedderburn Hall?

not answered

Q34. Would you like to comment on the Millers Flat Hall?

not answered

Q35. Would you like to comment on the Millers Flat Bowling Club?

not answered

Q36. Would you like to comment on the Roxburgh Squash Court Building?

not answered

Q37. Would you like to comment on the Fenton Library?

not answered

Q38. Would you like to comment on the Naseby General Store?

not answered

Q39. Would you like to comment on another hall or facility?

not answered

Q40. Would you like to comment on the Centennial Milk Bar?

not answered

Q41. **Would you like to comment on the Ranfurly Service Centre?**

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?** not answered

Q44. **Which option do you prefer?** not answered

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

not answered

Q46. **Which option do you prefer?** Option A: Close and decommission the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

I haven't read the info on this but it never seems to have taken off - the water is usually pretty cold and the surroundings not pleasant on a hot day. No trees. If it is expensive to maintain, it doesn't get much use - our family would rather go to natural lakes-rivers. (which brings me to a much bigger problem which is water quality in our area due to farming!)

Q48. **Which option do you prefer?** Option A: Provide additional funding of up to $1.6 million towards the construction of the Manuherekia Valleys Community Hub, funded from Vincent General Reserves.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?** Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

I think it is completely inappropriate for a council that has declared a climate emergency to fund this activity.

Q52. **Which option do you prefer?** Option A: Provide a $200,000 grant, rate funded in the 2026/27 financial year.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

Sports facilities are important community resources and foster healthy lifestyles and community.

Q54. **Which option do you prefer?** Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

Same as above for Ranfurly

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q58. **Would you like to upload any supporting documents?**	not answered
Q59. **How did you hear about this engagement opportunity? You may tick more than one.**	Word of mouth Postcard in the mail

Q1. **I'm registered for Let's Talk**	Yes. Please skip past the demographic questions and click next at the bottom of the page.
Q2. **First name**	not answered
Q3. **Last name**	not answered
Q4. **Email address**	not answered
Q5. **What is your connection to the Central Otago District?**	not answered
Q6. **Where do you live?**	not answered
Q7. **What year were you born?**	not answered
Q8. **What gender do you identify with most?**	not answered
Q9. **I am submitting**	as an individual
Q10. **Do you want to speak to your submission at a formal meeting?**	no
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.

Q13. **Would you like to comment on our plan for water?**

I am concerned that this option is based on a LOT of assumptions going CODC's way. What happens if some / most or all of these assumptions don't work, out?

Q14. **Please choose your preferred option.**	Option A: Increase the volumetric charge to $2.40 per cubic metre, with the fixed charge of $509.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

not answered

Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.

Q17. **Which hall/facility would you like to comment?**

Ophir Hall
Poolburn Hall
Blyth Street Museum, Clyde
Clyde Hall
Becks Hall
Naseby General Store
Wallace Memorial Rooms
Millers Flat Hall
Other

Q18. **Would you like to comment on the Ophir Hall?**

I feel we should keep this hall until new Omakau Community Centre is built then review its use and needs. To my knowledge the Omakau area doesn't have other hall options.

Q19. **Would you like to comment on the Poolburn Hall?**

This hall should be kept. It is used by the local community and there isn't another close hall around this this area that could be used instead. It also ash good grounds areas that can be used as well.

Q20. **Would you like to comment on the Clyde Police Lockup?**

not answered

Q21. **Would you like to comment on the Clyde Railway Station Building?**

not answered

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

not answered

Q23. **Would you like to comment on Blyth Street Museum, Clyde?**

Great little museum, but it needs to generate income somehow. With the suggested closing of the Clyde Railway building, could the bike shop move in with them? Can they give up a room space to become a hire able meeting room area?

Q24. **Would you like to comment on Clyde Hall?**

This hall should be kept. It is well used by the local community and lots of work has been done already to improve this hall. Currently houses the Clyde Library as well. it also needs no earthquake works done. I feel this hall would be a large loss for the Teviot area.

Q25. **Would you like to comment on Becks Hall?**

This hall should be kept. It is well used by the local community and there isn't a close hall around this this area. Also needs no Earthquake works done

Q26. **Would you like to comment on Vallance Cottage?**

not answered

Q27. **Would you like to comment on the Riding for the Disabled?**

not answered

Q28. Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?

not answered

Q29. Would you like to comment on the Ranfurly Hall?

not answered

Q30. Would you like to comment on the Naseby Hall?

not answered

Q31. Would you like to comment on the Patearoa Hall?

not answered

Q32. Would you like to comment on the Waipiata Hall?

not answered

Q33. Would you like to comment on the Wedderburn Hall?

not answered

Q34. Would you like to comment on the Millers Flat Hall?

I think it worth keeping this hall and possible trying to delay the Earthquake works (if possible). It gives a good sized hall and kitchen setup for the local community until the new Rox Entertainment Centre is built. Once the new Roxburgh Entertainment Centre is built its future should be reviewed.

Q35. Would you like to comment on the Millers Flat Bowling Club?

not answered

Q36. Would you like to comment on the Roxburgh Squash Court Building?

not answered

Q37. Would you like to comment on the Fenton Library?

not answered

Q38. Would you like to comment on the Naseby General Store?

Naseby needs a general store. The costs are not huge to keep the store building; however the Rent / Income should be reviewed as it is very cheap.

Q39. Would you like to comment on another hall or facility?

Maniatoto Arts Centre: Building like this annoy me, as one community groups gets to control a asset they potentially don't own. I feel they need to contribute some income towards the costs of this building. Or maybe Radio Burn could move in?

Q40. Would you like to comment on the Centennial Milk Bar?

not answered

Q41. Would you like to comment on the Ranfurly Service Centre?

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

These rooms should be kept. They are well used small meeting room spaces with good-ish income. Appears to be a good need for rooms of this size in Ranfurly

Q43. **Would you like to upload any supporting documents about halls and facilities?**	https://s3-ap-southeast-2.amazonaws.com/ehq-production-australia/308184a3abc11c6d67af7f9ae126d8236dc2d821/original/1745037546/62f1ea3ea228d067a531720b23d37dcd_Halls%20Calculation.xlsx?1745037546
Q44. **Which option do you prefer?**	Option B: Do not support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

I support Option B as there needs to be a period of seeing how popular the pool becomes before Council takes it over.

Q46. **Which option do you prefer?**	Option A: Close and decommission the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

not answered

Q48. **Which option do you prefer?**	Option A: Provide additional funding of up to $1.6 million towards the construction of the Manuherekia Valleys Community Hub, funded from Vincent General Reserves.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?**	Option A: Agree to provide a $250,000 grant funded through the tourism reserves.

Q51. **Would you like to provide comments on the Supercars Championship?**

But has the race has gone to CHCH??

Q52. **Which option do you prefer?**	Option A: Provide a $200,000 grant, rate funded in the 2026/27 financial year.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

not answered

Q54. **Which option do you prefer?**	Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

not answered

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q12. **Please choose your preferred option.**	Option B: Status quo. Water services continue to be owned, maintained and delivered by Council.

Q13. **Would you like to comment on our plan for water?**

WE NEED TO MANAGE THE RISK FOR OUR FUTURE WATER.....ON ALL LEVELS. The increased fowling of water by ducks and humans on a local scale and on a DISASTER scenario the potential hideous pollution of the Clutha if the SANTANA MINING COMPANY gets a permit to mine in the Bendigo hills. This company have no experience and the siting of any toxic waste dam in our hills let alone located at the head of Shepherds Creek is a not acceptable ! Council needs to protect THE CLUTHA our biggest asset and respect the heritage of our region.

Q14. **Please choose your preferred option.**	Option B: Increase the volumetric charge to $1.80 per cubic metre, with the fixed charge at $639.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

not answered

Q28. Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?

not answered

Q29. Would you like to comment on the Ranfurly Hall?

not answered

Q30. Would you like to comment on the Naseby Hall?

not answered

Q31. Would you like to comment on the Patearoa Hall?

not answered

Q32. Would you like to comment on the Waipiata Hall?

not answered

Q33. **Would you like to comment on the Wedderburn Hall?**

not answered

Q34. **Would you like to comment on the Millers Flat Hall?**

not answered

Q35. **Would you like to comment on the Millers Flat Bowling Club?**

not answered

Q36. **Would you like to comment on the Roxburgh Squash Court Building?**

not answered

Q37. **Would you like to comment on the Fenton Library?**

not answered

Q38. **Would you like to comment on the Naseby General Store?**

not answered

Q39. **Would you like to comment on another hall or facility?**

not answered

Q40. **Would you like to comment on the Centennial Milk Bar?**

not answered

Q41. **Would you like to comment on the Ranfurly Service Centre?**

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?** — not answered

Q44. **Which option do you prefer?** — Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

A safe place for our kids to learn to swim in a region full of lakes and rivers is essential.

Q46. **Which option do you prefer?** — Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

The amount reported to keep this pool open was surely incorrect. This pool is used in the winter and summer.

Q48. **Which option do you prefer?** — Option D: Do not support

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?**	Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

not answered

Q52. **Which option do you prefer?**	Option B: Provide a $200,000 grant loan funded over a period of 10 years.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

not answered

Q54. **Which option do you prefer?**	Option B: Provide a $300,000 grant loan funded over a period of 10 years

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

not answered

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q58. **Would you like to upload any supporting documents?**	not answered
Q59. **How did you hear about this engagement opportunity? You may tick more than one.**	Social media Word of mouth

Q1.	**I'm registered for Let's Talk**	Yes. Please skip past the demographic questions and click next at the bottom of the page.
Q2.	**First name**	not answered
Q3.	**Last name**	not answered
Q4.	**Email address**	not answered
Q5.	**What is your connection to the Central Otago District?**	not answered
Q6.	**Where do you live?**	not answered
Q7.	**What year were you born?**	not answered
Q8.	**What gender do you identify with most?**	not answered
Q9.	**I am submitting**	as an individual
Q10.	**Do you want to speak to your submission at a formal meeting?**	no
Q11.	**Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12.	**Please choose your preferred option.**	Option B: Status quo. Water services continue to be owned, maintained and delivered by Council.

Q13. **Would you like to comment on our plan for water?**

Ophir needs a secure water supply - not the temporary pipe across the bridge which often goers out of action

Q14.	**Please choose your preferred option.**	Option B: Increase the volumetric charge to $1.80 per cubic metre, with the fixed charge at $639.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

not answered

Q16.	**Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.
Q17.	**Which hall/facility would you like to comment?**	Ophir Hall

Q18. **Would you like to comment on the Ophir Hall?**

My wife and I have been permanent residents of Ophir over the past 7 years and I am a local GP working in the area. Over this time we have come to appreciate the necessity of the Ophir hall as a location to enhance the cohesiveness of the local Ophir community by providing a meeting place for the residents. , a library, a support base in times of crisis as well as providing the sense of wellbeing and confidence that such a facility exudes. Loss of the hall would have a tremendous impact upon our local Ophir population, many of whom are elderly as they would no longer be able to socially interact, determine and deliver to those in need of support and generally undermine the fabric of our local society. Thanks to the COVID epidemic we have come to realise the necessity of a local accessible meeting base. Loss of the hall would not result in these values being maintained as unfortunately many of the Ophir locals due to their age would not be able to want to or utilise the new facility at Omakau - such a new proposed facility does not have the empathy or mana of the current Ophir hall.

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

not answered

Q21. **Would you like to comment on the Clyde Railway Station Building?**

not answered

Q44. Which option do you prefer? not answered

Q45. Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?

not answered

Q46. Which option do you prefer? Option B: Retain the outdoor pool in Alexandra.

Q47. Would you like to provide comments on the Alexandra outdoor pool?

This is a magnificent facility for our town. If it was advertised more often, as to open dates and temperatures, (this need not be costly, could be done on facebook), and maybe provide more sunshade, with picnic tables, I'm sure it would be used more often. Please also keep it for the ice swimming championships. It is a good way to advertise our town to tourists

Q48. Which option do you prefer? not answered

Q49. Would you like to provide comments on the Manuherekia Valleys Community Hub?

not answered

Q50. **Which option do you prefer?**	Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

Should be privately funded

Q35. Would you like to comment on the Millers Flat Bowling Club?

not answered

Q36. Would you like to comment on the Roxburgh Squash Court Building?

not answered

Q37. Would you like to comment on the Fenton Library?

not answered

Q38. Would you like to comment on the Naseby General Store?

not answered

Q39. Would you like to comment on another hall or facility?

not answered

Q40. Would you like to comment on the Centennial Milk Bar?

not answered

Q41. Would you like to comment on the Ranfurly Service Centre?

not answered

Q42. Would you like to comment on the Wallace Memorial Rooms?

not answered

Q43. Would you like to upload any supporting documents about halls and facilities? not answered

Q44. Which option do you prefer? Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?

not answered

Q46. Which option do you prefer? Option B: Retain the outdoor pool in Alexandra.

Q47. Would you like to provide comments on the Alexandra outdoor pool?

I love the outdoor pool in Alex, I wish it's open for longer and not such a short season as I like cold water swimming and I find the chemicals don't affect me as much. Maybe there could be a seperate charge to support its use. It's the only one in the area (apart from arrowtown) it would be shame to loose it, couldn't it be made more attractive by maybe a little cafe outside or some shaded area with some water features to attract more families. Thanks

Q48.	**Which option do you prefer?**	Option D: Do not support

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

Is there really the demand to justify the debt? It feels like population is growing in central- Cromwell ward where funding would be better spent

Q50.	**Which option do you prefer?**	Option A: Agree to provide a $250,000 grant funded through the tourism reserves.

Q51. **Would you like to provide comments on the Supercars Championship?**

I think this brings a lot of money into the local area and therefore the money invested means there is a return into the community.

Q52.	**Which option do you prefer?**	Option A: Provide a $200,000 grant, rate funded in the 2026/27 financial year.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

not answered

Q54.	**Which option do you prefer?**	Option C: Do not support

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

Why is the the government funding this through tax paying money through education

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q58.	**Would you like to upload any supporting documents?**	not answered
Q59.	**How did you hear about this engagement opportunity? You may tick more than one.**	**Other (please specify)** At the swimming pool and Facebook

not answered

Q24. Would you like to comment on Clyde Hall?

Our Badminton Club uses this hall on a regular weekly basis for 50 weeks a year, (unless asked to stop due to a play being staged, then approx 46-48 times annually). This hall has the best lighting, heating and height in the Alexandra / Clyde area for our small group. We would like it to be retained by the council

Q12. **Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.
Q13. **Would you like to comment on our plan for water?**	not answered
Q14. **Please choose your preferred option.**	Option C: Status quo. Retain the charge at 60 cents per cubic metre, with a fixed charge at $843.54 per connection.
Q15. **Would you like to comment on volumetric charges?**	not answered
Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.
Q17. **Which hall/facility would you like to comment?**	Ophir Hall

Q18. **Would you like to comment on the Ophir Hall?**

The only hall I have selected is the Ophir Hall as this is the only Hall that affects me, and I feel able to comment on. The Ophir Hall has been a huge community asset since its volunteer build and is largely maintained by the community of Ophir. For my family this Hall has been a huge part of our 35+ years living in Ophir, from community meetings, funerals, birthday parties, community get together, weddings and latterly movies and concerts. Over the past 10 years the community has raised significant finance to upgrade the facilities enabling even more use of the hall. It has been intimated that the New Hall in Omakau will be a replacement for these events, however I for one would strongly oppose having to cross the bridge and attend our community functions in another location. With the hall being in our community we can safely walk to all events without the necessity of driving and as there is no other transport available for us to get to Omakau this could lead to danger if alcohol (which we have to say in all honesty is consumed at most of the events mentioned above) we could put ourselves or others in danger by attempting to drive. The Hall also houses our Civil Emergency gear and would be the meeting place for any emergencies. Once again to travel to Omakau would not always be possible with a flood prone river obstructing us from getting there. On a final note I also love the little library that has been established there and often find myself sitting and relaxing in the hall after choosing a book or magazine. My heart is in this hall and I would be extremely saddened to see it closed.

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

Q46. **Which option do you prefer?** Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

I have a holiday house in Alexandra and plan to retire to this home from Dunedin within the next 10 years. One of my most loved pastimes while in Alexandra is swimming at the Outdoor Pool - enjoying this daily over the summer when I am there for 6 weeks. This is a great asset to the community, for both young, old, visitors and permanent residents. Does it really cost a lot of money to run, and would decommissioning it be a big saving, where there are people who enjoy using it? As a rate payer and someone who intends to live in Alexandra in the near future, I would be very disappointed if they Council decided that this resource was no longer going to be provided to the community. Please keep it open :)

Q8.	**What gender do you identify with most?**	not answered
Q9.	**I am submitting**	as an individual
Q10.	**Do you want to speak to your submission at a formal meeting?**	no
Q11.	**Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12.	**Please choose your preferred option.**	Option B: Status quo. Water services continue to be owned, maintained and delivered by Council.

Q13. **Would you like to comment on our plan for water?**

I believe that water/sewerage/stormwater is the core business (must haves) of a council. I have concerns that moving water services to a CCO may potentially increase the level of debt incurred by council for the nice to haves, which will be passed onto rate payers as well as increased water charges from the CCO. I also have concerns about the other councils that may become potential partners in this entity and taking on their water/sewerage problems may not be in our community's best interest.

Q14.	**Please choose your preferred option.**	Option A: Increase the volumetric charge to $2.40 per cubic metre, with the fixed charge of $509.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

User pays.

Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.
Q17. **Which hall/facility would you like to comment?**	Other

Q18. **Would you like to comment on the Ophir Hall?**

not answered

not answered

Q29. Would you like to comment on the Ranfurly Hall?

not answered

Q30. Would you like to comment on the Naseby Hall?

not answered

Q31. Would you like to comment on the Patearoa Hall?

The Patearoa hall is very important for our community. It is the only place that the community can meet and run events. Essentially it is the centre of our community. We use the hall for general events a few times per year (e.g. Crockery Bobs) and for community meetings every few months. I realise that the community hall requires significant work but would like to ask that divestment of the Hall occurs in year 9. We need to have a community centre until we can work out a viable alternative. The Patearoa Community Group needs a place to meet and discuss local decisions that affect our community.

Q32. Would you like to comment on the Waipiata Hall?

not answered

not answered

Q23. Would you like to comment on Blyth Street Museum, Clyde?

not answered

Q24. Would you like to comment on Clyde Hall?

not answered

Q25. Would you like to comment on Becks Hall?

Most importantly, our rural mums and babies head here every Wednesday morning. It's often our only chance to socialize other than grocery shopping. Becks hall is an integral part of our community out here. I have been going there with my children for the past almost six years and have at least another 4 of playgroup. The rural sports programs are also so important to our community.

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?**	not answered
Q44. **Which option do you prefer?**	Option B: Do not support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

The current pool committee did an outstanding job to raise the money and open a new swimming complex in Roxburgh but their focus was to design and build the pools. That committee has to stand down, to be replaced with people focused on day to day management and running the facility. Suitably skilled volunteers, some currently involved on a daily seasonal basis are prepared to form a management group of 5 or more people, including the Roxburgh Area School - currently the single largest user group and the only people teaching our children water safety and swimming. For the next 12 - 24 months minimum, the Roxburgh Pool grant from Council needs to be increased from $35,000 to $80,000, a Teviot Valley rate increase of $45,000 to fund wages for life guards, cleaners, other workers, pool product, chlorine etc, maintenance fund, utilities such as insurance, electricity, and rates. Considerably less than Councils proposed $250,000 cost to assume management / ownership of the facility but enough to allow a management committee flexibility and the ability to put some money aside for future maintenance. The Council grant would be supplemented by entry or fob fees and any payment negotiated with Roxburgh Area School for use of the pools. Liability, under New Zealand's Health and Safety legislation is problematic for the current committee - does that same perceived personal liability suddenly transfer to either Council or a young life guard if ownership changes? Health and Safety legislation is under review by the current Government. Liability, under the law will become clearer in the near future, another reason to postpone a change of ownership and currently, the pool committee has public liability insurance. Life Guards versus electronic key / fob entry. Life Guards are hard to find - advertised positions remain vacant and CODC has been forced to close pools over the summer. Roxburgh will be no different, it could be closed just as Ranfurly is from time to time. Electronic entry with fob holders signing a "conditions of use' contract when life guards are not available should remain an option. This system has worked well in the past and operates successfully for other small pools throughout New Zealand. The Roxburgh Pool was funded, in the main, through grants. Criteria for some donor trusts excludes Council owned assets and proof of Community / Committee ownership of the Roxburgh Pool had to be furnished with funding applications. The Pool is less than 2 years old, money from these providers may be seen as a back-door entry to funds if Council attain ownership at this stage. Without researching all application criteria again I believe Lotteries and Transpower excluded grants for Council owned assets - there may be more of the smaller trusts too but approximately $500,000 was donated to the new Roxburgh Pool from the two, named above. - they may ask taht their grants be refunded if the Roxburgh Pool transfers to Council ownership so soon after opening.

Q46. **Which option do you prefer?** not answered

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

not answered

Q44. Which option do you prefer? Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?

It is essential to provide the community with opportunities to swim, especially during the hot summer months. Therefore, it is crucial that pools remain open. Swimming is an important skill for both children and adults to learn, regular practice and play helps them improve their abilities and confidence. In areas with numerous water features such as lakes, streams, rivers, and water troughs, swimming becomes a vital life skill. Moreover, swimming is an excellent way for citizens to maintain their fitness and overall health.

Q46. Which option do you prefer? Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

The Alexandra outdoor pool serves as the home for IISA Aotearoa NZ, the national organisation for ice swimming in New Zealand. Ice swimming involves swimming in water with a temperature of 5.0°C or below, unassisted, using only a silicone or latex swimming cap, goggles, and a standard swimming costume. IISA NZ promotes ice swimming and ensures the sport is conducted safely according to international best practices. Ice swimming is a growing sport in NZ. Before 2021, there were only a few NZ ice swimmers, most of whom were based overseas. There are now 132 members with dedicated groups in several regions of the country. Interest is increasing, and ice swimming is becoming accessible to more people, thanks to the Alexandra Outdoor pool. There are currently 52 swimmers training for the 2025 Champs, including the World Champion Winter sisters from Alexandra. The Alexandra outdoor pool is unique in New Zealand for its ability to maintain water temperatures consistently below 5°C due to cold nighttime temperatures. The facilities meet all the necessary requirements, including warm changing rooms and a dedicated room for medical purposes to rewarm swimmers. The staff at the Alexandra pool are instrumental in enabling us to run the events smoothly. The first NZ Championships were held at the Alexandra Outdoor Pool in July 2022, followed by the NZ and Southern Hemisphere Championships in 2024. Additionally, in 2024, IISA NZ funded the pool certification, enabling the setting of world records at the Alexandra pool. In 2024, 49 swimmers participated in nearly 200 races over four days, resulting in 10 World Open records, 12 World Age Group records, and two swimmers breaking the NZ [redacted] and [redacted] distance records by swimming 2.1km and 2.25 km in 2°C water. From this, a team of 15 swimmers was selected to represent the country at the IISA World Championships in Italy. They achieved 11 open medals, 34 age group medals, and 5 para medals, placing fourth overall out of nearly 50 countries. The process of organizing an IISA World Cup event in 2026, in Alexandra, to take place alongside our NZ Championships has begun. This biennial event will host over 100 swimmers from various countries, attracting more than 200 visitors to Alexandra for at least a week and gain significant local and global media attention. Successful execution relies on the availability of the Alexandra outdoor pool. If the Alexandra Outdoor Pool closes, we could not accommodate the current and growing interest in Ice Swimming. Open water venues pose higher risks and require more equipment and volunteers to ensure swimmer safety. Additionally, our talented swimmers would not have the opportunity to qualifying for World Championship and Olympic events. (IISA is pushing for Ice Swimming to be included in the Winter Olympics and is starting to look likely) Qualifying times can only be done in a certified pool, and Alexandra has the only suitable pool in the country. We request that the Alexandra outdoor pool remain open for our benefit and, more importantly, for the local community. As a secondary school teacher and former swimming coach, I am appalled by the poor swimming skills of young people in NZ; most can't swim 25m. Swimming is an important skill for both children and adults to learn, regular practice and play helps them improve their abilities and confidence. In areas with numerous water features such as lakes, streams, rivers, and water troughs, like Central Otago, swimming becomes a vital life skill. Moreover, swimming is an excellent way for citizens to maintain their fitness and overall health. From what I hear from local families is that the outdoor pool is well used and well loved. It is essential to provide the community with opportunities to swim, especially during the hot summer months. Therefore, it is crucial that the Alexandra outdoor remains open.

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

The Council should be more focused on roads. For instance Sandflat Road is a significant through road that requires tar seal. Cycle tracks are now a major part of sporting activities around Central Otago. The Council should be contributing to their extension and maintenance

Q58. **Would you like to upload any supporting documents?**	not answered

Q44. Which option do you prefer? Option B: Do not support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?

not answered

Q46. Which option do you prefer? Option A: Close and decommission the outdoor pool in Alexandra.

Q47. Would you like to provide comments on the Alexandra outdoor pool?

not answered

Q48. **Which option do you prefer?**	Option B: Provide additional funding of up to $1.6 million, loan funded over a period of 10 years.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?**	Option A: Agree to provide a $250,000 grant funded through the tourism reserves.

Q51. **Would you like to provide comments on the Supercars Championship?**

Major events are a significant contributor to the economy and should be supported and encouraged. Major events now often require support from local councils including concerts and rugby test matches. There will be many beneficiaries of the Supercars attending an event in Cromwell which should be supported by the Tourism fund as that is the fairest way to provide funding for this event. Council should consider adding to tourism reserves in the future to allow for support to be provided to major events. This should be rated against businesses that benefit.

Q52. **Which option do you prefer?**	not answered

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

not answered

Q54. **Which option do you prefer?**	not answered

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

not answered

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

Development contribution levies should not be used as a tax on developers. Development contribution levies should be used where Council has provided for growth in infrastructure as outlined in your policy. If Central Otago wants to provide for affordable housing it must charge for development contributions correctly or you will push up land values and therefore property values making the housing crisis worse. The use of debt funding should be seen as a good way to provide for intergenerational equity when developing large community projects. Councils are not like households that need to eliminate debt as they span multi generations with community assets. Council needs to promote this as a good thing when funding capital projects as it more fairly allocates costs against the future beneficiaries of the assets.

Q17. **Which hall/facility would you like to comment?**	Poolburn Hall

Q18. **Would you like to comment on the Ophir Hall?**

not answered

Q19. **Would you like to comment on the Poolburn Hall?**

As a member of the PoolburnmoacreekHall I am well aware of use of the facility, as I deal with all the bookings and invoicing. Our Hall is the only community space we have to host functions. From kids birthdays, to weddings, regular use by the school functions and Playgroup we really need this space for our community. Bookings will not be affected of the development in Omakau as people simply do not like driving over Black's Hill for social gatherings. In the weeks of term for and 1 the cricket pitch is used every weekend for children and adult competitions. Another frequent use of the facility is our recycling container which I help to maintain. Locals are supporting the building by keeping lawns tidy on a roster and there are working bees held to maintain the building. Once a month the Hall is cleaned by volunteers, this is organized through a roster and people from the valley help out taking turns. Some of the older residents mentioned the war memorial, which is placed at the Hall and has a lot of personal meaning to some of our families.

not answered

Q46. Which option do you prefer? Option B: Retain the outdoor pool in Alexandra.

Q47. Would you like to provide comments on the Alexandra outdoor pool?

I'm an ice swimmer who lives in Otago and regularly visits Alexandra as my parents-in-law live there. The pool is an essential part of our competition circuit and several of our team mates – who are now World Champions and World Record Holders train and compete in this pool. It has also been an enjoyable part of my visits to Alexandra over the years. We need more community pool spaces, not less – the indoor pool is very popular, so it's great to have the outdoor pool as another option.

Q48. **Which option do you prefer?** not answered

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

Q12. **Please choose your preferred option.**	Option B: Status quo. Water services continue to be owned, maintained and delivered by Council.

Q13. **Would you like to comment on our plan for water?**

not answered

Q14. **Please choose your preferred option.**	Option A: Increase the volumetric charge to $2.40 per cubic metre, with the fixed charge of $509.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

not answered

Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.
Q17. **Which hall/facility would you like to comment?**	Poolburn Hall Becks Hall

Q18. **Would you like to comment on the Ophir Hall?**

not answered

Q19. **Would you like to comment on the Poolburn Hall?**

The Poolburn hall is very well utilized and well looked after by the local community, particularly through the school. Without this hall our community would not be able to work together as a community as we would have no space we could actually fit in! Currently we use it for: school assemblys, production, disco, cross country, parties, community meetings, practices, fundraising events and anytime the community needs to come together. I consider this hall to be an essential community service and as such should continue to be funded by council.

Q23. **Would you like to comment on Blyth Street Museum, Clyde?**

not answered

Q24. **Would you like to comment on Clyde Hall?**

not answered

Q25. **Would you like to comment on Becks Hall?**

The Becks Hall has a long history of being very well loved, well utilized and very well looked after by the local community. I got married in the Becks Hall in 2009 as someone marrying into the area and wanting to celebrate this in a local facility. Since then our children have attended playgroup, holiday programmes, birthday parties and Christmas parties all at the Becks Hall. It is an essential community service.

Q16.	**Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.
Q17.	**Which hall/facility would you like to comment?**	Clyde Railway Station Building Former Clyde Museum Stables & Goods Shed

Q18. **Would you like to comment on the Ophir Hall?**

not answered

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

not answered

Q21. **Would you like to comment on the Clyde Railway Station Building?**

Submission Regarding Clyde Railway Station (SheBikesHeBikes co-owner) Shebikeshebikes is a family operated company and as an accredited Māori Tourism Provider, our company mirrors the values of Manaakitanga (hospitality), Kaitiakitanga (guardianship), and Whanaungatanga (relationships). We are proud to be a responsible and low-impact tenant for this site, providing essential services to both locals and visitors, while utilising a building that was once semi-derelict and was revamped (which we significantly invested in). The Clyde Railway Station is an important landmark on public reserve land, and we believe our tenancy enhances its value to locals and visitors alike. Operating SheBikesHeBikes from this location aligns with tourism promotion gaols, uses an amazing historic building and promotes low-carbon emission/eco-friendly travel. The station (at 121 years old and a registered Category II Historic Place) is an incredible destination in its own right. The site is well-used by the community for commercial events, for locals, dog-walkers, people having a picnic, school groups and many others. Our commercial operation has always complemented any public use of the surrounding reserve and carpark. Since taking the lease, we've opened and staffed the museum space and offered tourism-related information to visitors (meaning that we have effectively operated an information-centre at no cost to Council or the museum society). Of note, the Goodlass family has invested in restoring several historic buildings in the region, including Solandra Lodge, the Old Omakau Post Office, Ancient Briton Hotel (underway), and Mitchells Store in Middlemarch, strengthening tourism and local business partnerships. Our work and values align closely with the "World of Difference" regional brand as well Our business employs over 40 staff in-season, including many active retirees. This offers health, financial, and social benefits and connects our three depots—Omakau, Clyde, and Middlemarch—through regular team functions. Unfortunately, the current divestment process has created a lot of uncertainty, and this ha negatively affected our planning, our wider business, and our staff. If Council chooses to divest, we would like to formally request the first right of purchase for the building and a long-term land lease. Additionally, should the museum space be vacated, we are willing to lease it to expand our operations and increase site revenue. We have also previously expressed interest in leasing the Clyde Goods Shed, though it was previously deemed earthquake prone. With new assessments suggesting the core structure is sound, we would welcome the chance to lease (or purchase), it if retained or divested. Clyde township is rapidly developing, and it is vital to retain its heritage and green spaces. We believe SheBikesHeBikes is a proven and responsible custodian, and we hope Council will consider us as a long-term partner in preserving and continuing to utilise this historic site. We would request that you acknowledge this and renew our lease or allow us to purchase said building.

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

Wonderful historic facility which we would like to lease also

Q23. **Would you like to comment on Blyth Street Museum, Clyde?**

Q44. Which option do you prefer?	Option B: Do not support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?

When the council invested in

Q46. Which option do you prefer?	Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

It is truly disappointing that this has been raised as one of the 9 primary discussion points in the long term plan. There are so many more focus areas of higher priority this appears like a quick clawback of some money at a time that our money has been mismanaged. I am a father of two girls who regularly use the Alexandra Pools at least twice a week. The outdoor pool is something we all enjoy together when we are given the opportunity to. However it is very rare that the outside pool is open and when it is open it appears to be a chore that staff would just prefer not to staff. A number of occasions we have made contact with the council via Facebook or phone prior to coming to the pools to confirm the outdoor pool is open and we are assured it is. But on arrival we find out it is not open. For a community to buy into something and have confidence that it will be open and available there needs to be significantly more consistency. There are shade sails a BBQ and great grass areas outside that would be used if people had assurance they could use them. The information provided by the council is not 100% correct nor have they supplied the context on much of the facts and figures that have been put out. The reason the outdoor pool might have seen a decline is because of the days it has actually been available. I have spoken with Jayden Cromb and the Pool manager about my concerns and given my concerns in writing to the pool regarding the biggest issue (staffing) the Alexandra pool faces which will not simply be solved by closing outdoors. Jayden encouraged me to speak freely so I would like to put forward the need for performance management of the people running the swimming pools. It's simply not good enough year after year to have so many staffing issues. It's poor strategy. If you do what you always do you get what you always have...so why do we keep hiring university students without preplanning their replacement. Looking at the Alexandra outdoor pool closure as a quick fix financial gain is short sighted and offensive while in the same breath proposing taking on the Roxburgh pools running.

Q48. **Which option do you prefer?** Option D: Do not support

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?** Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

It is great to hear that there is tourism reserves. A better way to engage the community around money like this would be to welcome proposals rather than the community learning about reserves through a 1 time long term plan proposal for a single event that appears to have been won by Christchurch. I would assume this is just a distraction from other issues.

Q52. **Which option do you prefer?** Option B: Provide a $200,000 grant loan funded over a period of 10 years.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

Maniototo have just had significant upgrades and significant funding - the loan option is preferred

Q54. **Which option do you prefer?** Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

not answered

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

It is disappointing to see such a small focus from our council in support of the arts/music and youth development. Our youth trust gets incredible support through many donors but the council do not offer much support at all.

Q58. **Would you like to upload any supporting documents?**	not answered
Q59. **How did you hear about this engagement opportunity? You may tick more than one.**	Social media

Q1.	**I'm registered for Let's Talk**	Yes. Please skip past the demographic questions and click next at the bottom of the page.
Q2.	**First name**	not answered
Q3.	**Last name**	not answered
Q4.	**Email address**	not answered
Q5.	**What is your connection to the Central Otago District?**	not answered
Q6.	**Where do you live?**	not answered
Q7.	**What year were you born?**	not answered
Q8.	**What gender do you identify with most?**	not answered
Q9.	**I am submitting**	as an individual
Q10.	**Do you want to speak to your submission at a formal meeting?**	no
Q11.	**Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12.	**Please choose your preferred option.**	Option B: Status quo. Water services continue to be owned, maintained and delivered by Council.

Q13. **Would you like to comment on our plan for water?**

This council is there to run the council and its entire business units ,not create significant costs by diverting responsibility and accountability of costs to a third party { so called shared joint business unit} with little visibility of the day to day operations. This Sounds so much like Wellington council Water board ,where costs subcontractors ripping of Rates payers and the Water Board .

Q14.	**Please choose your preferred option.**	Option C: Status quo. Retain the charge at 60 cents per cubic metre, with a fixed charge at $843.54 per connection.

Q15. **Would you like to comment on volumetric charges?**

I understand costs have increased but so has your revenue (ie Cromwell Area users) . As a larger water user during the summer months I feel my water bill is to high. Compared to Neighboring settlements like Wanaka and Queenstown. Cromwell resident's were promised free water when the Dam was built and lake Dunstan was formed. happy to pay a fixed charge for line services upgrades when required. So stop with the smart accounting fabrication , by adding volumetric water charges, call it as it is .

Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.
Q17. **Which hall/facility would you like to comment?**	Other

Q18. **Would you like to comment on the Ophir Hall?**

not answered

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

not answered

Q21. **Would you like to comment on the Clyde Railway Station Building?**

not answered

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

not answered

Q23. **Would you like to comment on Blyth Street Museum, Clyde?**

not answered

Q24. **Would you like to comment on Clyde Hall?**

not answered

Q25. **Would you like to comment on Becks Hall?**

not answered

Q26. **Would you like to comment on Vallance Cottage?**

not answered

Q27. **Would you like to comment on the Riding for the Disabled?**

not answered

Q28. **Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?**

not answered

Q29. Would you like to comment on the Ranfurly Hall?

not answered

Q30. Would you like to comment on the Naseby Hall?

not answered

Q31. Would you like to comment on the Patearoa Hall?

not answered

Q32. Would you like to comment on the Waipiata Hall?

not answered

Q33. Would you like to comment on the Wedderburn Hall?

not answered

Q34. Would you like to comment on the Millers Flat Hall?

not answered

Q35. Would you like to comment on the Millers Flat Bowling Club?

not answered

Q36. Would you like to comment on the Roxburgh Squash Court Building?

not answered

Q37. Would you like to comment on the Fenton Library?

not answered

Q38. Would you like to comment on the Naseby General Store?

not answered

Q39. Would you like to comment on another hall or facility?

Yes Cromwell Events Center, I think the council overlooked the "Significant Hight" effect of this Building it has on the landscape and is surrounding neighbor's . The additional costs incurred by the height of this structure is scandalous and out of step with the surrounding views and environment.

Q40. Would you like to comment on the Centennial Milk Bar?

not answered

Q41. Would you like to comment on the Ranfurly Service Centre?

not answered

Q42. Would you like to comment on the Wallace Memorial Rooms?

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?**	not answered

Q46. Which option do you prefer? Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

As Chairman of IISA Aotearoa NZ Ice Swimming Inc our organisation wholeheartedly supports retention of this excellent community facility. We've held our NZ National Pool Champs here in July 2002 & again in 2004. It is a unique facility for Ice Swimming ie water must be under 5C and the pool surveyed for correct dimensions which we have had done to qualify for National & World Records. Our Teams (Frozen Ferns) have competed incredibly well at two World Champs (France 2023 - Italy 2025) to the extent of coming 4th out of 48 Countries (740 entrants) in Italy, achieving 11 World Open podium places plus 43 Age Group placings. Events covered 50m to 1000m in every discipline. Without the ability to hold our winter qualifying Champs in this pool, we'd have not been able to select such high calibre Teams. This Alexandra facility is unique for many reasons. Having the heated indoor facilities alongside is ideal for swimmer recoveries after their below 5C swims. We also use part of the surrounds for our marshalling tent outside. Depth & length qualify for records - right from our 1st time here in 2022 we began setting ratified World Records. The Alexandra location works well with a range of good accommodation as we have to cater for upto 100 on any one day including support volunteers / medics & officials. The Pool Staff are excellent to work with (we provide our own qualified Pool Lifeguards by the way) enabling us to run our Events seamlessly with the Indoor facility. Regarding the Council summary of operational costs. With respect - these appear skewed to show an inflated total of $200,000 . Depreciation is not an operational cost but a book entry depreciation adjustment against assets held. Overheads of $38,000 appear inflated & may well be incorrectly apportioned from the Indoor Pool. Similarly Staff costs of $68,000 seem over weighted in the context of running the overall indoor/outdoor facility. It's also noted that closing the outdoor Pool provides no financial gain for Indoor Swimmers in lower entry fees either. I'm sure an actual total costing could be reduced to $100,000. Singling out this Pool for closure in the LTP is short sighted. Furthermore trying to justify it by showing questionable savings to 'balance a budget' / save rates is really illusory. It's value to the Community now far exceeds it's original cost. With the gradual but inevitable closing of 'School Pools' around NZ, facilities like the Alexandra Outdoor Pool are truly gems for families, learners, school kids and now the ever increasing interest of Ice Swimmers. Cold water swimming is growing all over the world as part of staying 'well & active' for a range of ages, especially for those over the flush of youth. In NZ the number of 'all winter outdoor' swimmers continues to grow in astonishing numbers. The Council rather than destroying this facility should do their part encouraging it's use. Swimming before & after the summer months extends the traditional range of outdoor swimming enjoyment without the need for pool heating. This is why the number of participants are growing, nor just 'cold plunging'. In summary we wouldn't be able to represent New Zealand as well as we do without this perfect Pool Facility. It encourages the newcomers to give it a go under supervision, then they in turn become mentors for others thinking about participating. Please re-consider retaining this Community facility. Many thanks, Roger Soulsby; IISA Aotearoa NZ Ice Swimming Chairman

Q10.	**Do you want to speak to your submission at a formal meeting?**	no
Q11.	**Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12.	**Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.

Q13. **Would you like to comment on our plan for water?**

I have two reservations. First is transparency back to ratepayers, Second is establishment and running costs.

Q14.	**Please choose your preferred option.**	Option A: Increase the volumetric charge to $2.40 per cubic metre, with the fixed charge of $509.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

High users need to pay their share

Q16.	**Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.

Q17. **Which hall/facility would you like to comment?** Millers Flat Hall
Millers Flat Bowling Club

Q18. **Would you like to comment on the Ophir Hall?**

not answered

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

not answered

Q21. **Would you like to comment on the Clyde Railway Station Building?**

not answered

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

not answered

Q23. **Would you like to comment on Blyth Street Museum, Clyde?**

not answered

Q24. **Would you like to comment on Clyde Hall?**

not answered

Q25. **Would you like to comment on Becks Hall?**

not answered

Q26. **Would you like to comment on Vallance Cottage?**

not answered

Q27. **Would you like to comment on the Riding for the Disabled?**

not answered

Q28. **Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?**

not answered

Q29. **Would you like to comment on the Ranfurly Hall?**

not answered

Q30. **Would you like to comment on the Naseby Hall?**

not answered

Q31. **Would you like to comment on the Patearoa Hall?**

not answered

Q32. **Would you like to comment on the Walplata Hall?**

not answered

Q33. **Would you like to comment on the Wedderburn Hall?**

not answered

Q34. **Would you like to comment on the Millers Flat Hall?**

The current shared maintenance model between ratepayers and the local Millers Flat community has proven to be a very successful arrangement for many years. It combines the backup resources of Council combined with a very active local committee which operates as if it owns the asset. Divestment would just pass future significant expenditure on to a small local community who would have to then rely on grant funding. That is an unnecessary burden on the community when the Hall is providing a very popular meeting venue and a Civil Emergency centre with the Committee ready and able to provide emergency shelter and support in the event of a significant natural emergency. It would be a very short-sighted decision to change such a successful model.

Q35. **Would you like to comment on the Millers Flat Bowling Club?**

The redevelopment project to rejuvenate the Domain is going through the funding application process. If the Sport and Recreation hub project is successful it will provide the opportunity for a number of events to be run at the Domain. These include the continuation of the very successful annual School netball tournament, but the Committee is also keen to run a Masters Netball competition, tennis and pickleball events. The pavilion would be a valuable asset as a shelter and a Hub to support these events. The Committee would appreciate having a discussion to determine an acceptable structure to share the maintenance costs of this building before a decision to divest and demolish is made.

Q36. **Would you like to comment on the Roxburgh Squash Court Building?**

not answered

Q37. **Would you like to comment on the Fenton Library?**

not answered

Q38. **Would you like to comment on the Naseby General Store?**

not answered

Q39. **Would you like to comment on another hall or facility?**

not answered

Q40. **Would you like to comment on the Centennial Milk Bar?**

not answered

Q41. **Would you like to comment on the Ranfurly Service Centre?**

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?** not answered

Q44. **Which option do you prefer?** Option B: Do not support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

The proposed cost of Council management seems inordinately high. Under council ownership, the Teviot Ward would then have to share the district costs for the management of all swimming pools. This places an extra burden on Millers Flat ratepayers as their pool is only costing Council an average of $15k/annum. If the decision made to take over the Rox pool, could there be a carve out for Millers Flat ratepayers? I accept that children using the Millers Flat pool

Q46. **Which option do you prefer?** not answered

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

not answered

Q48. **Which option do you prefer?** Option A: Provide additional funding of up to $1.6 million towards the construction of the Manuherekia Valleys Community Hub, funded from Vincent General Reserves.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?** Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

The budget for Tourism promotion and Business development is too great a % of total budget, particularly when infrastructure requires such a huge investment. I don't believe this constitutes core funding when rate increases are so challenging for ratepayers. While an option is to fund from tourism reserves, a better option for reserves would be to supplement tourism promotions after cutting the annual ratepayer contributions

Q52. **Which option do you prefer?** Option A: Provide a $200,000 grant, rate funded in the 2026/27 financial year.

Q53. **Would you like to provide comments on the Artificial Turf at Manlototo Area School?**

not answered

Q54. **Which option do you prefer?** Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

not answered

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q58. **Would you like to upload any supporting documents?**	not answered
Q59. **How did you hear about this engagement opportunity? You may tick more than one.**	**Other (please specify)** Consultation meeting at Millers Flat

https://s3-ap-southeast-2.amazonaws.com/ehq-production-australia/15fa606a468537f69b3dafaeda2ff45215476161/original/17[redacted]/fb8d77b184a6de07fcf22f3bf4efdd8a_attachment.docx?1745374481

Q44. Which option do you prefer?

Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?

You are either running pools or you are not. The commentary/ suggestion here appears to favour closing the pool in the larger area and taking on the pool in the smaller area? Swimming is an important life skill and facilities need to be maintained.

Q46. Which option do you prefer?

Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

not answered

Q48. **Which option do you prefer?**	Option D: Do not support

Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.

Q13. **Would you like to comment on our plan for water?**

The CCO will be a monopoly business. Council's annual letter of expectation will need to have some teeth regarding charges to the captive consumers, otherwise the CCO may well become lazy and inefficient.

Q14. **Please choose your preferred option.**	Option C: Status quo. Retain the charge at 60 cents per cubic metre, with a fixed charge at $843.54 per connection.

Q15. **Would you like to comment on volumetric charges?**

The original 30% reduction in water use from 2012/2013, when charges were brought, in was to be expected. Consumers had been paying no volumetric charge until then and would have been using water without much thought. It is not logical to expect that there will be another 30% reduction in water usage if volumetric charges are raised, as users will already have made a substantial reduction since 2012 and there will be little further saving to be made. The two scenarios are completely different, and it is disingenuous of Council to "assume" that there will be a further 30% reduction in usage. If the volumetric charge reflects the actual cost of treating and pumping water then an increase would be fair, but the fixed charge should cover all the other costs of the water supply system as every user benefits equally from having a connection laid to their property - no matter how much water they use.

Q16. **Please select your preferred option.** not answered

Q17. **Which hall/facility would you like to comment?** not answered

Q18. **Would you like to comment on the Ophir Hall?**

Q48. **Which option do you prefer?**	not answered

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?**	Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

It appears that this event will now be held at Ruapuna. However, I would be disappointed if Council were to support a one-off sugar hit to the District (and probably moreso to Queenstown and Wanaka). Instead it should keep its focus on long-term and sustainable year-round economic developments. They may not look flashy, nor generate (short-lived) media coverage, but steady and sustainable jobs are what will make for healthy communities and a District that is a desirable place to live in.

Q52. **Which option do you prefer?**	not answered

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

not answered

Q54. **Which option do you prefer?**	not answered

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

not answered

Q1. **I'm registered for Let's Talk**	Yes. Please skip past the demographic questions and click next at the bottom of the page.
Q2. **First name**	not answered
Q3. **Last name**	not answered
Q4. **Email address**	not answered
Q5. **What is your connection to the Central Otago District?**	not answered
Q6. **Where do you live?**	not answered
Q7. **What year were you born?**	not answered
Q8. **What gender do you identify with most?**	not answered
Q9. **I am submitting**	as an individual
Q10. **Do you want to speak to your submission at a formal meeting?**	no
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	Option B: Status quo. Water services continue to be owned, maintained and delivered by Council.

Q13. **Would you like to comment on our plan for water?**

It appears that a CCO would be more efficient, cost effective. However water is part of the big environmental picture and I think separating the water services out would mean single minded management,

Q14. **Please choose your preferred option.**	Option A: Increase the volumetric charge to $2.40 per cubic metre, with the fixed charge of $509.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

I would expect that Option A would assist in users controlling their use. As a super annuitant light user I don't want to subsidise heavy users.

Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.

Q17. **Which hall/facility would you like to comment?** not answered

Q18. **Would you like to comment on the Ophir Hall?**

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?** — not answered

Q44. **Which option do you prefer?** — Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

The community are passionate about this pool and have invested a lot into it. Children of smaller communities should have good access to pools to develop their swimming skills, their social activity and wellbeing.

Q46. **Which option do you prefer?** — Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

I have trouble accepting the maintenance charges that are stated. The outdoor pool is a unique one for Alexandra and the town is well known for it - (that now includes the ice swimming event) it therefore contributes to the tourist dollar spend. Central Otago cannot be just for high spend activities - we re not a high income town. Help our children and families have fun and socialise

Q48. **Which option do you prefer?** Option A: Provide additional funding of up to $1.6 million towards the construction of the Manuherekia Valleys Community Hub, funded from Vincent General Reserves.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

This community has invested heavily in the project and they are located in an area that could do with a hub. We need to support them

Q50. **Which option do you prefer?** Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

I'm sorry but I think there is a real social cost to this event. Road behaviours here are remarkably bad. Many people drive too fast and lack courtesy. There is also the issue of the Climate Crisis stated by the Council in September 2019. Nothing has changed on this crisis - indeed it is worse and combustion engines in motor vehicles are big contributors to pollution (known to kill 3000 people per annum in this country) and our towns suffer hugely from pollution

Q52. **Which option do you prefer?** Option A: Provide a $200,000 grant, rate funded in the 2026/27 financial year.

Q53. **Would you like to provide comments on the Artificial Turf at Manlototo Area School?**

The community and school need this amenity and have contributed to it.

Q54. **Which option do you prefer?** Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

Our school needs this - our families are travelling big distances every week to do their hockey etc. That has an impact on pollution, energy use, family time, student time balance.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

Our rohe is experiencing many people exploring different areas. While I think the CODC provides good toilet facilities in the towns, I do ask why the toilet at the Fraser Reserve is closed. Will their be a toilet at the Lower Manorburn Reserve? The alternative is faeces and paper everywhere.

Q58. **Would you like to upload any supporting documents?**	not answered
Q59. **How did you hear about this engagement opportunity? You may tick more than one.**	The News - Central Otago Central App Word of mouth

Q1. **I'm registered for Let's Talk**	No. Please complete the demographic questions below.
Q2. **First name**	Lynn
Q3. **Last name**	McArthur
Q4. **Email address**	[redacted]
Q5. **What is your connection to the Central Otago District?**	I live in the district
Q6. **Where do you live?**	Vincent Ward (Alexandra and surrounds)
Q7. **What year were you born?**	not answered
Q8. **What gender do you identify with most?**	[redacted]
Q9. **I am submitting**	**on behalf of an organisation or business (please provide the name below)** Clyde Bowling Club
Q10. **Do you want to speak to your submission at a formal meeting?**	no
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	not answered
Q13. **Would you like to comment on our plan for water?**	not answered
Q14. **Please choose your preferred option.**	not answered

Q15. **Would you like to comment on volumetric charges?**

Based on figures in the LTP if Option A (the preferred option) is implemented water charges to the club will increase from an average $2,316 to $.6,749 (GST incl) per annum. This is a 191% increase and would cause a grave economic situation for the club. The club obviously requires large amounts of water for irrigation purposes to provide the sporting surface for bowling. The water used is timed and applied under the guidance of a consultant greens specialist. Water is not wasted. The proposed water charges will affect the club in two ways: 1. Water requirements for two natural greens are significant 2. As the premises are used widely by members and other community groups water usage for kitchen and toilet facilities are relatively high. We ask that Council give consideration to: 1. a reduced treated water rate for a community facility 2. Council exploring options to provide an untreated water supply for irrigation purposes for the bowling club and possibly the adjoining camping ground and Clyde school, similar to the system that currently exists for the Alexandra Bowling Club. Abbreviated submission. Full submission is attached.

not answered

Q24. Would you like to comment on Clyde Hall?

I have attached a written submission. I ask that you do not divest the Clyde Hall, but keep it as it is now. Please see my submission.

Q25. Would you like to comment on Becks Hall?

not answered

Q26. Would you like to comment on Vallance Cottage?

not answered

Q27. Would you like to comment on the Riding for the Disabled?

not answered

Q28. Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?

I am not sure of the facts around this building. However, in my 11 years living in Clyde I have seen it open once. I'm sure there a lot of costs involved in the upkeep, but surely this is a building that is of value to the Clyde Community and it's history, and worth retaining? I have had tourists stop and ask me when out walking about the building and when it is open. Perhaps it is something that could be explored, as I feel it is has real value as part of our town.

Q29. Would you like to comment on the Ranfurly Hall?

not answered

Q44. Which option do you prefer?	Option B: Do not support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?

No.

Q46. Which option do you prefer?	Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

Can Council please explore other options before closing the pool? I understand it may need a new heating system. Can this be explored further? If it definitely proves too expensive for Council to justify - hey ho. But can this please be explored further? My concern is, once assets like this go, they never come back.

Q48. **Which option do you prefer?**	Option A: Provide additional funding of up to $1.6 million towards the construction of the Manuherekia Valleys Community Hub, funded from Vincent General Reserves.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

Option 1 seems fair.

Q50. **Which option do you prefer?**	Option A: Agree to provide a $250,000 grant funded through the tourism reserves.

Q51. **Would you like to provide comments on the Supercars Championship?**

No.

Q52. **Which option do you prefer?**	Option A: Provide a $200,000 grant, rate funded in the 2026/27 financial year.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

No.

Q54. **Which option do you prefer?**	Option B: Provide a $300,000 grant loan funded over a period of 10 years

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

No.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

No

Q1.	**I'm registered for Let's Talk**	Yes. Please skip past the demographic questions and click next at the bottom of the page.
Q2.	**First name**	not answered
Q3.	**Last name**	not answered
Q4.	**Email address**	not answered
Q5.	**What is your connection to the Central Otago District?**	not answered
Q6.	**Where do you live?**	not answered
Q7.	**What year were you born?**	not answered
Q8.	**What gender do you identify with most?**	not answered
Q9.	**I am submitting**	as an individual
Q10.	**Do you want to speak to your submission at a formal meeting?**	no
Q11.	**Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12.	**Please choose your preferred option.**	Option B: Status quo. Water services continue to be owned, maintained and delivered by Council.

Q13. **Would you like to comment on our plan for water?**

CCOs makes sense if efficiencies can be delivered. Given the breadth of the district proposed to be covered by the CCO, I am struggling to see the benefit, outside of slightly greater bulk buying power. It is not going to be anything like Watercare, but an organisation that will continue to have multiple levels of bureaucracy for each respective region. If efficiencies and cost savings could be guaranteed I would be for the CCO.

Q14.	**Please choose your preferred option.**	Option C: Status quo. Retain the charge at 60 cents per cubic metre, with a fixed charge at $843.54 per connection.

Q15. **Would you like to comment on volumetric charges?**

Present system is perfectly fine.

Q16.	**Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.

Q17. **Which hall/facility would you like to comment?** Blyth Street Museum, Clyde
Clyde Hall

Q18. **Would you like to comment on the Ophir Hall?**

not answered

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

not answered

Q21. **Would you like to comment on the Clyde Railway Station Building?**

not answered

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

not answered

Q23. **Would you like to comment on Blyth Street Museum, Clyde?**

Great community asset that could benefit from additional advertising. A lot of great information on the history of the district and is a better asset than Central Stories.

Q24. **Would you like to comment on Clyde Hall?**

Heavily used facility that needs to be retained for the benefit of the Clyde community. There is a certain loss of character and facilities that is happening with Clyde that the Council should seek to preserve. The building incorporates the local library that is well patronised both by children and the elderly. It is an important community asset and the only public asset in Clyde available for community use.

Q25. **Would you like to comment on Becks Hall?**

not answered

Q26. **Would you like to comment on Vallance Cottage?**

not answered

Q27. **Would you like to comment on the Riding for the Disabled?**

not answered

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?**	not answered
Q44. **Which option do you prefer?**	Option B: Do not support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

Unless the asset is wholly paid for by the Roxburgh ratepayers on on going basis, ie. fully rate funded by their ward, Ido not support the Council taking over the asset. With no disrespect to the people who have made it possible, it is illogical to takeover an asset that was always intended to be private. Just because its operation is too difficult is not something that is a concern to the Council and the wider district. If the asset is important, some arrangements should be put in place by the local community. A pool is a luxury and not a necessity and if it cannot be operated by the community it should not exist or exist on a user takes all risk basis with no life guards etc.

Q46. **Which option do you prefer?** Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

As an existing asset, this should be retained. It is illogical for the Council to abandon an existing asset to takeover a private asset that may well see similar patronage. Regardless of the frequency of use, it is part of the existing complex and if anything could benefit from additional advertising. It also has the niche but quirky benefit as the cold water swimming venue in the winter.

Q48. **Which option do you prefer?** Option A: Provide additional funding of up to $1.6 million towards the construction of the Manuherekia Valleys Community Hub, funded from Vincent General Reserves.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

Q53. **Would you like to provide comments on the Artificial Turf at Manlototo Area School?**

not answered

Q54. **Which option do you prefer?** Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

not answered

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

Whilst petty, as I had made known at the time, the Council policy of charging a fee for the return of 240l rubbish bin is something that seems unfair. Whoever made the decision to remove and downgrade all bins, should have provided some buffer in the budget for people asking for the bins to be reinstated. The ratepayer should not pay more to reinstate a service. No issues with the additional charges for the actual bin, but the delivery fee is something that was deeply annoying.

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

Q48. **Which option do you prefer?**	Option A: Provide additional funding of up to $1.6 million towards the construction of the Manuherekia Valleys Community Hub, funded from Vincent General Reserves.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?**	Option A: Agree to provide a $250,000 grant funded through the tourism reserves.

Q51. **Would you like to provide comments on the Supercars Championship?**

not answered

Q52. **Which option do you prefer?**	Option A: Provide a $200,000 grant, rate funded in the 2026/27 financial year.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

not answered

Q54. **Which option do you prefer?**	Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

As Co-President of Molyneux Turf Incorporated (MTI), I am writing in strong support of Central Otago District Council's proposal to contribute funding towards the development of a full-sized multipurpose artificial turf at Dunstan High School. This project represents a significant and much-needed investment in the sporting infrastructure of Alexandra and the wider Central Otago region. This facility will deliver lasting value not just for the school, but for our entire community. The turf will support a wide range of sports and user groups—from school students during the day to community clubs and recreational players in the evenings and weekends. MTI is committed to ensuring that the turf is accessible, well-maintained, and sustainably managed. With a proven feasibility study, secured community partnerships, and a clear plan for funding and future upkeep, this project is ready and designed to serve our growing population. Council support is the final piece needed to bring this high-impact project to life, and we urge you to include it in the Long-Term Plan

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Submission on behalf of the Cromwell Museum Trust We wish to support the Council's proposal to fund the Museum in the new Cromwell Memorial Hall The Trust also wishes to acknowledge the financial support provided by both the Council and the Cromwell Community Board over recent years and looks forward to a continuation of this funding. The Trust will be pleased to work with Council on initiatives to further enhance the role that the new Museum can play within the community. Martin Anderson Chair Cromwell Museum Trust

Q1. **I'm registered for Let's Talk**	Yes. Please skip past the demographic questions and click next at the bottom of the page.
Q2. **First name**	not answered
Q3. **Last name**	not answered
Q4. **Email address**	not answered
Q5. **What is your connection to the Central Otago District?**	I'm a Central Otago District ratepayer
Q6. **Where do you live?**	Vincent Ward (Alexandra and surrounds)
Q7. **What year were you born?**	[redacted]
Q8. **What gender do you identify with most?**	[redacted]
Q9. **I am submitting**	as an individual
Q10. **Do you want to speak to your submission at a formal meeting?**	no
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	Option B: Status quo. Water services continue to be owned, maintained and delivered by Council.

Q13. **Would you like to comment on our plan for water?**

Yes, Sorting out the water in Omakau would be great, Even if its a subsidised rate for rate payers we would be happy to get filtration systems put into our homes to help take out the foul taste. We have a carbon small filter on our kitchen tap and can taste the difference between that and our bathroom, when the water is bad we can smell it in the shower and the bath. It would be great for something like this to happen then the ratepayer can keep up the maintenance of the water filters, as it is there own benefit to do so.

Q14. **Please choose your preferred option.**	Option C: Status quo. Retain the charge at 60 cents per cubic metre, with a fixed charge at $843.54 per connection.

Q15. **Would you like to comment on volumetric charges?**

not answered

Q16. **Please select your preferred option.**	Option B: Maintain the current level of support that Council provides for all of the halls and facilities listed above.
Q17. **Which hall/facility would you like to comment?**	not answered

Q18. **Would you like to comment on the Ophir Hall?**

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

no comment on this one

Q46. **Which option do you prefer?** Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

its a great amenity in both summer and winter, helps bring money to the town with ice swimming and in summer and school holidays its good to have the space to breathe so to say instead of having so many people crammed inside,

Q48. **Which option do you prefer?**	Option A: Provide additional funding of up to $1.6 million towards the construction of the Manuherekia Valleys Community Hub, funded from Vincent General Reserves.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?**	Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

There are better things more so that the community and region can have better use of instead of helping out a business owner run an event that's his call. he should be able to fund it himself. That money could be used better in for keeping the Ophir hall, or any hall, used for roading fixings, or anything like that. where we will get more use of of it instead of a weekend and its gone.

Q52. **Which option do you prefer?**	Option A: Provide a $200,000 grant, rate funded in the 2026/27 financial year.

Q53. **Would you like to provide comments on the Artificial Turf at Manlototo Area School?**

not answered

Q54. **Which option do you prefer?**	Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

not answered

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q58. **Would you like to upload any supporting documents?**	not answered
Q59. **How did you hear about this engagement opportunity? You may tick more than one.**	The News - Central Otago Postcard in the mail

Q7. **What year were you born?**	[redacted]
Q8. **What gender do you identify with most?**	[redacted]
Q9. **I am submitting**	as an individual
Q10. **Do you want to speak to your submission at a formal meeting?**	no
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	not answered
Q13. **Would you like to comment on our plan for water?**	not answered
Q14. **Please choose your preferred option.**	not answered
Q15. **Would you like to comment on volumetric charges?**	not answered
Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.
Q17. **Which hall/facility would you like to comment?**	Wedderburn Hall

Q18. Would you like to comment on the Ophir Hall?

not answered

Q19. Would you like to comment on the Poolburn Hall?

not answered

Q20. Would you like to comment on the Clyde Police Lockup?

not answered

Q21. Would you like to comment on the Clyde Railway Station Building?

not answered

Q22. Would you like to comment on the Former Clyde Museum Stables & Goods Shed?

not answered

Q23. Would you like to comment on Blyth Street Museum, Clyde?

not answered

Q24. Would you like to comment on Clyde Hall?

not answered

Q25. Would you like to comment on Becks Hall?

not answered

Q26. Would you like to comment on Vallance Cottage?

not answered

Q27. Would you like to comment on the Riding for the Disabled?

not answered

Q28. Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?

not answered

Q29. Would you like to comment on the Ranfurly Hall?

not answered

Q30. Would you like to comment on the Naseby Hall?

not answered

Q31. Would you like to comment on the Patearoa Hall?

not answered

Q32. Would you like to comment on the Waipiata Hall?

not answered

Q33. **Would you like to comment on the Wedderburn Hall?**

As a rural community, the Hall is our hub. It is not always practical for us to travel to larger centralised locations (which often don't serve our needs), and I believe that our community will suffer without the Hall. I would like the council to continue managing the Hall, OR for the Hall to be sold to the community. I do not believe it is appropriate for it to go to a private entity.

Q34. **Would you like to comment on the Millers Flat Hall?**

not answered

Q35. **Would you like to comment on the Millers Flat Bowling Club?**

not answered

Q36. **Would you like to comment on the Roxburgh Squash Court Building?**

not answered

Q37. **Would you like to comment on the Fenton Library?**

not answered

Q38. **Would you like to comment on the Naseby General Store?**

not answered

Q39. **Would you like to comment on another hall or facility?**

not answered

Q40. **Would you like to comment on the Centennial Milk Bar?**

not answered

Q41. **Would you like to comment on the Ranfurly Service Centre?**

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?** not answered

Q44. **Which option do you prefer?** not answered

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

not answered

Q46. **Which option do you prefer?** Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

not answered

Q48. **Which option do you prefer?** not answered

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?** not answered

Q51. **Would you like to provide comments on the Supercars Championship?**

not answered

Q52. **Which option do you prefer?** not answered

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

It would make a lot of sense for the turf and court to be built at the Maniototo Stadium so the whole community would benefit.

Q54. **Which option do you prefer?** not answered

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

not answered

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q58. **Would you like to upload any supporting documents?** not answered

Q18. Would you like to comment on the Ophir Hall?

not answered

Q19. Would you like to comment on the Poolburn Hall?

Our Hall is in regular use by our community. The few hundreds of people who live in the Idavalley help keeping the premises tidy by helping out with the lawnmowing roster and monthly Hall cleaning. We have nowhere else to gather as a big group! Lots of weddings, birthdays and other special celebrations have been held at our Hall and special memories been made. The Poolburnmoacreekhall is also home to our war memorial and means a lot to relatives of veterans. In term 3 and 4 the Cricket Pitch is used every weekend to get young and old together. On the premises is also a recycling station set up which is used regularly by our community. It's the home to our Playgroup and all our School functions are held here. The community is very passionate about our Hall and we are looking forward to use it frequently in the future

Q1.	**I'm registered for Let's Talk**	Yes. Please skip past the demographic questions and click next at the bottom of the page.
Q2.	**First name**	not answered
Q3.	**Last name**	not answered
Q4.	**Email address**	not answered
Q5.	**What is your connection to the Central Otago District?**	I'm a Central Otago District ratepayer
Q6.	**Where do you live?**	Cromwell Ward
Q7.	**What year were you born?**	[redacted]
Q8.	**What gender do you identify with most?**	[redacted]
Q9.	**I am submitting**	as an individual
Q10.	**Do you want to speak to your submission at a formal meeting?**	yes
Q11.	**Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	[redacted]
Q12.	**Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.

Q13. **Would you like to comment on our plan for water?**

Ensure heavy waste water users are billed on a user pays basis. Particularly applies to commercial users.

Q14.	**Please choose your preferred option.**	Option A: Increase the volumetric charge to $2.40 per cubic metre, with the fixed charge of $509.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

User pays system is more equitable. Lower the fixed connection even further and increase usage. Investigate very high users to determine if a commercial use and determine if alternate charging is required.

Q16.	**Please select your preferred option.**	Option A: Divest all of the community halls listed (highlighted in green above).
Q17.	**Which hall/facility would you like to comment?**	not answered

Q18. Would you like to comment on the Ophir Hall?

not answered

Q19. Would you like to comment on the Poolburn Hall?

not answered

not answered

Q34. Would you like to comment on the Millers Flat Hall?

not answered

Q35. Would you like to comment on the Millers Flat Bowling Club?

not answered

Q36. Would you like to comment on the Roxburgh Squash Court Building?

not answered

Q37. Would you like to comment on the Fenton Library?

not answered

Q38. Would you like to comment on the Naseby General Store?

not answered

Q39. Would you like to comment on another hall or facility?

not answered

Q40. Would you like to comment on the Centennial Milk Bar?

not answered

Q41. Would you like to comment on the Ranfurly Service Centre?

not answered

Q42. Would you like to comment on the Wallace Memorial Rooms?

not answered

Q43. Would you like to upload any supporting documents about halls and facilities? not answered

Q44. Which option do you prefer? Option B: Do not support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?

not answered

Q46. Which option do you prefer? Option A: Close and decommission the outdoor pool in Alexandra.

Q47. Would you like to provide comments on the Alexandra outdoor pool?

No need for an outdoor pool in addition to the indoor pool. Many outdoor swimming opportunities.

Q48.	**Which option do you prefer?**	Option A: Provide additional funding of up to $1.6 million towards the construction of the Manuherekia Valleys Community Hub, funded from Vincent General Reserves.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50.	**Which option do you prefer?**	Option A: Agree to provide a $250,000 grant funded through the tourism reserves.

Q51. **Would you like to provide comments on the Supercars Championship?**

not answered

Q52.	**Which option do you prefer?**	Option B: Provide a $200,000 grant loan funded over a period of 10 years.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

not answered

Q54.	**Which option do you prefer?**	Option B: Provide a $300,000 grant loan funded over a period of 10 years

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

not answered

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

Cromwell is desparately in need of a rec centre. Money realised by selling endowment land in a structured/controlled manner should be allocated for this. Should be located in the very underutilised rose garden where there is also access to other playing fields. Alternatively use the current sports club location, if room.

Q58.	**Would you like to upload any supporting documents?**	not answered
Q59.	**How did you hear about this engagement opportunity? You may tick more than one.**	not answered

Q1. **I'm registered for Let's Talk**	No. Please complete the demographic questions below.
Q2. **First name**	Pamela
Q3. **Last name**	Gare
Q4. **Email address**	[redacted]
Q5. **What is your connection to the Central Otago District?**	I live in the district
Q6. **Where do you live?**	Cromwell Ward
Q7. **What year were you born?**	[redacted]
Q8. **What gender do you identify with most?**	[redacted]
Q9. **I am submitting**	as an individual
Q10. **Do you want to speak to your submission at a formal meeting?**	no
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.

Q13. **Would you like to comment on our plan for water?**

If the CCO included adjoining councils so that there can be a combined purchasing and sharing of resources

Q14. **Please choose your preferred option.**	Option B: Increase the volumetric charge to $1.80 per cubic metre, with the fixed charge at $639.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

I would like every connection to receive 200m3 of fire water/year and then charge a higher tariff for extra consumption to encourage water conservation

Q16. **Please select your preferred option.**	Option A: Divest all of the community halls listed (highlighted in green above).
Q17. **Which hall/facility would you like to comment?**	not answered

Q1.	**I'm registered for Let's Talk**	Yes. Please skip past the demographic questions and click next at the bottom of the page.
Q2.	**First name**	David
Q3.	**Last name**	Ritchie
Q4.	**Email address**	[redacted]
Q5.	**What is your connection to the Central Otago District?**	I live in the district
Q6.	**Where do you live?**	Vincent Ward (Alexandra and surrounds)
Q7.	**What year were you born?**	not answered
Q8.	**What gender do you identify with most?**	[redacted]
Q9.	**I am submitting**	as an individual
Q10.	**Do you want to speak to your submission at a formal meeting?**	no
Q11.	**Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12.	**Please choose your preferred option.**	not answered
Q13.	**Would you like to comment on our plan for water?**	not answered
Q14.	**Please choose your preferred option.**	Option C: Status quo. Retain the charge at 60 cents per cubic metre, with a fixed charge at $843.54 per connection.
Q15.	**Would you like to comment on volumetric charges?**	not answered
Q16.	**Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.

Q17. **Which hall/facility would you like to comment?**

Clyde Police Lockup
Clyde Railway Station Building
Former Clyde Museum Stables & Goods Shed
Blyth Street Museum, Clyde
Clyde Hall
Former Clyde Briar & Herb factory, and cottage
Other

Q18. **Would you like to comment on the Ophir Hall?**

not answered

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

Clyde Museum is the current owner of the Police Lockup. The museum would like to relocate this historic building to the rose garden area at the Blyth St Clyde Museum Site.

Q21. **Would you like to comment on the Clyde Railway Station Building?**

I oppose divestment of this heritage building and support SheBikesHeBikes continuation as a tenant, and the Clyde Museum continuing to have a presence in the building.

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

I oppose divestment of the Goods Shed, located within the Council Reserve area in Clyde. The Clyde Museum relies on this historic building for collection storage. The museum requests a similar long-term lease agreement as recommended for the Blyth St Museum. If the goods shed were to be divested, the museum requests the right of first refusal (ROFR) on purchasing this building.

Q23. **Would you like to comment on Blyth Street Museum, Clyde?**

I oppose divestment of the Clyde Historical Museum at 5 Blyth Street. I strongly recommend that the museum continues to operate at this site under a long-term lease agreement (preferably 10 + 10 + 10 years). This arrangement would provide the long-term security and certainty needed for the museum's sustainable future. • Ensuring a Fit for Purpose Facility: Under a long-term lease agreement, the Clyde Museum would anticipate an agreed approach by Council to covering ongoing capital expenses to ensure the building is fit for purpose. Improvements to heating, electrical upgrades and improvements to toilet facilities would help create a warm, safe and welcoming all-year-round facility. • Equitable Support and Funding: Clyde Museum requests parity with other Central Otago museums in receiving annual operational funding as a budgeted line item within the CODC budget. This request is grounded in Council's resolution passed at the meeting on 30 October 2024. • Right of First Refusal: If a decision is made by Council to divest the Clyde Museum on Blyth Street, I request that the museum should have the right of first refusal (ROFR) to acquire for a $1 payment.

Q24. **Would you like to comment on Clyde Hall?**

I oppose divestment of this well-used community facility.

Q25. **Would you like to comment on Becks Hall?**

not answered

Q26. Would you like to comment on Vallance Cottage?

not answered

Q27. Would you like to comment on the Riding for the Disabled?

not answered

Q28. Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?

Before any divestment decision is made regarding the buildings, a review is required to clarify the ownership of the land upon which both the rented cottage and the historic Holden's Cottage are located.

Q29. Would you like to comment on the Ranfurly Hall?

not answered

Q30. Would you like to comment on the Naseby Hall?

not answered

Q31. Would you like to comment on the Patearoa Hall?

not answered

Q32. Would you like to comment on the Waipiata Hall?

not answered

Q33. Would you like to comment on the Wedderburn Hall?

not answered

Q34. Would you like to comment on the Millers Flat Hall?

not answered

Q35. Would you like to comment on the Millers Flat Bowling Club?

not answered

Q36. Would you like to comment on the Roxburgh Squash Court Building?

not answered

Q37. Would you like to comment on the Fenton Library?

not answered

Q38. Would you like to comment on the Naseby General Store?

not answered

Q39. Would you like to comment on another hall or facility?

I strongly recommend that CODC develops a comprehensive facilities strategy to ensure a more coordinated, efficient, and future-focused approach to the management, use and investment in Council-owned buildings and spaces.

Q40. **Would you like to comment on the Centennial Milk Bar?**

not answered

Q41. **Would you like to comment on the Ranfurly Service Centre?**

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?** not answered

Q44. **Which option do you prefer?** not answered

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

not answered

Q46. **Which option do you prefer?** not answered

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

not answered

Q48. **Which option do you prefer?** not answered

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?** Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

not answered

Q52. **Which option do you prefer?** not answered

not answered

Q34. Would you like to comment on the Millers Flat Hall?

not answered

Q35. Would you like to comment on the Millers Flat Bowling Club?

not answered

Q36. Would you like to comment on the Roxburgh Squash Court Building?

not answered

Q37. Would you like to comment on the Fenton Library?

not answered

Q38. Would you like to comment on the Naseby General Store?

not answered

Q39. Would you like to comment on another hall or facility?

I have not been specific as if i did i would automatically choose Vincent Ward Hall. We need to trust the council to choose which are specific and strategic for the whole CODC

Q40. Would you like to comment on the Centennial Milk Bar?

not answered

Q41. Would you like to comment on the Ranfurly Service Centre?

not answered

Q42. Would you like to comment on the Wallace Memorial Rooms?

not answered

Q43. Would you like to upload any supporting documents about halls and facilities? not answered

Q44. Which option do you prefer? Option B: Do not support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?

need to relieve fare of the impending financial pressures on CODC

Q46. Which option do you prefer? Option B: Retain the outdoor pool in Alexandra.

Q47. Would you like to provide comments on the Alexandra outdoor pool?

It would therefore be a community and visitors asset during the summer months taking the pressure off the main pool

Q48. **Which option do you prefer?**	Option B: Provide additional funding of up to $1.6 million, loan funded over a period of 10 years.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

Allows reserves to be kept for a more important rainy day - ____ require payback and ownership of project by local community

Q50. **Which option do you prefer?**	Option B: Agree to provide a $250,000 grant funded through a promotions rate.

Q51. **Would you like to provide comments on the Supercars Championship?**

In my opinion such an option fosters ownership and not 'oh govt' will provide for us in everything

Q52. **Which option do you prefer?**	Option B: Provide a $200,000 grant loan funded over a period of 10 years.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

again such option frees reserves for a rainy day and fosters ownership

Q54. **Which option do you prefer?**	Option B: Provide a $300,000 grant loan funded over a period of 10 years

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

again such option frees reserves for a rainy day and fosters ownership

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

no, not really my area of expertise - leave it to those for whom it is

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

Only that progress and information + feedback is fostered through cODC press. Good communication is vital!

Q58. **Would you like to upload any supporting documents?**	not answered
Q59. **How did you hear about this engagement opportunity? You may tick more than one.**	The News - Central Otago **Other (please specify)** Alexandra pool

Q12. **Please choose your preferred option.**	Option B: Status quo. Water services continue to be owned, maintained and delivered by Council.
Q13. **Would you like to comment on our plan for water?**	not answered
Q14. **Please choose your preferred option.**	Option B: Increase the volumetric charge to $1.80 per cubic metre, with the fixed charge at $639.24 per connection.
Q15. **Would you like to comment on volumetric charges?**	not answered
Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.
Q17. **Which hall/facility would you like to comment?**	Clyde Hall

Q18. Would you like to comment on the Ophir Hall?

not answered

Q19. Would you like to comment on the Poolburn Hall?

not answered

Q20. Would you like to comment on the Clyde Police Lockup?

not answered

Q21. Would you like to comment on the Clyde Railway Station Building?

not answered

Q22. Would you like to comment on the Former Clyde Museum Stables & Goods Shed?

not answered

Q23. Would you like to comment on Blyth Street Museum, Clyde?

not answered

Q24. Would you like to comment on Clyde Hall?

Many of these I cannot comment on because I only use Clyde & Alex facilities. Clyde Hall This is a central meeting point. It offers shows and functions to the community and no other facility exists to replace this. It has a good layout and excellent location.

Q25. Would you like to comment on Becks Hall?

not answered

Q26. Would you like to comment on Vallance Cottage?

not answered

Q27. Would you like to comment on the Riding for the Disabled?

not answered

Q28. Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?

not answered

Q35. **Would you like to comment on the Millers Flat Bowling Club?**

not answered

Q36. **Would you like to comment on the Roxburgh Squash Court Building?**

not answered

Q37. **Would you like to comment on the Fenton Library?**

not answered

Q38. **Would you like to comment on the Naseby General Store?**

not answered

Q39. **Would you like to comment on another hall or facility?**

not answered

Q40. **Would you like to comment on the Centennial Milk Bar?**

not answered

Q41. **Would you like to comment on the Ranfurly Service Centre?**

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?** — not answered

Q44. **Which option do you prefer?** — Option B: Do not support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

This pool is hard to get to and use by anyone other than Roxburgh residents

Q46. **Which option do you prefer?** — Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

- Alex has a growing community - Pool use in alex is for swimming, kayaking and play - At all times of year the indoor pool is very busy and this summer while open the outdoor pool was busy - only reduced usage due to staff low levels - Put alex on the map with ice swimming - alex is marketed as an outdoor place

Q48. **Which option do you prefer?** not answered

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?** Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

This is a private facility/business people encouraged to the district will use QTN/QLDC facilities for accommodation, eating, travel etc Benefit and returns will not be made by CODC business. It is a day trip location from QTN

Q52. **Which option do you prefer?** Option C: Do not support

Q53. **Would you like to provide comments on the Artificial Turf at Manlototo Area School?**

provide a bus service to use central facility

Q54. **Which option do you prefer?** Option B: Provide a $300,000 grant loan funded over a period of 10 years

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

Dunstan has a large community and smaller areas can use this too

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q1. **I'm registered for Let's Talk**	No. Please complete the demographic questions below.
Q2. **First name**	Sue
Q3. **Last name**	Harris
Q4. **Email address**	[redacted]
Q5. **What is your connection to the Central Otago District?**	I'm a Central Otago District ratepayer
Q6. **Where do you live?**	Vincent Ward (Alexandra and surrounds)
Q7. **What year were you born?**	[redacted]
Q8. **What gender do you identify with most?**	[redacted]
Q9. **I am submitting**	as an individual
Q10. **Do you want to speak to your submission at a formal meeting?**	no
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	Option B: Status quo. Water services continue to be owned, maintained and delivered by Council.

Q13. **Would you like to comment on our plan for water?**

not answered

Q14. **Please choose your preferred option.**	Option B: Increase the volumetric charge to $1.80 per cubic metre, with the fixed charge at $639.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

I'd be happy with B option AS LONG AS OUR RATES REDUCE BY THE $200 WHEN OUR WATER CHARGE TRIPLES!

Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.

Q17. **Which hall/facility would you like to comment?**

Clyde Hall
Becks Hall
Vallance Cottage

Q18. **Would you like to comment on the Ophir Hall?**

not answered

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

not answered

Q21. **Would you like to comment on the Clyde Railway Station Building?**

not answered

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

not answered

Q23. **Would you like to comment on Blyth Street Museum, Clyde?**

not answered

Q24. **Would you like to comment on Clyde Hall?**

Not really - only wish to say that the ones I have ticked are part of their respective community and should be kept and maintained by the council

Q25. **Would you like to comment on Becks Hall?**

not answered

Q26. **Would you like to comment on Vallance Cottage?**

not answered

Q27. **Would you like to comment on the Riding for the Disabled?**

not answered

Q28. **Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?**

not answered

Q29. **Would you like to comment on the Ranfurly Hall?**

not answered

Q30. **Would you like to comment on the Naseby Hall?**

not answered

Q31. **Would you like to comment on the Patearoa Hall?**

not answered

Q32. **Would you like to comment on the Waipiata Hall?**

not answered

Q33. **Would you like to comment on the Wedderburn Hall?**

Q35. **Would you like to comment on the Millers Flat Bowling Club?**

not answered

Q36. **Would you like to comment on the Roxburgh Squash Court Building?**

not answered

Q37. **Would you like to comment on the Fenton Library?**

not answered

Q38. **Would you like to comment on the Naseby General Store?**

not answered

Q39. **Would you like to comment on another hall or facility?**

not answered

Q40. **Would you like to comment on the Centennial Milk Bar?**

not answered

Q41. **Would you like to comment on the Ranfurly Service Centre?**

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?** — not answered

Q44. **Which option do you prefer?** — Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

Other pools in our district are owned and run by CODC, why not include Roxburgh?

Q46.	**Which option do you prefer?**	Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

I understand the outdoor pool is closed at present due to lack of staff - get more staff! our outdoor pool is a great asset - maintain it and keep it running.

Q48.	**Which option do you prefer?**	not answered

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

Omakau hall is not included in the list earlier - is that because the CODC were saving money and didn't deal with the maintenance when needed? If there are sufficient 'Vincent reserves' use them to assist with the community hub otherwise 10 year loan

Q50.	**Which option do you prefer?**	Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

not answered

Q52.	**Which option do you prefer?**	Option C: Do not support

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

If Maniototo Area School need (or want) artificial turf, surly the school or education dept should supply it not local rate payers

Q54.	**Which option do you prefer?**	Option C: Do not support

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

If Dunstan H/S need (or want) artificial turf, surly the school or education dept should supply it not local rate payers

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

CODC would be far better supporting many of these facilities than giving $250k to Cromwell race car track. The race track has a multi-millionaire owner. Let him put up whatever finance is needed.

Q58.	**Would you like to upload any supporting documents?**	not answered

Q12. **Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.

Q13. **Would you like to comment on our plan for water?**

I cannot see how combining with other councils can make delivery of water more efficient, so I am against that option. Also I am concerned about the initial set up cost from a CCO

Q14. **Please choose your preferred option.**	Option A: Increase the volumetric charge to $2.40 per cubic metre, with the fixed charge of $509.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

I would prefer to see the fixed charge dropped altogether and go to a straight user pay system - however new connections should pay a one off charge to connect (say $2 - $5000

Q16. **Please select your preferred option.**	Option A: Divest all of the community halls listed (highlighted in green above).
Q17. **Which hall/facility would you like to comment?**	not answered

Q18. Would you like to comment on the Ophir Hall?

not answered

Q19. Would you like to comment on the Poolburn Hall?

not answered

Q20. Would you like to comment on the Clyde Police Lockup?

not answered

Q21. Would you like to comment on the Clyde Railway Station Building?

not answered

Q22. Would you like to comment on the Former Clyde Museum Stables & Goods Shed?

not answered

Q23. Would you like to comment on Blyth Street Museum, Clyde?

not answered

Q24. Would you like to comment on Clyde Hall?

not answered

Q25. Would you like to comment on Becks Hall?

not answered

Q26. Would you like to comment on Vallance Cottage?

not answered

Q27. Would you like to comment on the Riding for the Disabled?

not answered

Q28. Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?

not answered

Q29. Would you like to comment on the Ranfurly Hall?

not answered

Q30. Would you like to comment on the Naseby Hall?

not answered

Q31. Would you like to comment on the Patearoa Hall?

not answered

Q32. Would you like to comment on the Waipiata Hall?

not answered

Q33. Would you like to comment on the Wedderburn Hall?

not answered

Q34. Would you like to comment on the Millers Flat Hall?

not answered

Q35. Would you like to comment on the Millers Flat Bowling Club?

not answered

Q36. Would you like to comment on the Roxburgh Squash Court Building?

not answered

Q37. Would you like to comment on the Fenton Library?

not answered

Q38. Would you like to comment on the Naseby General Store?

not answered

Q39. Would you like to comment on another hall or facility?

not answered

Q40. Would you like to comment on the Centennial Milk Bar?

not answered

Q41. Would you like to comment on the Ranfurly Service Centre?

not answered

Q42. Would you like to comment on the Wallace Memorial Rooms?

not answered

Q43. Would you like to upload any supporting documents about halls and facilities? not answered

Q44. Which option do you prefer? Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?

Can the costs for running the pool not be shared between council and the Roxburgh community

Q46. Which option do you prefer? Option A: Close and decommission the outdoor pool in Alexandra.

Q47. Would you like to provide comments on the Alexandra outdoor pool?

No longer necessary

Q48.	**Which option do you prefer?**	Option A: Provide additional funding of up to $1.6 million towards the construction of the Manuherekia Valleys Community Hub, funded from Vincent General Reserves.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50.	**Which option do you prefer?**	Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

This is a business & should stand on its own feet

Q52.	**Which option do you prefer?**	Option B: Provide a $200,000 grant loan funded over a period of 10 years.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

It is important to have good sports facilities at schools

Q54.	**Which option do you prefer?**	Option B: Provide a $300,000 grant loan funded over a period of 10 years

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

not answered

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

Your comment under significance and engagement policy "including steps council has taken to increase Maori participation is ridiculous. If you do this you should also be doing it for Phillipinos, Indians and islanders who live on our area council needs to be careful not to become racist

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q58.	**Would you like to upload any supporting documents?**	not answered
Q59.	**How did you hear about this engagement opportunity? You may tick more than one.**	Cromwell Bulletin

not answered

Q30. **Would you like to comment on the Naseby Hall?**

not answered

Q31. **Would you like to comment on the Patearoa Hall?**

Built by the Patearoa Community in 1906 Many in the rural area pay a lot of rate money don't get much for their investment - no council water Ranfurly, no sewage disposal, no wastewater help and no rubbish removal. Our two farms pay atrociously $20,000 each and get roads resurfaced up with the grades tow or three times per year. Why can't council use some of our state money to maintain community assets that council did not ____ in the first lease Patearoa needs its hall. Its used for weddings, birthdays, parties, funerals, shorts events and meetings. The toilets are an asset, mainly used by people coming through the village. Council should consider increasing its contribution to maintaining this service. ' In the short term, the hall needs earthquake strengthening to last for at least the next twenty years. I look after the hall, take bookings, and make sure it is clean.

Q32. **Would you like to comment on the Waipiata Hall?**

not answered

Q33. **Would you like to comment on the Wedderburn Hall?**

not answered

Q34. **Would you like to comment on the Millers Flat Hall?**

Q15. **Would you like to comment on volumetric charges?**	not answered
Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.
Q17. **Which hall/facility would you like to comment?**	Naseby Hall Naseby General Store

Q18. Would you like to comment on the Ophir Hall?

not answered

Q19. Would you like to comment on the Poolburn Hall?

not answered

Q20. Would you like to comment on the Clyde Police Lockup?

not answered

Q21. Would you like to comment on the Clyde Railway Station Building?

not answered

Q22. Would you like to comment on the Former Clyde Museum Stables & Goods Shed?

not answered

Q23. Would you like to comment on Blyth Street Museum, Clyde?

not answered

Q24. Would you like to comment on Clyde Hall?

not answered

Q25. Would you like to comment on Becks Hall?

not answered

Q26. Would you like to comment on Vallance Cottage?

not answered

Q27. Would you like to comment on the Riding for the Disabled?

not answered

Q28. Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?

not answered

Q29. Would you like to comment on the Ranfurly Hall?

not answered

Q30. Would you like to comment on the Naseby Hall?

As its name implies, it is a hall for the town and should remain so. It is historic being officially opened on 10th march 1875. It is the only building large enough to cater for ANZAC day services and for funerals which are more and more being held in halls. Visitors to Naseby are increasingly amazed that we have retained our old buildings making the town the unique little place it is and should remain.

Q31. Would you like to comment on the Patearoa Hall?

not answered

Q32. Would you like to comment on the Waipiata Hall?

not answered

Q33. Would you like to comment on the Wedderburn Hall?

not answered

Q34. Would you like to comment on the Millers Flat Hall?

not answered

Q35. Would you like to comment on the Millers Flat Bowling Club?

not answered

Q36. Would you like to comment on the Roxburgh Squash Court Building?

not answered

Q37. Would you like to comment on the Fenton Library?

not answered

Q38. Would you like to comment on the Naseby General Store?

The store is a facility that his vital to the town. With and ever increasing holiday population the need for the store continues to increase. The Naseby Borough Council saw this need as vital when they set the store up as an affordable facility for a business to own and the CODC need to stand by this and ensure the store remains in the CODC ownership. The borough was promised it would be better off with amalgamation. It won't be if our store is sold.

Q39. Would you like to comment on another hall or facility?

not answered

Q40. Would you like to comment on the Centennial Milk Bar?

not answered

Q41. Would you like to comment on the Ranfurly Service Centre?

not answered

Q42. Would you like to comment on the Wallace Memorial Rooms?

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

not answered

Q54. **Which option do you prefer?** not answered

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

not answered

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

Ranfurly re the Fenton Library, Town Hall, Centennial Milk Bar. Ranfurly service centre, Wallace Memorial rooms - these buildings are all an important iatrical part of our Maniototo community. By selling these, the town will lose its very useful facilities and its character and history and become some sort of ghost town. It has lost enough already.

Q58. **Would you like to upload any supporting documents?** not answered

Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.
Q13. **Would you like to comment on our plan for water?**	not answered
Q14. **Please choose your preferred option.**	Option B: Increase the volumetric charge to $1.80 per cubic metre, with the fixed charge at $639.24 per connection.
Q15. **Would you like to comment on volumetric charges?**	not answered
Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.
Q17. **Which hall/facility would you like to comment?**	Ophir Hall

Q18. **Would you like to comment on the Ophir Hall?**

Needs to stay operational and have hep with expenses from council. Ophir township has always looked after its community in my 52 years of residency - meetings and events have kept the hall what it is - community working bees - working together for the greater good. Ophir township community will die without it. Ophir peace memorial hall - has been around for 100 years has heritage - heart of the community with many pleasurable functions - well maintained by community and help with fundraising - really cannot see myself going across the river to attend the Omakau hubb for pot luck tea et - also would not be able to walk home if i did so - just not the same ambiance - I consider it well used with many functions - also where our civil defence centre is

Q1.	**I'm registered for Let's Talk**	No. Please complete the demographic questions below.
Q2.	**First name**	Chris
Q3.	**Last name**	Wignall
Q4.	**Email address**	[redacted]
Q5.	**What is your connection to the Central Otago District?**	I'm a Central Otago District ratepayer
Q6.	**Where do you live?**	Vincent Ward (Alexandra and surrounds)
Q7.	**What year were you born?**	[redacted]
Q8.	**What gender do you identify with most?**	[redacted]
Q9.	**I am submitting**	as an individual
Q10.	**Do you want to speak to your submission at a formal meeting?**	no
Q11.	**Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12.	**Please choose your preferred option.**	Option B: Status quo. Water services continue to be owned, maintained and delivered by Council.

Q13. **Would you like to comment on our plan for water?**

I fail to see how we can make a decision without having all the facts. Until such time as you can give full costings for the setting up of a Council Controlled Organisation I think we should retain the status quo. Either way it is a huge increase in water charges on the ratepayers. May not be classed as rates but never the less is a huge increase which most would look at as being a part of our rating.

Q14.	**Please choose your preferred option.**	Option C: Status quo. Retain the charge at 60 cents per cubic metre, with a fixed charge at $843.54 per connection.

Q15. **Would you like to comment on volumetric charges?**

Increase is far to much and will place an even heavier burden on ratepayers. I realise it isn't cheap to process water but a jump from .60c to $2.40 daylight robbery. The availability I can't see being a problem. We have a huge river running through Central which is running out to sea. Why waste it when it can be used to our advantage.

Q16. **Please select your preferred option.**	Option A: Divest all of the community halls listed (highlighted in green above).
Q17. **Which hall/facility would you like to comment?**	not answered

Q18. **Would you like to comment on the Ophir Hall?**

not answered

Q19. **Would you like to comment on the Poolburn Hall?**

Q43. **Would you like to upload any supporting documents about halls and facilities?** not answered

Q44. **Which option do you prefer?** not answered

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

not answered

Q46. **Which option do you prefer?** Option A: Close and decommission the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

not answered

Q48. **Which option do you prefer?** not answered

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?** Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

This should not be funded through rates. I fail to see how the average ratepayer is going to benefit and if it's that profitable let private enterprise cough up the necessary funding.

Q52. **Which option do you prefer?** Option B: Provide a $200,000 grant loan funded over a period of 10 years.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

not answered

Q54. **Which option do you prefer?** Option B: Provide a $300,000 grant loan funded over a period of 10 years

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

not answered

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

I feel Council really must make an effort to do the basics well and cut out any unnecessary spending. Rates have got out of control over the past few years and we don't see any more for what we're paying. Ratepayers are not a bottomless pit where revenue can be taken at a whim.

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q44. Which option do you prefer?	Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

The following excert is from the minutes of the Roxburgh Pool Committee's special meeting held on 18th November 2024. Motion for divesting the Ida Macdonald Roxburgh Pool Punawai Ora to the Central Otago District Council Motion: That the Ida Macdonald Roxburgh Pool Punawai Ora Committee agrees to transfer ownership and management of the pool to the Central Otago District Council. To align with the Central Otago District Council 2025 Long Term Plan. Rational: Sustainability – The management and maintenance of the pool has become increasingly challenging in terms of costs and resources. The Council is better equipped to manage these operational needs. Community Access – By transferring ownership to the council, the pool remains accessible to the wider community, enhancing its value as a shared resource. Future Proofing – The Council has a capacity to invest in upgrades and ensure long-term sustainability of the pool facility. Resolution: The Ida Macdonald Roxburgh Pool Punawai Ora Committee is requesting the support of the Teviot Valley Community Board for the divestment of the Roxburgh Swimming Pool and its assets to the Central Otago District Council. Motion of divesting the Ida Macdonald Roxburgh Pool Punawai Ora be adopted. [R Kristel, S Feinerman] [carried] Additional information below from a Pool Public Notice Flyer The Roxburgh pool was initially owned by the Roxburgh Borough Council, then the Central Otago District Council's Teviot Valley Community Board. The day to day running of the pool was done by the Roxburgh swimming club. (Alan McIntosh, Rick Kristel) A realization that the pool was coming to the end of it's life, the community was consulted on the need for a new pool and what that might look like. A community group was formed and came up with the option of a large indoor pool complex on a larger site in the town. The Community Board came to the conclusion that an indoor year-round pool complex was beyond what the relatively small community of the Teviot valley could afford. The CODC's Aquatics Manager tabled a report at a Teviot Valley Community Board meeting, and in that report recommended that the existing Roxburgh pool be shut down due to its end of life condition. The Community group put forward a proposal where a pool committee be set up to continue to run the pool . In that proposal it also recommended that the pool committee be set up to operate as a Roxburgh Area School Board of Trustees subcommittee. With the support of the Teviot Valley Community Board and the Roxburgh Area School's Board of Trustees, in 2012 the old pool was leased to the Roxburgh Area School and was run for several years by the Pool Committee for the community with a Community Board Grant of $13000.00 pa. During this time the Board of Trustees also set up a small committee with the help of Community Board members to looked at the option of a new outdoor pool on the current site. The School Board of Trustees decided that it was to big a community project for them, so the current Punawai Ora Roxburgh Pool Inc Committee was formed. This $3 million plus facility would not have got off the ground without the initial $500K from the Community Board,($250K as a Grant, and $250K as a loan) this was consulted on in the last LTP. The Community Board would not have been able to afford to fund a new pool in Roxburgh, but the Committee with the help of the wider community and large outside funders was able to. The two biggest risks the Roxburgh Pool Committee faces is 1. Not being able to cover depreciation to cover repairs and maintenance that will inevitably come. And 2. Health and Safety regulations and liability that the committee of volunteer's face if something goes wrong. Council has both of these covered, as well as better community access by having lifeguards on site.

Q43. **Would you like to upload any supporting documents about halls and facilities?** not answered

Q44. **Which option do you prefer?** Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

not answered

Q46.	**Which option do you prefer?**	Option A: Close and decommission the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

There is a great indoor pool here, similar to Cromwell which does not have an outdoor pool.

Q48.	**Which option do you prefer?**	Option A: Provide additional funding of up to $1.6 million towards the construction of the Manuherekia Valleys Community Hub, funded from Vincent General Reserves.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50.	**Which option do you prefer?**	Option A: Agree to provide a $250,000 grant funded through the tourism reserves.

Q51. **Would you like to provide comments on the Supercars Championship?**

Good for Tourism.

Q52.	**Which option do you prefer?**	Option A: Provide a $200,000 grant, rate funded in the 2026/27 financial year.

Q53. **Would you like to provide comments on the Artificial Turf at Manlototo Area School?**

not answered

Q54.	**Which option do you prefer?**	Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

not answered

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q24. Would you like to comment on Clyde Hall?

Smallbore shooting is an international sport with several thousand participants and represented at the Olympic and Commonwealth games. As there is no segregation between sexes or age, this is a truly universal sport enjoyed by many. Central Otago used to have numerous ranges built into most public halls. The indoor ranges at Naseby, Becks, Lauder Omakau, Alexandra, Roxburgh, Millers Flat, Cromwell and Wanaka have all closed. The Central Otago Smallbore Rifle Association Incorporated was formed as a result of the recent changes to the legislation for shooting clubs. Due to the new cost of certifying and approval of ranges, only the Clyde, Gimmerburn and Hyde ranges. The Clyde Hall is regularly used every wednesday by the members of the Clyde smallbore club. It is an approved venue for district and South Island competitions. The nearest alternative venues are Dunedin and Invercargill. The Air Training Corps are also regular users of this hall. They meet every Thursday. The indoor range we maintain is the only facility available to them in this region. Shooting sports teach firearm safety, self awareness and discipline. It is essential that the Clyde hall remains in public ownership to ensure these facilities remain available to the youth of this district.

Q3. **Last name**	McArthur
Q4. **Email address**	[redacted]
Q5. **What is your connection to the Central Otago District?**	I live in the district
Q6. **Where do you live?**	Vincent Ward (Alexandra and surrounds)
Q7. **What year were you born?**	[redacted]
Q8. **What gender do you identify with most?**	[redacted]
Q9. **I am submitting**	as an individual
Q10. **Do you want to speak to your submission at a formal meeting?**	no
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.

Q13. **Would you like to comment on our plan for water?**

not answered

Q14. **Please choose your preferred option.**	Option A: Increase the volumetric charge to $2.40 per cubic metre, with the fixed charge of $509.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

No problem with this except that reductions need to be made for sports clubs and other organisations where the public use the facility. Otherwise renting of premises would add additional expenses for the sports clubs simply by the number of people using toilet facilities etc.

Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.

Q17. **Which hall/facility would you like to comment?**

Clyde Railway Station Building
Blyth Street Museum, Clyde
Clyde Hall

Q18. **Would you like to comment on the Ophir Hall?**

not answered

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

not answered

Q21. **Would you like to comment on the Clyde Railway Station Building?**

As long as the rental provides sufficient funds for maintenance why dispose of it ?

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

not answered

Q23. **Would you like to comment on Blyth Street Museum, Clyde?**

This museum is quite unique and should be retained.

Q24. **Would you like to comment on Clyde Hall?**

It seems to be used extensively, perhaps increase rents to user pays?

Q25. **Would you like to comment on Becks Hall?**

not answered

Q26. **Would you like to comment on Vallance Cottage?**

not answered

Q27. **Would you like to comment on the Riding for the Disabled?**

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?** not answered

Q44. **Which option do you prefer?** Option B: Do not support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

Staffing issues are not going to change with a change in ownership. While it is great that the community raised funding to build the pool, it obviously didn't look at the on-going costs associated to operate the pool. As a rate-payer with no pool, I oppose paying for the running of a facility I have no intention of using.

Q46. **Which option do you prefer?** Option A: Close and decommission the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

If it's not being used, close it down. If it is being used, charge the users.

Q48.	**Which option do you prefer?**	Option D: Do not support

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

Omakau is 29km to Alexandra. Use existing facility rather than building a vanity project which will have on-going costs

Q50.	**Which option do you prefer?**	Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

Maybe the QLDC should be supporting the event, as it will be the hospitality businesses in Queenstown that will benefit. I don't see the large benefit for the wider CODC area.

Q52.	**Which option do you prefer?**	Option C: Do not support

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

The immediate area should pay/fundraise if they want it.

Q54.	**Which option do you prefer?**	Option C: Do not support

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

As above. Not the councils responsibility

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

Stormwater should be paid only by urban rate payers - as a rural rate payer I don't benefit from this so should not pay (Council policy - users benefit)

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

I am a rural ratepayer. I don';t have rubbish collection, water, sewerage, stormwater services. I am 45 minutes to cromwell, so don't regulalry use any council services apart from sports fields for my children. I am not a service business so have no benefit in tourists, where I pay for toilets, promoting cromwell, and a general tourism rate. My total rates bill this year is $17,187.29. Apart from the running of council and some sports fields, I get rural roads maintained. That is it. For $17 000. This doesn't match with the council policies, that those who benefit from council expenditure should pay. Putting the rates burden on capital/land value unfairly targets those in rural areas. The council needs to re-address this rating imbalance. It should also limit rates increases to the level of inflation, rather than deciding what the council wants then increasing rates to cover the costs. This will bring a keener focus on what is a necessity and what is a "nice to have". Rates cannot increase indefinitely at a rate above levels of income. while the council thinks it is being prudent - if the rate increase is above inflation it ceases to be prudent.

not answered

Q54. **Which option do you prefer?**	Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

Alexandra has the largest number of hockey players in Central Otago. It is vital to have our own turf to continue the growth and development of the players both students and adults. As a parent of 3 hockey players and a team manager, I currently drive to Cromwell 6 days out of 7 for trainings and games. Having a local turf that was full size would allow students to train and play locally. It could be utilized in all seasons developing a year round hockey program.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

Dunstan and Alexandra Hockey club form some of the highest numbers of player participants in the Central Otago Hockey competitions. As a player, Coach and parent involved with this sport I strongly support a purpose built facility that can accommodate trainings and games in Alexandra. This facility would support the growth of hockey in our community as well as providing a Year round facility for other sports in our community

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

As the teacher in charge of Hockey at Dunstan High School I am submitting my support for the development of a turf at Dunstan High School. This facility will support the wellness of students and whānau by providing a Year round facility to engage positive connections and a sense of belonging through sports. While I see this facility being great for Hockey it will also provide a facility to support a much wider and diverse range of sports and activities.

Q41. Would you like to comment on the Ranfurly Service Centre?

not answered

Q42. Would you like to comment on the Wallace Memorial Rooms?

not answered

Q43. Would you like to upload any supporting documents about halls and facilities? not answered

Q44. Which option do you prefer? Option B: Do not support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?

Community should pay

Q46. Which option do you prefer? Option B: Retain the outdoor pool in Alexandra.

Q47. Would you like to provide comments on the Alexandra outdoor pool?

Keep current amenity usable and maybe look at costs to run and admission fees

Q48. Which option do you prefer? Option D: Do not support

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

Do not fund vanity projects and keep rates at inflation rate 2.5%

Q50. **Which option do you prefer?**	Option A: Agree to provide a $250,000 grant funded through the tourism reserves.

Q51. **Would you like to provide comments on the Supercars Championship?**

Need to look at supporting key events that attract visitors to the region.

Q52. **Which option do you prefer?**	Option C: Do not support

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

Under current economic climate stick to must haves not nice to haves and keep rates down

Q54. **Which option do you prefer?**	Option C: Do not support

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

Do not support council needs to concentrate on must haves not nice to haves under current economic climate and keep rates down . Current inflation rate 2.5%

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

Keep fees and charges in line with current inflation rate 2.5%

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

Do not engage with or join QLDC Review membership LGNZ Review staffing levels and remuneration Review council vehicle expenses and use Concentrate on basic services not vanity or cost projects Developers to pay for upgrade to services upfront or by levy Keep rates increase to current inflation rate 2.5% and cut costs to achieve that

Q58. **Would you like to upload any supporting documents?**	not answered
Q59. **How did you hear about this engagement opportunity? You may tick more than one.**	Postcard in the mail

Q1.	**I'm registered for Let's Talk**	No. Please complete the demographic questions below.
Q2.	**First name**	Di
Q3.	**Last name**	Earl
Q4.	**Email address**	[redacted]
Q5.	**What is your connection to the Central Otago District?**	I'm a Central Otago District ratepayer
Q6.	**Where do you live?**	Cromwell Ward
Q7.	**What year were you born?**	[redacted]
Q8.	**What gender do you identify with most?**	[redacted]
Q9.	**I am submitting**	as an individual
Q10.	**Do you want to speak to your submission at a formal meeting?**	no
Q11.	**Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12.	**Please choose your preferred option.**	Option B: Status quo. Water services continue to be owned, maintained and delivered by Council.

Q13. **Would you like to comment on our plan for water?**

Connection cost to high under proposed plan and water rate. Both would need to be reduced to make more attractive option if wanted people buy in. With all other cost increases in living has to remain status quo for now.

Q14.	**Please choose your preferred option.**	Option C: Status quo. Retain the charge at 60 cents per cubic metre, with a fixed charge at $843.54 per connection.

Q15. **Would you like to comment on volumetric charges?**

With all other cost of living increases needs to stay status quo. Other options only viable if connection fee at lot more reduced and water rate not increased so exponentially.

Q16.	**Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.

Q2.	**First name**	Emma
Q3.	**Last name**	Stratford
Q4.	**Email address**	[redacted]
Q5.	**What is your connection to the Central Otago District?**	I'm a Central Otago District ratepayer
Q6.	**Where do you live?**	Vincent Ward (Alexandra and surrounds)
Q7.	**What year were you born?**	[redacted]
Q8.	**What gender do you identify with most?**	[redacted]
Q9.	**I am submitting**	as an individual
Q10.	**Do you want to speak to your submission at a formal meeting?**	no
Q11.	**Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12.	**Please choose your preferred option.**	Option B: Status quo. Water services continue to be owned, maintained and delivered by Council.

Q13. **Would you like to comment on our plan for water?**

Don't have any faith in QLDC do however see benefit of joining with other councils if needed just not QLDC

Q14.	**Please choose your preferred option.**	Option B: Increase the volumetric charge to $1.80 per cubic metre, with the fixed charge at $639.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

not answered

Q16.	**Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.

Q17. **Which hall/facility would you like to comment?**

Ophir Hall
Becks Hall
Riding for the Disabled

Q18. **Would you like to comment on the Ophir Hall?**

I go to gym classes weekly at this hall and enjoy concerts movies and community events here

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

not answered

Q21. **Would you like to comment on the Clyde Railway Station Building?**

not answered

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

not answered

Q23. **Would you like to comment on Blyth Street Museum, Clyde?**

not answered

Q24. **Would you like to comment on Clyde Hall?**

not answered

Q25. **Would you like to comment on Becks Hall?**

I also go to community gym classes at this hall and enjoy community events here. Without these halls where would the community meet. People would become disconnected and lonely.

Q26. **Would you like to comment on Vallance Cottage?**

not answered

Q27. **Would you like to comment on the Riding for the Disabled?**

A great option for our community I work with a young boy with autism and he thoroughly enjoys his weekly riding for the disabled outing.

Q28. **Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?**

not answered

Q29. **Would you like to comment on the Ranfurly Hall?**

not answered

Q30. **Would you like to comment on the Naseby Hall?**

not answered

Q31. **Would you like to comment on the Patearoa Hall?**

not answered

Q32. **Would you like to comment on the Waipiata Hall?**

not answered

Q33. **Would you like to comment on the Wedderburn Hall?**

not answered

Q34. **Would you like to comment on the Millers Flat Hall?**

not answered

Q35. **Would you like to comment on the Millers Flat Bowling Club?**

not answered

Q36. **Would you like to comment on the Roxburgh Squash Court Building?**

not answered

Q37. **Would you like to comment on the Fenton Library?**

not answered

Q38. **Would you like to comment on the Naseby General Store?**

not answered

Q39. **Would you like to comment on another hall or facility?**

not answered

Q40. **Would you like to comment on the Centennial Milk Bar?**

not answered

Q41. **Would you like to comment on the Ranfurly Service Centre?**

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?** not answered

Q44. **Which option do you prefer?** Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

not answered

Q46.	**Which option do you prefer?**	Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

not answered

Q48.	**Which option do you prefer?**	Option B: Provide additional funding of up to $1.6 million, loan funded over a period of 10 years.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50.	**Which option do you prefer?**	Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

not answered

Q52.	**Which option do you prefer?**	Option A: Provide a $200,000 grant, rate funded in the 2026/27 financial year.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

Hockey is the most popular sport in central Otago. Kids are playing and practicing at awful times as there is not enough turf space. Know of some families that only get home from hockey after 10 at night. We get home around 9pm. This is a week night then the kids have to get up and go to school the following day. Terrible logistics for the coaches and hockey volunteers to manage.

Q54.	**Which option do you prefer?**	Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

Would take pressure off other courts for games and practices

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

not answered

Q23. Would you like to comment on Blyth Street Museum, Clyde?

not answered

Q24. Would you like to comment on Clyde Hall?

We are so lucky to have 3 active theatre groups in central otago. AMS, Waiata and Clyde theatre group. Waiata and Clyde theatre group use the Clyde Hall for their productions. I have spoken to people from Wanaka who don't have the same theatre culture in their town and travel to central to be part of productions. It would be a real shame to put make it harder for these groups to put on productions. Is there an alternative for these theatre groups if Clyde Hall goes? The memorial theatre doesn't work as well, it doesn't have the same intimate feel and requires microphones which means the shows quality really relies on sound technicians being good at what they do. I know there are a group of people proposing a new multi purpose facility that would suit all the theatre groups. Is the memorial theatre still fit for purpose? In summary please consult theatre groups!! Our theatre groups are a real asset to such a small community that lots of other communities don't have and are really important to a lot of people, me included. We don't want to put barriers in the way of these groups operating.

Q43. Would you like to upload any supporting documents about halls and facilities?	not answered
Q44. Which option do you prefer?	Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?

not answered

Q46. Which option do you prefer?	Option B: Retain the outdoor pool in Alexandra.

Q47. Would you like to provide comments on the Alexandra outdoor pool?

not answered

Q48.	**Which option do you prefer?**	Option A: Provide additional funding of up to $1.6 million towards the construction of the Manuherekia Valleys Community Hub, funded from Vincent General Reserves.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

All community hubs are essential to provide physical spaces and support for various community groups.

Q50.	**Which option do you prefer?**	Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

In a time where finances are tight, I prefer funding to go to community groups which support struggling families.

Q52.	**Which option do you prefer?**	Option C: Do not support

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

Local councils should not be funding what is essentially school equipment. Other schools have managed to gain funding for large projects through the Ministry of Education and community funding. There are many CO schools which would also benefit from large Council grants - but additional rate funding at this time should not be considered.

Q54.	**Which option do you prefer?**	Option C: Do not support

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

As above for Maniototo.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q1.	**I'm registered for Let's Talk**	Yes. Please skip past the demographic questions and click next at the bottom of the page.
Q2.	**First name**	Val
Q3.	**Last name**	Mcskimming
Q4.	**Email address**	[redacted]
Q5.	**What is your connection to the Central Otago District?**	I'm a Central Otago District ratepayer
Q6.	**Where do you live?**	Maniototo Ward
Q7.	**What year were you born?**	[redacted]
Q8.	**What gender do you identify with most?**	[redacted]
Q9.	**I am submitting**	as an individual
Q10.	**Do you want to speak to your submission at a formal meeting?**	yes
Q11.	**Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	[redacted]
Q12.	**Please choose your preferred option.**	Option B: Status quo. Water services continue to be owned, maintained and delivered by Council.

Q13. Would you like to comment on our plan for water?

Water should be delivered to each area of the Maniototo Distances from the source should not be a disadvantage

Q14.	**Please choose your preferred option.**	Option C: Status quo. Retain the charge at 60 cents per cubic metre, with a fixed charge at $843.54 per connection.

Q15. Would you like to comment on volumetric charges?

not answered

Q16.	**Please select your preferred option.**	Option B: Maintain the current level of support that Council provides for all of the halls and facilities listed above.
Q17.	**Which hall/facility would you like to comment?**	not answered

Q18. Would you like to comment on the Ophir Hall?

not answered

Q19. Would you like to comment on the Poolburn Hall?

not answered

Q20. Would you like to comment on the Clyde Police Lockup?

not answered

Q21. Would you like to comment on the Clyde Railway Station Building?

not answered

Q22. Would you like to comment on the Former Clyde Museum Stables & Goods Shed?

not answered

Q23. Would you like to comment on Blyth Street Museum, Clyde?

not answered

Q24. Would you like to comment on Clyde Hall?

not answered

Q25. Would you like to comment on Becks Hall?

not answered

Q26. Would you like to comment on Vallance Cottage?

not answered

Q27. Would you like to comment on the Riding for the Disabled?

not answered

Q28. Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?

not answered

Q29. Would you like to comment on the Ranfurly Hall?

not answered

Q30. Would you like to comment on the Naseby Hall?

not answered

Q31. Would you like to comment on the Patearoa Hall?

not answered

Q32. Would you like to comment on the Waipiata Hall?

not answered

Q33. Would you like to comment on the Wedderburn Hall?

not answered

Q34. Would you like to comment on the Millers Flat Hall?

not answered

Q35. Would you like to comment on the Millers Flat Bowling Club?

not answered

Q36. Would you like to comment on the Roxburgh Squash Court Building?

not answered

Q37. Would you like to comment on the Fenton Library?

not answered

Q38. Would you like to comment on the Naseby General Store?

not answered

Q39. Would you like to comment on another hall or facility?

not answered

Q40. Would you like to comment on the Centennial Milk Bar?

not answered

Q41. Would you like to comment on the Ranfurly Service Centre?

not answered

Q42. Would you like to comment on the Wallace Memorial Rooms?

not answered

Q43. Would you like to upload any supporting documents about halls and facilities? not answered

Q44. Which option do you prefer? not answered

Q45. Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?

not answered

Q46. Which option do you prefer? not answered

Q47. Would you like to provide comments on the Alexandra outdoor pool?

not answered

Q48. Which option do you prefer? Option D: Do not support

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?** Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

the only area that would benefit from this grant is Cromwell Highlands Park is a very profitable private company This money should be shared evenly to all districts How could this large amount of money be FOUND

Q52. **Which option do you prefer?** Option C: Do not support

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

not answered

Q54. **Which option do you prefer?** Option C: Do not support

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

not answered

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

There is a disproportionate number of buildings in the Maniototo that you have suggested be disestablished This area is ignored by Council on many levels of support and spending and in one publication was not mentioned as being a part of Central Otago DC

Q58. **Would you like to upload any supporting documents?** not answered

Q59. **How did you hear about this engagement opportunity? You may tick more than one.** Radio

Q1.	**I'm registered for Let's Talk**	Yes. Please skip past the demographic questions and click next at the bottom of the page.
Q2.	**First name**	not answered
Q3.	**Last name**	not answered
Q4.	**Email address**	not answered
Q5.	**What is your connection to the Central Otago District?**	not answered
Q6.	**Where do you live?**	not answered
Q7.	**What year were you born?**	not answered
Q8.	**What gender do you identify with most?**	not answered
Q9.	**I am submitting**	as an individual
Q10.	**Do you want to speak to your submission at a formal meeting?**	no
Q11.	**Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12.	**Please choose your preferred option.**	Option B: Status quo. Water services continue to be owned, maintained and delivered by Council.

Q13. **Would you like to comment on our plan for water?**

Regardless of which option is chosen I don't see any benefit for Ratepayers. If option A then there is the cost of setting up and funding a new entity which the Ratepayer (water) will pay plus the the interest on extra debt. You say this will allow CODC to spend more on other things because it's debt is not tied up in 3 Waters provision so now Ratepayers are paying down interest on 2 lots of debt. I can see why a new entity is preferable to CODC as it appears an exercise in making the books look better.

Q14.	**Please choose your preferred option.**	Option A: Increase the volumetric charge to $2.40 per cubic metre, with the fixed charge of $509.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

Are these charges to be transferred to the new CCO should that be established? If so will the chosen option be moot?

Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.
Q17. **Which hall/facility would you like to comment?**	Ophir Hall Clyde Police Lockup Clyde Railway Station Building Blyth Street Museum, Clyde Clyde Hall

Q18. **Would you like to comment on the Ophir Hall?**

Ophir is a small heritage minded community and the Hall is their gathering point.

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

It has nil use because it is inaccessible. If available to the public as part of the museum experience then it is a valuable and interesting part of the community

Q21. **Would you like to comment on the Clyde Railway Station Building?**

Clyde Railway is one of only 2 intact iconic stations on the railway line.It has been substantially restored with public funds and has a good tenant who are happy in their tenancy. Added to that it houses an interesting Railway memorabilia museum. It has the support of Heritage interest groups.

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

not answered

Q23. **Would you like to comment on Blyth Street Museum, Clyde?**

Apart from it's architectural value as a very good example of a public building of it's time it houses the taonga of a community which was the original seat of local governance in the colonial settlement of the area.

Q24. **Would you like to comment on Clyde Hall?**

This is the common meeting area for Clyde and is regularly used. Clydes populating is expanding and community gathering spaces are important.

Q25. **Would you like to comment on Becks Hall?**

not answered

Q26. **Would you like to comment on Vallance Cottage?**

not answered

Q27. **Would you like to comment on the Riding for the Disabled?**

not answered

Q28. **Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?**

not answered

Q29. Would you like to comment on the Ranfurly Hall?

not answered

Q30. Would you like to comment on the Naseby Hall?

not answered

Q31. Would you like to comment on the Patearoa Hall?

not answered

Q32. Would you like to comment on the Waipiata Hall?

not answered

Q33. Would you like to comment on the Wedderburn Hall?

not answered

Q34. Would you like to comment on the Millers Flat Hall?

not answered

Q35. Would you like to comment on the Millers Flat Bowling Club?

not answered

Q36. Would you like to comment on the Roxburgh Squash Court Building?

not answered

Q37. Would you like to comment on the Fenton Library?

not answered

Q38. Would you like to comment on the Naseby General Store?

not answered

Q39. Would you like to comment on another hall or facility?

not answered

Q40. Would you like to comment on the Centennial Milk Bar?

not answered

Q41. Would you like to comment on the Ranfurly Service Centre?

not answered

Q42. Would you like to comment on the Wallace Memorial Rooms?

not answered

Q43. Would you like to upload any supporting documents about halls and facilities? not answered

Q44.	**Which option do you prefer?**	not answered

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

not answered

Q46.	**Which option do you prefer?**	Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

The river is not a safe place to swim and our summers are long and hot. People, particularly children need a safe place for summer water activity

Q48.	**Which option do you prefer?**	not answered

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50.	**Which option do you prefer?**	Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

No, I don't support this but I believe it is irrelevant anyway

Q52.	**Which option do you prefer?**	Option B: Provide a $200,000 grant loan funded over a period of 10 years.

Q53. **Would you like to provide comments on the Artificial Turf at Manlototo Area School?**

not answered

Q54.	**Which option do you prefer?**	Option B: Provide a $300,000 grant loan funded over a period of 10 years

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

not answered

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q12. **Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.

Q13. **Would you like to comment on our plan for water?**

not answered

Q14. **Please choose your preferred option.**	Option A: Increase the volumetric charge to $2.40 per cubic metre, with the fixed charge of $509.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

User pays for what they use

Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.

Q17. **Which hall/facility would you like to comment?**

Ranfurly Hall
Naseby Hall
Wedderburn Hall
Fenton Library
Naseby General Store
Centennial Milk Bar
Wallace Memorial Rooms

Q18. **Would you like to comment on the Ophir Hall?**

not answered

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

not answered

Q21. **Would you like to comment on the Clyde Railway Station Building?**

not answered

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

not answered

Q26. **Would you like to comment on Vallance Cottage?**

not answered

Q27. **Would you like to comment on the Riding for the Disabled?**

not answered

Q28. **Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?**

not answered

Q29. **Would you like to comment on the Ranfurly Hall?**

The hall is used for shows, school presentations and prize givings. The lighting and sound equipment has been improved and maintained by community groups. Needed unless something better is provided.

Q30. **Would you like to comment on the Naseby Hall?**

It is used for funerals, book sales, entertainment, birthdays, reunions, displays. Part of the community.

Q31. **Would you like to comment on the Patearoa Hall?**

not answered

Q32. **Would you like to comment on the Waipiata Hall?**

not answered

Q33. **Would you like to comment on the Wedderburn Hall?**

A simple hall, we are now meeting monthly for coffee morning drop in, great to catch up on all ages. I think we need the opportunity to see what works for our small community.

Q34. **Would you like to comment on the Millers Flat Hall?**

not answered

Q35. **Would you like to comment on the Millers Flat Bowling Club?**

not answered

Q36. **Would you like to comment on the Roxburgh Squash Court Building?**

not answered

Q37. **Would you like to comment on the Fenton Library?**

Used for Radio Station: important for communication in good and rough times

Q38. **Would you like to comment on the Naseby General Store?**

Naseby needs a store, providing a building that can be leased means it is easier to find a proprietor.

Q39. **Would you like to comment on another hall or facility?**

not answered

Q40. **Would you like to comment on the Centennial Milk Bar?**

Art Deco Gallery is a visitor attraction.

Q41. **Would you like to comment on the Ranfurly Service Centre?**

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

It is a good space for meetings, clinics and appointments

Q43. **Would you like to upload any supporting documents about halls and facilities?**

Surely there are other options for the school to raise funds and not view the ratepayers as easy cash

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

No

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

I believe the District Councils have lost sight of why they were formed - to collect rates and provide facilities for the public. They appear to be more keen to follow public forefront - tourism, bike trails Why is it that just about every month there seems to be another high paid position advertised for the CODC? Please take a step back and examine what the basic needs of the area are and what you can provide at a reasonable outlay

Q58. **Would you like to upload any supporting documents?** not answered

Q1.	**I'm registered for Let's Talk**	Yes. Please skip past the demographic questions and click next at the bottom of the page.
Q2.	**First name**	not answered
Q3.	**Last name**	not answered
Q4.	**Email address**	not answered
Q5.	**What is your connection to the Central Otago District?**	I live in the district
Q6.	**Where do you live?**	Cromwell Ward
Q7.	**What year were you born?**	not answered
Q8.	**What gender do you identify with most?**	[redacted]
Q9.	**I am submitting**	as an individual
Q10.	**Do you want to speak to your submission at a formal meeting?**	no
Q11.	**Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12.	**Please choose your preferred option.**	Option B: Status quo. Water services continue to be owned, maintained and delivered by Council.

Q13. **Would you like to comment on our plan for water?**

New sub divisions should pay the full costs of extending and connecting to water services

Q14.	**Please choose your preferred option.**	Option C: Status quo. Retain the charge at 60 cents per cubic metre, with a fixed charge at $843.54 per connection.

Q15. **Would you like to comment on volumetric charges?**

If water was lime free - It would make an increase in volumetric charges more acceptable Sick of lime scale clogging appliances and having to de scale appliances! All commercial operations with the "town" connection should pay the same as very one else

Q16.	**Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.

Q17. **Which hall/facility would you like to comment?** not answered

Q18. **Would you like to comment on the Ophir Hall?**

Q28. **Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?**

not answered

Q29. **Would you like to comment on the Ranfurly Hall?**

I am a member of the Maniototo Theatre group. When we put on a show we use the Ranfurly Town Hall for approximately 9 weeks. As a club we have made significant improvements to the stage and back stage area of the Hall (around $66,000). Our shows are very well received in the district, with audience numbers close to 1000 , our audiences come from far and wide but mainly across the Maniototo district. We see it as an important community event that brings people together to enjoy a night of entertainment. I am also a teacher at Maniototo Area School. We use the Ranfurly Town Hall on a number of occassions e.g. school productions, prize-givings and the Maniototo Speech competitions. It is an important facility for our school. My wish is that the Central Otago District Council retains the Ranfurly Town Hall.

Q30. **Would you like to comment on the Naseby Hall?**

not answered

Q31. **Would you like to comment on the Patearoa Hall?**

not answered

not answered

Q52. **Which option do you prefer?**	Option A: Provide a $200,000 grant, rate funded in the 2026/27 financial year.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

The existing turf and court area at Maniototo Area School urgently need replacing. The courts have multiple trip hazards and are not safe to use. The turf has been very well used over the past 20 years and needs to be upgraded. The turf is used on a daily basis at Maniototo Area School, both during school breaks and PE lessons. It is also heavily utilised by the Maniototo Hockey and Cricket clubs. Junior hockey tournaments are held there as well.

Q54. **Which option do you prefer?**	not answered

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

My submission is not directly related to the key proposals and content of the LTP, but it is in relation to the existence of the new Naseby Wildfire Group that has been established. FENZ have been a key player in driving the establishment of this group, particularly given the forestry that immediately surrounds the Naseby township. We would like the opportunity to provide an outline of what this group is endeavoring to establish in order to protect the community, both human and property, from potential wildfire.

Q34. **Would you like to comment on the Millers Flat Hall?**

I am an active and engaged member of the Millers Flat community and have served on the Millers Flat Hall Committee since 2020. In 2023, I was honoured to take on the role of Chairwoman. As a former student of Millers Flat School, where I attended from Year 1 through to Year 8, I have a deep, lifelong connection to this community. My own child now attends the same school, and as our family continues to grow, we plan for our future children to be part of the school as well. Throughout my childhood, I enjoyed countless hours participating in sports, school performances, and other events at the hall—experiences I now share with my own family. Over the years, I've attended numerous significant life events at the Millers Flat Hall, including weddings, funerals, and birthday celebrations. In my current role on the committee, I assist community members in preparing and setting up for their events at the hall. Living just one minute away, I make myself available to support anyone using our beautiful facility, and I take great pride in helping others enjoy and care for this important community space. I strongly support maintaining the current partnership between the Millers Flat Hall and the Council. My reasons are as follows: I have greatly appreciated the cooperative relationship between the committee and the Council—it has been an incredibly valuable and positive learning experience for me personally. It is important to maintain the Council's current level of support for the Millers Flat community. We value this relationship and do not want our community to be overlooked or forgotten. Quite simply, if something is working well, there is no need to change it.

Q35. **Would you like to comment on the Millers Flat Bowling Club?**

not answered

Q36. **Would you like to comment on the Roxburgh Squash Court Building?**

not answered

Q37. **Would you like to comment on the Fenton Library?**

not answered

Q38. **Would you like to comment on the Naseby General Store?**

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?** not answered

Q44. **Which option do you prefer?**	Option B: Do not support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

I do not believe the Roxburgh Pool Committee has fully explored all available options before approaching the Council for support. A strong example of community-led success is the Millers Flat Pool, which is effectively managed through local initiative and involvement. As a parent myself, I believe that greater responsibility should be taken by parents to support and supervise their children. Community facilities thrive when families and individuals actively contribute to their upkeep and management.

Q46. **Which option do you prefer?**	not answered

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

not answered

Q48. **Which option do you prefer?**	Option B: Provide additional funding of up to $1.6 million, loan funded over a period of 10 years.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

Roxburgh deserves a community pool, can the trust help fund it?

Q46. **Which option do you prefer?** Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

Would never like to swim inside if dogs have been in it. We live nearby and often hear families enjoying it, does it have shade sail?

Q48. **Which option do you prefer?** not answered

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?**	not answered

Q51. **Would you like to provide comments on the Supercars Championship?**

Have just attended the Taupō Supercars and if well catered for with other attractions then it will bring in tourism and funding, what component will be funded by profit?

Q52. **Which option do you prefer?**	Option C: Do not support

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

not answered

Q54. **Which option do you prefer?**	Option C: Do not support

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

Our dry conditions seem suitable to maintain status quo

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

For charges to the landfill, bring cash back. For buildings that have no use and can't be accessed cease funding, however the Clyde museum by the old railway line is a wonderful asset and could be opened for visitors to look in, even if they cannot enter.

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

Keep to only necessary spending for the next 10 years, keeping all "nice to haves" for another time The inclination to partner in housing, has no benefit to ratepayers in the immediate future. With so many houses on the market at present, new subdivisions already becoming available, and our water about to over run costs and the sewerage system already struggling to service our area, we must remedy the concerns present, allow reserves to build and provide relief to ratepayers. Borrowing more only causes extra cost spread over a longer term. Keep to basics and spend to budget.

Q58. **Would you like to upload any supporting documents?**	not answered

Q1.	**I'm registered for Let's Talk**	Yes. Please skip past the demographic questions and click next at the bottom of the page.
Q2.	**First name**	not answered
Q3.	**Last name**	not answered
Q4.	**Email address**	not answered
Q5.	**What is your connection to the Central Otago District?**	not answered
Q6.	**Where do you live?**	not answered
Q7.	**What year were you born?**	not answered
Q8.	**What gender do you identify with most?**	not answered
Q9.	**I am submitting**	as an individual
Q10.	**Do you want to speak to your submission at a formal meeting?**	no
Q11.	**Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12.	**Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.

Q13. **Would you like to comment on our plan for water?**

not answered

Q14.	**Please choose your preferred option.**	Option A: Increase the volumetric charge to $2.40 per cubic metre, with the fixed charge of $509.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

User pays! We need to do everything we can to reduce water usage and Option A is the way!

Q16.	**Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.

Q17. **Which hall/facility would you like to comment?**

Ophir Hall
Clyde Police Lockup
Clyde Railway Station Building
Former Clyde Museum Stables & Goods Shed
Blyth Street Museum, Clyde
Clyde Hall
Becks Hall
Vallance Cottage
Riding for the Disabled
Former Clyde Briar & Herb factory, and cottage
Ranfurly Hall
Naseby Hall
Patearoa Hall
Waipiata Hall
Wedderburn Hall
Fenton Library
Naseby General Store
Centennial Milk Bar
Ranfurly Service Centre
Wallace Memorial Rooms
Millers Flat Hall
Millers Flat Bowling Club
Roxburgh Squash Court Building

Q18. **Would you like to comment on the Ophir Hall?**

I would like the CODC to keep the Ophir Hall I have been to a number of Arts funded music events here. It is not so far from Alexandra and I think Alexandra people like to get out of town and go to Ophir to support the music events. Besides it is, in my opinion, an icon.

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

Divest.

Q21. **Would you like to comment on the Clyde Railway Station Building?**

Keep it. It gets a decent revenue from its lease.

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

Divest.

Q23. **Would you like to comment on Blyth Street Museum, Clyde?**

Keep it. It is important to have local museums to speak to local communities. Clyde museum does this very well.

Q24. **Would you like to comment on Clyde Hall?**

Divest. It is expensive.

Q25. **Would you like to comment on Becks Hall?**

Divest. If the community wants to keep it then they can form a community organisation to run it.

Q26. **Would you like to comment on Vallance Cottage?**

Keep

Q27. **Would you like to comment on the Riding for the Disabled?**

Divest.

Q28. **Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?**

Divest.

Q29. **Would you like to comment on the Ranfurly Hall?**

Divest. It is expensive and doesn't bring in much revenue through rent which, to me, means it isn't used much

Q30. **Would you like to comment on the Naseby Hall?**

Divest. It is expensive, needs major earthquake upgrading and doesn't bring in much revenue through rent which, to me, means it isn't used much. If the community wants to keep it then they can form a community organisation to run it.

Q31. **Would you like to comment on the Patearoa Hall?**

Divest. It is expensive, needs major earthquake upgrading and doesn't bring in much revenue through rent which, to me, means it isn't used much. If the community wants to keep it then they can form a community organisation to run it.

Q32. **Would you like to comment on the Waipiata Hall?**

Divest. It is expensive, needs major earthquake upgrading and doesn't bring in any revenue through rent which, to me, means it isn't used much. If the community wants to keep it then they can form a community organisation to run it.

Q33. **Would you like to comment on the Wedderburn Hall?**

Divest. It is expensive, needs major earthquake upgrading and doesn't bring in any revenue through rent which, to me, means it isn't used much. If the community wants to keep it then they can form a community organisation to run it.

Q34. **Would you like to comment on the Millers Flat Hall?**

Divest. It doesn't bring in any revenue through rent which, to me, means it isn't used much. If the community wants to keep it then they can form a community organisation to run it.

Q35. **Would you like to comment on the Millers Flat Bowling Club?**

Divest. If the community wants to keep it then they can form a community organisation to run it.

Q36. **Would you like to comment on the Roxburgh Squash Court Building?**

Keep.

Q37. **Would you like to comment on the Fenton Library?**

Keep. It's a library and therefore essential.

Q38. **Would you like to comment on the Naseby General Store?**

Divest.

Q39. **Would you like to comment on another hall or facility?**

not answered

Q40. **Would you like to comment on the Centennial Milk Bar?**

Keep.

Q41. **Would you like to comment on the Ranfurly Service Centre?**

Divest and move the Ranfurly Service Centre to the Ranfurly Railway Station Building.

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

Keep.

Q43. **Would you like to upload any supporting documents about halls and facilities?**	not answered
Q44. **Which option do you prefer?**	Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

not answered

Q46. **Which option do you prefer?**	Option A: Close and decommission the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

not answered

Q48. **Which option do you prefer?**	Option A: Provide additional funding of up to $1.6 million towards the construction of the Manuherekia Valleys Community Hub, funded from Vincent General Reserves.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?**	Option A: Agree to provide a $250,000 grant funded through the tourism reserves.

Q13. **Would you like to comment on our plan for water?**

not answered

Q14. **Please choose your preferred option.**	Option C: Status quo. Retain the charge at 60 cents per cubic metre, with a fixed charge at $843.54 per connection.

Q15. **Would you like to comment on volumetric charges?**

I would like to see that water is an affordable option for all residents. A garden should not be a luxury but something that adds to the quality of life for all residents. It should not be only the relatively wealthy residents who can afford to have a garden. In our climate water is a vital requirement to sustain a garden. We should be able to grow our own vegetables and maintain an attractive environment around our homes and in our neighbourhood. The whole town benefits from attractive properties.

Q16. **Please select your preferred option.**	not answered

Q50. **Which option do you prefer?**	not answered

Q51. **Would you like to provide comments on the Supercars Championship?**

not answered

Q52. **Which option do you prefer?**	Option A: Provide a $200,000 grant, rate funded in the 2026/27 financial year.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

This would be a fantastic investment for sport in the community. It is used by multiple sporting groups throughout the Maniototo and is the only turf big enough in our area to support sports practices. It is used all year round and is essential for providing a place for our students to practise their sport, otherwise the closest turf that would be big enough is 40 minutes away.

Q54. **Which option do you prefer?**	Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

A multipurpose turf in Alexandra would be a fantastic addition for Dunstan High School and it would also mean that more hockey games could be played in Alexandra and not just in Cromwell. We currently have to travel to Cromwell twice a week, which from Ranfurly is an hour and a half. This would cut down our travel time if some of the games could be played in Alexandra.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

Q29. Would you like to comment on the Ranfurly Hall?

I would like to see the Ranfurly Town Hall retained,. I have been involved with our local drama club for 3 decades, we use the Ranfurly Town Hall for about 9 weeks every year, there is nowhere else currently in the Maniototo our drama club can put on a successful show, Over the decades our club have invested financially in the upkeep of backstage/onstage at the Ranfurly Town Hall to the total of over $60,000 and can continue to do so We are very well supported by our community Our Hall is also used by other groups and organisations.

Q1. **I'm registered for Let's Talk**	Yes. Please skip past the demographic questions and click next at the bottom of the page.
Q2. **First name**	not answered
Q3. **Last name**	not answered
Q4. **Email address**	not answered
Q5. **What is your connection to the Central Otago District?**	not answered
Q6. **Where do you live?**	not answered
Q7. **What year were you born?**	not answered
Q8. **What gender do you identify with most?**	not answered
Q9. **I am submitting**	as an individual
Q10. **Do you want to speak to your submission at a formal meeting?**	no
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.

Q13. **Would you like to comment on our plan for water?**

This Plan assumes continuing the same level of service. I see nothing in the Plan for an alternative for treated sewerage by final disposal into the Mata-Au / Kawarau/ Manuherekia/ ?? Disposal to land should be included in the Water Services Delivery Plan. I see nothing in the Plan about encouraging water conservation measures, Rainwater recovery or supply of untreated water to the community. There would be industry users that do not require treatment and landscape irrigation should be identified and separated in the Water Services Delivery Plan.

Q14. **Please choose your preferred option.**	not answered

Q15. **Would you like to comment on volumetric charges?**

None of the above. The Plan focuses specifically on costs.The Plan does not encourage water conservation measures, Rainwater recovery or separately providing untreated water to selected community. The Plan says nothing about the Climate impacts of supplying treated water and does not address the need to reduce this impact. All the options use a fixed volumetric charge rate, which does not allow any choice to users. A sliding scale of increasing charges as consumption increases would allow users to contribute proportionately to infrastructure and encourage conservation of resources.

Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.
Q17. **Which hall/facility would you like to comment?**	Ophir Hall Clyde Railway Station Building Former Clyde Museum Stables & Goods Shed Vallance Cottage Riding for the Disabled

Q18. **Would you like to comment on the Ophir Hall?**

I am not a member of the Ophir community but the management of this hall clearly adds historical weight to the community streetscape, and significant artistic input into the social life of the community. And according to recent newspaper article is well supported by a creative committee. So I support this halls future being decided by the Ophir community.

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

not answered

Q21. **Would you like to comment on the Clyde Railway Station Building?**

I am not a member of the Clyde community but the management of this hall clearly adds historical weight to the community streetscape, and significant input into the social life of the community. I have attended several events run at this venue, of both commercial and creative benefit, and is obviously a heritage benefit. So I support this halls future being decided by the Clyde community.

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

I am not a member of the Clyde community but the management of these buildings clearly adds historical weight to the community streetscape, and significant input into the heritage life of the community. So I support these buildings future being decided by the Clyde community.

Q23. **Would you like to comment on Blyth Street Museum, Clyde?**

not answered

Q24. **Would you like to comment on Clyde Hall?**

not answered

Q25. **Would you like to comment on Becks Hall?**

not answered

Q26. **Would you like to comment on Vallance Cottage?**

I am a member of the Vallance community, and the management of these buildings clearly adds historical weight to the community streetscape, and significant input into the heritage representation of the community. Historical buildings like this, domestic, closely connected with the everyday life, with limited options for third party use, and that are supported for over 100 years by the original family, must be very rare in the Alexandra streetscape. Its proximity to the town centre and residential suburbs puts it safely within the town boundary, and its location on a Council reserve is great opportunity. It could be a showpiece for the communities respect for the families that have built this town. That the necessary maintenance has been neglected is an unfortunate consequence that should be put right before further discussion is undertaken on its future management. I do not think it is appropriate for the CODC to include in the current divestment discussion. So I support these buildings future being retained for the Alexandra community.

Q27. **Would you like to comment on the Riding for the Disabled?**

The poor design and construction quality of the building (regardless of condition) has little redeeming merits, except for privately repurposing to a suitable use. Saving the resource of an structure rather than demolishing is worthwhile if the investment is undertaken by private interests. However in view of the location of this building on Council land, any use should benefit the community rather than private.

Q28. **Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?**

not answered

Q29. **Would you like to comment on the Ranfurly Hall?**

not answered

Q30. **Would you like to comment on the Naseby Hall?**

not answered

Q31. **Would you like to comment on the Patearoa Hall?**

not answered

Q32. **Would you like to comment on the Waipiata Hall?**

not answered

Q33. **Would you like to comment on the Wedderburn Hall?**

not answered

Q34. **Would you like to comment on the Millers Flat Hall?**

not answered

Q35. **Would you like to comment on the Millers Flat Bowling Club?**

not answered

Q36. **Would you like to comment on the Roxburgh Squash Court Building?**

not answered

Q37. **Would you like to comment on the Fenton Library?**

not answered

Q38. **Would you like to comment on the Naseby General Store?**

not answered

Q39. **Would you like to comment on another hall or facility?**

not answered

Q40. **Would you like to comment on the Centennial Milk Bar?**

not answered

Q41. **Would you like to comment on the Ranfurly Service Centre?**

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?** not answered

Q44. **Which option do you prefer?** Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

I could not undo my selection of option A above, but I choose none of the above. I think the appropriate decision making people are the Roxburgh community who provide volunteer time and effort to keep this pool in operation and THEY should decide on the ownership.

Q46. **Which option do you prefer?** Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

I am a user of the Molyneaux pools of all types. This outdoor pool is a integral part of the Molyneaux infrastructure, the venue for many childrens parties, swimming training and gives the benefits of the experience of fresh air swimming in a clean and safe environment rarely available in the natural environment around here, given the pollution and low water flows in the rural district. The indoor pool has health issues associated with chlorine use which are reduced in the outdoor pool by exposure to sun and plentiful fresh air. I assume this pool has a lower climate impact because of little (or less) heating and operates the same whatever the weather, a clear climate benefit. This pool is less constrained by 'lane swimmers' so has a more relaxed vibe. I support retaining the outdoor pool. What efforts have been made to increase usage ? Encouragement would cost little and be likely to reverse the decline.

Q48. **Which option do you prefer?** not answered

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

The appropriate decision making people are the Omakau District community who provide volunteer time and effort to keep this hall in operation and THEY should decide on the funding option.

Q50. **Which option do you prefer?** Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

There should be no remit for the CODC to fund/support financially climate damaging recreational activities held at private venues by those who can afford to burn fossil fuels. This type of event would be excessively damaging to the carbon footprint of the community, alike to another airport operating for a week. Sport and low-carbon activities held in the public domain should be prioritised. Active recreation that benefits the health of the individual and engages the many other benefits of bringing together a wide cross section of the population over a longer time period are preferred.

Q52. **Which option do you prefer?** not answered

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

The appropriate decision making people are the Maniatoto District community who use this facility and THEY should provide the funding option. The Ministry of Education 'own' this school and facilities and these sort of upgrades should be provided by the MoE according to their agreements with the school.

Q54. **Which option do you prefer?** not answered

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

The appropriate decision making people are the Dunstan High community who use this facility and THEY should provide the funding option. The Ministry of Education 'own' this school and facilities and these sort of upgrades should be provided by the MoE according to their agreements with the school.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

Waste disposal charges should reflect the actual costs and not be subsidised. This would encourage re-use and reduction. Construction waste should pay the whole of the cost of disposal and reflect the active involvement of the industry to reduce the cost to the community.

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q58. **Would you like to upload any supporting documents?** not answered

Q59. **How did you hear about this engagement opportunity? You may tick more than one.**

not answered

Q29. Would you like to comment on the Ranfurly Hall?

not answered

Q30. Would you like to comment on the Naseby Hall?

not answered

Q31. **Would you like to comment on the Patearoa Hall?**

Patearoa is a community of interest unlike any other in the Māniatoto. Its population alone is difficult to determine at any one time due to its unique make up; a small permanent village population and an extended rural population; a migrant workforce and the "cribbies" some of whom have a multi generational ties to the community. This diversity combined with the loss of its school and the fact that its pub is no longer trading, makes Patearoa and the needs of its community, distinctive in the Māniatoto. There is a strong desire in the community for the retention or rebuild of its hall as reflected in a recent community survey and several community meetings. I would like to see Council work with a representative group of the Patearoa Community to realise the community's aspirations for their hall. There is much scope for investigation of options over and above divestment and/or retention of the current hall. I would like to see Council enter into a Memorandum of Understanding with the community as a starting point for an ongoing formal relationship to this end. To provide some assurance for the community, I would like to suggest that this be undertaken as soon as practicable following the adoption of the Long Term Plan and extend for the life of the Plan or until the remediation date of the current hall, which ever time-frame is agreeable to both parties.

Q32. **Would you like to comment on the Waipiata Hall?**

not answered

Q33. **Would you like to comment on the Wedderburn Hall?**

not answered

Q34. **Would you like to comment on the Millers Flat Hall?**

not answered

Q35. **Would you like to comment on the Millers Flat Bowling Club?**

not answered

Q36. **Would you like to comment on the Roxburgh Squash Court Building?**

not answered

Q37. **Would you like to comment on the Fenton Library?**

Home to the Burn Radio and Positively Māniatoto which provide a tangible community connection across the district, I would like to see Council consider the retention of the Fenton Library as the home of these community organisations, as they have expressed. This iconic Ranfurly building is an anchor point for community connectivity which is widely recognised and loved.

Q38. **Would you like to comment on the Naseby General Store?**

not answered

Q39. **Would you like to comment on another hall or facility?**

I would like to make a general comment with regards to divestment of community halls. Blanket divestment of halls across the District is an issue which has wide ranging consequences for affected communities so in many respects the small window of opportunity for community comment via this LTP consultation is somewhat inadequate. While it may be relatively easy for Council to divest itself of facilities that have no or low usage, and to enter into negotiation with tenants of those buildings that are providing an income and are not earthquake prone, the halls in communities that have moderate or regular use, should be given the opportunity for further dialogue, with Council. This is particularly important for communities who have lost other facilities (schools or pubs) which are often central to the everyday life of those communities. To suggest that other Club facilites may be used instead overlooks the purpose of those facilities (for example, bowling or golf clubs). While there may be goodwill to expand their use to the wider community, they do not provide a unique community space as do current halls which carry the spirit and memories of their communities. This is also true of the notion of the reduction of tyranny of distance - this concept has little relevance in comparison to the history and 'place to stand' that community halls provide. Divestment is not just a matter of economics but a reflection of other elements of community sustainability that are detailed in S.10 of the Local Government Act 2002 which Council currently has an obligation to meet. While there is potential for the community outcomes references of this legislation to be repealed by the end of 2025, it would be somewhat disingenuous of Council to put these aside in a Plan that has effect until 2034. All affected communities should be given adequate time to work with Council to formulate a way forward should they wish to retain or rebuild their halls. Equally, should there be no option due the earthquake prone nature of some buildings, communities should be sure of Council's commitment to fund the demolition and remediation of sites that these halls currently stand on. Formal agreements (for example, Memoranda of Understanding) should be entered into to provide surety for both affected communities and Council as to expectations (financial and other) in addition to realistic timeframes and reporting expectations. Substantial research has been undertaken on the history and usage over time of community halls in New Zealand. An accesible example is "On a Saturday Night - Community Halls of Small-Town New Zealand" Frey and Newman, 2012. To quote from this work, "To have a hall in your area means you have a real community" (p.143).

Q40. **Would you like to comment on the Centennial Milk Bar?**

not answered

Q41. **Would you like to comment on the Ranfurly Service Centre?**

not answered

Q44. **Which option do you prefer?**

not answered

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

I do not wish to comment on this issue.

Q46. **Which option do you prefer?**

not answered

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

I do not wish to comment on this issue.

Q48. **Which option do you prefer?**	Option A: Provide additional funding of up to $1.6 million towards the construction of the Manuherekia Valleys Community Hub, funded from Vincent General Reserves.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

I would like to support additional funding for this project in recognition of the community's effort and partnership with Council. This relationship and level of support could be used as a model for working with and supporting other communities who wish to work with Council to either retain or rebuild their halls. The support for rural communities is minimal in proportion to the amount that has been invested in the new facility in Cromwell and will show a commitment from Council to the fabric of its rural communities.

Q50. **Which option do you prefer?**	Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

not answered

Q52. **Which option do you prefer?**	not answered

Q3. **Last name**	Haig
Q4. **Email address**	[redacted]
Q5. **What is your connection to the Central Otago District?**	I'm a Central Otago District ratepayer
Q6. **Where do you live?**	Vincent Ward (Alexandra and surrounds)
Q7. **What year were you born?**	[redacted]
Q8. **What gender do you identify with most?**	[redacted]
Q9. **I am submitting**	as an individual
Q10. **Do you want to speak to your submission at a formal meeting?**	no
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	Option B: Status quo. Water services continue to be owned, maintained and delivered by Council.
Q13. **Would you like to comment on our plan for water?**	not answered
Q14. **Please choose your preferred option.**	Option A: Increase the volumetric charge to $2.40 per cubic metre, with the fixed charge of $509.24 per connection.
Q15. **Would you like to comment on volumetric charges?**	not answered
Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.

Q17. **Which hall/facility would you like to comment?**

Clyde Police Lockup
Clyde Railway Station Building
Former Clyde Museum Stables & Goods Shed
Blyth Street Museum, Clyde
Clyde Hall

Q18. **Would you like to comment on the Ophir Hall?**

not answered

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

This is an historic building under the Clyde Museums Inc and should be retained by them

Q21. **Would you like to comment on the Clyde Railway Station Building?**

This is one of the few remaining historic railway stations left in Central Otago. It has been restored thanks to grants from Community organisations and other funders. It houses railway memorabilia in the museum room and is regularly visited by people who also enjoy the reserve land beside it. The building is also tenanted which must cover some of the cost of maintaining the building.

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

While needing some restoration the Goods Shed has huge potential for showcasing more of Clyde History

Q23. **Would you like to comment on Blyth Street Museum, Clyde?**

Reading the visitors book it is obvious that this is a gem of a museum showcasing the history of Clyde. It must be maintained

Q24. **Would you like to comment on Clyde Hall?**

This is a community hall and the ONLY venue in Clyde suitable for daily community use. It is well used by groups. The library is part of this building and is a service that is very well used. Clyde has a lot of older people who rely on the library and who visit weekly. There are actually people who don't drive so Alexandra is not an option

Q52. **Which option do you prefer?**	Option A: Provide a $200,000 grant, rate funded in the 2026/27 financial year.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

I'm the current deputy chair of the Board of Trustees at Maniototo Area School. The turf at the Maniototo Area School is very old, worn and becoming dangerous to play and train on, especially when it rains. We are getting a huge number of holiday makers in the Maniototo now that wish to have a hit of tennis or use a multi surface turf for other activities. The courts down at the stadium are next a waste of time so the holiday makers are using our school turf. With the completion of our refurbished gym we are wanting to make the school facilities e.g Gym, turf, a community facitlity as we see this is really lacking in the Maniototo.

Q54. **Which option do you prefer?**	Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

I am a past co president of Central Otago Hockey Association. I have been involved with hockey in Central Otago, Maniototo and Otago for over 20 years. There has been a real shortage of descend facilities for our hockey community to use for a long time now. Manly because our playing numbers have increased so much. There will be a huge benefit from having a full size turf at Dunstan High School.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

I would like the FENTON LIBRARY and the RANFURLY TOWN HALL and PATEAROA TOWN HALL maintained and kept within the community. These are very special significant buildings to our area that have a lot of history. We are a small town and we rely on these buildings. Yes some are made from Mud Brick, but most houses in the area and region are made from part of this mud brick, with people living in them perfectly fine. So to not let people use these buildings and to take them away from us is terrible.

Q1. **I'm registered for Let's Talk**	Yes. Please skip past the demographic questions and click next at the bottom of the page.
Q2. **First name**	not answered
Q3. **Last name**	not answered
Q4. **Email address**	not answered
Q5. **What is your connection to the Central Otago District?**	not answered
Q6. **Where do you live?**	not answered
Q7. **What year were you born?**	not answered
Q8. **What gender do you identify with most?**	not answered
Q9. **I am submitting**	as an individual
Q10. **Do you want to speak to your submission at a formal meeting?**	yes
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	[redacted]
Q12. **Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.

Q13. **Would you like to comment on our plan for water?**

I could support this provided that it results in a significant reduction in staff and expenses incurred by Council. The future total cost for running water services must result in savings in overall cost under a CCO or it is not worth pursuing.

Q14. **Please choose your preferred option.**	Option A: Increase the volumetric charge to $2.40 per cubic metre, with the fixed charge of $509.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

This whole senario is a nonsense from a cost to ratepayer viewpoint. By far the biggest water user is the council and the cost of their water use will ultimately be charged to the ratepayer one way or the other. The only real gain will be if the higher unit cost makes for a reduction in actual water usage.

Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.

Q17. **Which hall/facility would you like to comment?**

Clyde Police Lockup
Former Clyde Museum Stables & Goods Shed
Riding for the Disabled
Naseby Hall
Waipiata Hall
Wedderburn Hall
Ranfurly Service Centre
Millers Flat Bowling Club
Roxburgh Squash Court Building

Q18. **Would you like to comment on the Ophir Hall?**

Q1.	**I'm registered for Let's Talk**	Yes. Please skip past the demographic questions and click next at the bottom of the page.
Q2.	**First name**	rob
Q3.	**Last name**	van der Mark
Q4.	**Email address**	[redacted]
Q5.	**What is your connection to the Central Otago District?**	I'm a Central Otago District ratepayer
Q6.	**Where do you live?**	Cromwell Ward
Q7.	**What year were you born?**	[redacted]
Q8.	**What gender do you identify with most?**	[redacted]
Q9.	**I am submitting**	as an individual
Q10.	**Do you want to speak to your submission at a formal meeting?**	yes
Q11.	**Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	[redacted]; vandermark10@gmail. presentation would have to be via video link as i will be out of district those days..
Q12.	**Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.

Q13. **Would you like to comment on our plan for water?**

Cco rules of engagement would have to be "water tight" to protect CODC from poor decisions eg on debt and charging models. Whilst CODC has been run very well over the past few decades, unfortunately we cannot say the same about other councils nearby. In addition, we dont necessarily share the same values and propensity to take on debt as some of our neighbouring councils which sets us up for a potentially challenging CCO partnership. We must protect CODC residents from a poorly run CCO model. Simply divesting the "problem" from council's responsibility is not the solution. The NZ cco/ccto model has many flaws, in particular the management and oversight by councils is highly problematic with cco's and ccto's more often than not becoming a law to themselves. I am highly concerned that this model will lead to more bureocracy and create governance inefficiencies/cost blow outs and inevitably lead to a privatized model and higher user costs (refer the electricity situation with Aurora). I also believe we must continue to protest to central government on the model they impose on us and seek co-funding based on the unique geographical challenges and low user base we have: small local water facilities may bot always need the high costly standards required? Not having direct control over CCO operations may be very costly longer term to our residents. Debt servicing does not need to be completed within a short few years but could be spread across a longer time horizon to provide near term rate increase relief. We would need seperate consultation with much more detail on the CCO model and costs to be convinced this is the best way forward.

Q14. **Please choose your preferred option.** Option A: Increase the volumetric charge to $2.40 per cubic metre, with the fixed charge of $509.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

Clarity on what councils own water use is, how this can be minimized, and what council is being charged would pre-empt this question coming up and causing confusion. Option A is preferred for reasons outlined in the document: in essence, larger volume users ought to pay disproportionally more and be encouraged to use less.

Q16. **Please select your preferred option.** Option A: Divest all of the community halls listed (highlighted in green above).

Q17. **Which hall/facility would you like to comment?** not answered

Q18. **Would you like to comment on the Ophir Hall?**

Q41. **Would you like to comment on the Ranfurly Service Centre?**

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?** — not answered

Q44. **Which option do you prefer?** — Option B: Do not support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

This decision should be made preferentially by Roxburgh / Teviot ward ratepayers as it does not affect other ratepayers.

Q46. **Which option do you prefer?** — Option A: Close and decommission the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

We need an option for Alexandra / Teviot valley only residents to pay, and it should then be up to Alexandra / Vincent ward ratepayers to decide as it does not affect other ratepayers (as per the Roxburg pool).

Q48. **Which option do you prefer?** — Option A: Provide additional funding of up to $1.6 million towards the construction of the Manuherekia Valleys Community Hub, funded from Vincent General Reserves.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

This has been committed to in 2021 and now needs to proceed, with funding preferentially by the local ward.

Q50. **Which option do you prefer?** — Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

Unfortunately its not the right time with other major costs coming our way to invest in this. In years to come, when the community hall is up and running and additional accommodation options become available in Cromwell this may be reassessed. In principle it is a great opportunity for Cromwell, but there are also other medium/large events that may benefit from some kind of support to further expand: we must not look at Supercars/Highlands in isolation.

Q52. **Which option do you prefer?** — Option C: Do not support

Q53. **Would you like to provide comments on the Artificial Turf at Manlototo Area School?**

not the right time when we are looking at large rate increases to pay for other things: delay and revisit in 3 years.

Q54. **Which option do you prefer?** Option C: Do not support

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

as per Maniototo Area school (timing is not right), but also let MTI develop better independent funding models.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

Large developers must pay disproportionately more for their developments and up front. We must not give away our values and access cheaply. Our location here as a central hub for business is prime, as is our environment. We must not allow rapid erosion of our values for little economic spin off for our local population. Visitor costs must go up more. Too much of our infrastructure is paid for by locals without much return. I am thinking eg. of the many tourist tour companies who return little but use our facilities routinely. another example would be septic tank and trade waste disposals: push them up further. Development contributions must target large developers disproportionally relative to small local accounts. General waste charges for large quantities must go up relative to small accounts. Roading fees to large developers can go up more relative to small ones. Planning and regulatory: a detailed analysis of council costs vs income on the individual components would be useful to further optimise charges if not already done. Various licencing fees need adjustment to provide relief for small operators rather than creating a disproportional benefit to larger operators - more detailed analysis may assist here also. Debt servicing seems unnecessarily short term oriented leading to large short term rates rises which run a huge risk of election push back and an undoing of much of the good foundation building council has done.

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

Congrats on the very comprehensive and easy to digest consultation document. A couple of comments follow, they are not particularly structured (apologies). In this time of huge cost of living pressure to our local residents we must be extra careful not to add to their problems with large rates increases. The currently proposed rates increase (as a follow up from last year's rise) is still not particularly acceptable to most (myself included) and futher efforts must be made to bring these down further to around 6% for most residents. We run a real risk of residents revolting to local council plans as a reaction to the proposed rates rises country wide. The only way forward to retain & regain trust and confidence in our council team, and avoid good councillors being replaced by vocal ignorants or those with extreme political agendas at the upcoming October election, - in my view - is to 1. over communicate on plans and evolving thinking on anything to do with rates and operations, particularly on social media. 2. for CEO and staff to be fully transparent to council and public as they often run "their own show" in many councils around the country. 3. for councillors and mayor to hold CEO and council staff strongly accountable for specific deliverables and set targets (eg a full plan with options on how to reduce rates to say 6%) 4. strongly consider delaying debt repayment for longer periods: in the current plan it appears we are trying to pay off our debt within 2-3 years which causes huge pressure on the current near term rates rise. It seems to me we are trying too hard to to do too much too soon: keep investing & paying of debt fast inevitably leads to large rates rises... 5. we must provide further transparency at all times into council budgets and operations. There is a strong perception that council staffing and external consultancy costs are blowing out without transparency being provided. Lastly - as our region is growing so rapidly with huge development pressures on our precious environment, we must place yet more value on our natural environment including the visual amenity values in our landscapes we all like to see being upheld. Recent planned developments on Cromwell's major access roads do not bode well, and we run a high risk of Cromwell becoming an industrial suburb of Queenstown and Wanaka, losing our own precious look and feel. Final comment regards getting young people engaged in local politics. Its great to see your efforts here and I presume strong outreach to high schools is part of this program, as could be media engagement on such programs. The more we feature our young leaders the better.

Q30. Would you like to comment on the Naseby Hall?

not answered

Q31. Would you like to comment on the Patearoa Hall?

not answered

Q32. **Would you like to comment on the Waipiata Hall?**

I have been involved in discussions and meetings about the hall since the CODC plans were made known. I act as Secretary for the Waipiata Development Committee and was present at the meeting in the hall with Janice Remnant representing CODC on March 9. I contributed toward the submission attached. I support this hall strongly and am submitting only on this aspect of the longterm plan, as no other sections affect me.

Q33. **Would you like to comment on the Wedderburn Hall?**

Q1. **I'm registered for Let's Talk**	No. Please complete the demographic questions below.
Q2. **First name**	Ken
Q3. **Last name**	Churchill
Q4. **Email address**	[redacted]
Q5. **What is your connection to the Central Otago District?**	I'm a Central Otago District ratepayer
Q6. **Where do you live?**	Vincent Ward (Alexandra and surrounds)
Q7. **What year were you born?**	[redacted]
Q8. **What gender do you identify with most?**	[redacted]
Q9. **I am submitting**	as an individual
Q10. **Do you want to speak to your submission at a formal meeting?**	yes
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	[redacted]
Q12. **Please choose your preferred option.**	Option B: Status quo. Water services continue to be owned, maintained and delivered by Council.

Q13. **Would you like to comment on our plan for water?**

Where is the cco, actually going to be ? Another building? who pays? how can the codc actually " control" the new cco, is the control legislation, complete? The codc has trouble with its own accounting systems, and has had problems with procurement systems to date, (Deloitte report)so how could they control another entity. . A cco is the first step to privatization of our right to water. Just being able to borrow more, using all of our properties as security, can only increase rates

Q14. **Please choose your preferred option.**	not answered

Q15. **Would you like to comment on volumetric charges?**

Irrespective of the options. your volume cost charges, need to be itemized. eg, power, treatment, wages, pumping maintenance, water testing. To just gouge the volume increase, without the above is unacceptable.

Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.

Q17. **Which hall/facility would you like to comment?** Clyde Hall

Q18. **Would you like to comment on the Ophir Hall?**

not answered

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

Q37. **Would you like to comment on the Fenton Library?**

not answered

Q38. **Would you like to comment on the Naseby General Store?**

not answered

Q39. **Would you like to comment on another hall or facility?**

not answered

Q40. **Would you like to comment on the Centennial Milk Bar?**

not answered

Q41. **Would you like to comment on the Ranfurly Service Centre?**

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?** — not answered

Q44. **Which option do you prefer?** — Option B: Do not support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

Built by the community, for the community, let the community run

Q46. **Which option do you prefer?** — Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

this pool is an asset to the complex. people do like being able to swim in it, specially hot day. it s the correct specification for competition. our world recognized competitors use it for ice swimming comps/ practice. It is one of the few pools , in the area for such competitions. Trans Tasman ice swimming could bring people for an event like that. In terms of cost, seems a very broad figure ($200k), once again no specifics. eg, power, wages, treatment, CODC accounting perhaps. Please retain this pool.

Q48. **Which option do you prefer?** Option D: Do not support

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

In this case ,the communty need to further step up ,and fund it.

Q50. **Which option do you prefer?** Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

not answered

Q52. **Which option do you prefer?** Option B: Provide a $200,000 grant loan funded over a period of 10 years.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

not answered

Q54. **Which option do you prefer?** Option B: Provide a $300,000 grant loan funded over a period of 10 years

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

Artificial turf is almost a must with ,sport , particularly hockey.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

engaging with the public via " social media" all very well. but your officer dylan rushbrook, has had me banned for life from your face book page. Also the IM, so very difficult to be across the issues on going. also, its high time to delete from your standing orders, a chairman's casting vote .Especially, where it can alter the status quo. In terms of transparency , the number of closed sessions in council meetings, needs hugely reduced.

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

ARONUI DAM. In 2014, the local Bridge Hill community, via personal donations, and huge donations of earth moving plant, drained and cleaned out all the reeds (Raupo) that had all but covered up the pond. The project was completed in just a week. there was an area of Raupo left for bird life to breed etc., by agreement. in the period to now, locals have maintained this asset volunteerily . How ever ,the Raupo have in the last few years, been neglected, by council, and now have over run the formed " beaches" Service requests have gone unnoticed/ ineffective. There will never be another opportunity as was carried out in 2014/15,. This prime asset , needs urgent council work, both now and on going in the LTP. The scale of this is way beyond the volunteers now.

Q1. **I'm registered for Let's Talk**	Yes. Please skip past the demographic questions and click next at the bottom of the page.
Q2. **First name**	Graye
Q3. **Last name**	Shattky
Q4. **Email address**	[redacted]
Q5. **What is your connection to the Central Otago District?**	I live in the district
Q6. **Where do you live?**	Vincent Ward (Alexandra and surrounds)
Q7. **What year were you born?**	[redacted]
Q8. **What gender do you identify with most?**	[redacted]
Q9. **I am submitting**	as an individual
Q10. **Do you want to speak to your submission at a formal meeting?**	yes
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	tel: [redacted] e-mail: [redacted]
Q12. **Please choose your preferred option.**	Option B: Status quo. Water services continue to be owned, maintained and delivered by Council.

Q13. **Would you like to comment on our plan for water?**

Water supply and treatment The cost of the proposed treatment and delivery of potable water to 400 (persons or homes?) in Omakau is estimated by the CODC to be approx $14M . I live in Alexandra, connected to the town water supply. I have also installed an Ultraviolet (UV) water filter which I can turn on when required e.g. when the CODC issues a boil water notice. The present cost of a good UV water filter is around $1500.00 - $2000.00; my calculation suggests that if the CODC were to deliver untreated water to Omakau homes, having first installed a UV filter in each home at no cost to the owner, the initial capital cost of treatment is likely to be in the order of $800,000. I note that an additional sum would be required to provide for the annual inspection and maintenance of the filters, as well as allowing for population increases in the future. Could it possibly be this simple? Was Council made aware of this option? If so, on what grounds did Council discard the proposal in favour of an unnecessarily extravagant $14M scheme? Could the supply of untreated water with UV treatment at the point of supply be provided to other small communities in the future?

Q14. **Please choose your preferred option.**	Option C: Status quo. Retain the charge at 60 cents per cubic metre, with a fixed charge at $843.54 per connection.

Q15. **Would you like to comment on volumetric charges?**

Water Conservation The draft plan fails to emphasise encourage water conservation by charging for water on a sliding scale where the cost increases in line with the amount used. In our dry, often water-short climate, I fail to understand why Council building regulations don't insist that every new build is required to include a rain-water tank to preserve such supply as falls on the roof and might then be used directly on gardens or be plumbed into the house supply, where it will be treated to potable quality by the UV filter

Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.
Q17. **Which hall/facility would you like to comment?**	Ophir Hall

Q18. **Would you like to comment on the Ophir Hall?**

Halls & Facilities I use this space to make the general comment that all of the facilities listed should be evaluated and rated by the residents they serve, with regard to their frequency of use and whether the community values their role of fostering a strong sense of place and providing common ground for community interaction and collaboration. That survey should be followed by a poll of the residents serviced by those facilities; the outcome of that poll will determine whether the Hall or facility continues to receive Council support or is subsequently divested

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

Q43. **Would you like to upload any supporting documents about halls and facilities?** not answered

Q44. **Which option do you prefer?** not answered

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

See comments regarding Halls etc above. It is essential that the fate of these facilities be determined by the community it serves. .

Q46. **Which option do you prefer?** Option A: Close and decommission the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

not answered

Q48. **Which option do you prefer?** Option A: Provide additional funding of up to $1.6 million towards the construction of the Manuherekia Valleys Community Hub, funded from Vincent General Reserves.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

See my earlier comments emphasising the importance of these decisions being made by the communities who benefit from the services provided. In this case, the decision has to be decided by the residents of the Vincent Ward. Consideration might be given to 'weighting' the vote of registered members of usergroups who have a long and continuing active association with a facility.

Q50. **Which option do you prefer?** Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

Even in the best of times, the CODC would have no business contemplating funding such a speculative, high risk commercial propositionII. It would be 'interesting' to test Cromwell Community Board members by enquiring whether along with their desire to build an unneccessarily expensive museum, they might consider lending the SuperCars Championship organisers $250,000 from their own Board funds?

Q52. **Which option do you prefer?** Option C: Do not support

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

Again this not Council business - it is a matter for the School Board of Trustees to pursue with the Education Department and it's own School community.

Q54. **Which option do you prefer?** Option C: Do not support

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

Comment as per above re Maniatoto Area School

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

No

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

Not at present.

Q58. **Would you like to upload any supporting documents?**	not answered
Q59. **How did you hear about this engagement opportunity? You may tick more than one.**	The News - Central Otago Central App Word of mouth

Q37. Would you like to comment on the Fenton Library?

not answered

Q38. Would you like to comment on the Naseby General Store?

not answered

Q39. Would you like to comment on another hall or facility?

Central Stories is a very well used community facility. It is a low cost option for parents with children, both local and visitors. The amount of work our present director is doing is creating a lot stress for her. Despite this, she is doing a great job. In the weekends there is a steady stream of visitors wanting local information and this aspect of Central Stories should be strengthened. There is a steady stream of visitors to the ever changing art exhibitions that are a important part of Central Stories.

not answered

Q28. Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?

not answered

Q29. Would you like to comment on the Ranfurly Hall?

not answered

Q30. Would you like to comment on the Naseby Hall?

not answered

Q31. **Would you like to comment on the Patearoa Hall?**

Yes please. I wish to express my support for a public hall in Patearoa and for its divestment in Year 9. Since the gold mining days in Patearoa - and in all other mining towns and settlements - there has been a gathering place for community events. These public halls have served a very important role. Prior to and during both World Wars, farewells for departing soldiers took place in the Hall. Funerals, school concerts, musical and drama group performances, flower shows, weddings, bring and buy sales, cabarets, dances, family reunions, fund raising events, Anzac services, celebratory dinners, school reunions, ballet and dance lessons, gymnastics lessons, school speech competitions and plenty more have all happened at the Hall. Players of Saturday sports, both summer and winter, used the Hall and supper room. I think it's necessary to have a 'neutral' facility that has capacity for well over 100 people in every rural community and I believe that the CODC has a responsibility to its ratepayers in our small communities. Rates are paid in expectation of provision of services. Neglect of some facilities by the Council over many years has contributed to the poor condition of the facilities in our little town. There are public toilets attached to Patearoa Hall. These are used a lot. These an absolute necessity and must be retained, funded and maintained. Elizabeth McSkimming

Q32. **Would you like to comment on the Waipiata Hall?**

not answered

Q33. **Would you like to comment on the Wedderburn Hall?**

not answered

Q34. **Would you like to comment on the Millers Flat Hall?**

not answered

Q35. **Would you like to comment on the Millers Flat Bowling Club?**

not answered

Q36. **Would you like to comment on the Roxburgh Squash Court Building?**

not answered

Q37. **Would you like to comment on the Fenton Library?**

not answered

Q38. **Would you like to comment on the Naseby General Store?**

not answered

Q39. **Would you like to comment on another hall or facility?**

not answered

Q40. **Would you like to comment on the Centennial Milk Bar?**

not answered

Q41. **Would you like to comment on the Ranfurly Service Centre?**

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

not answered

Q43.	**Would you like to upload any supporting documents about halls and facilities?**	not answered
Q44.	**Which option do you prefer?**	Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

not answered

Q46.	**Which option do you prefer?**	Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

not answered

Q48.	**Which option do you prefer?**	Option A: Provide additional funding of up to $1.6 million towards the construction of the Manuherekia Valleys Community Hub, funded from Vincent General Reserves.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50.	**Which option do you prefer?**	Option A: Agree to provide a $250,000 grant funded through the tourism reserves.

Q51. **Would you like to provide comments on the Supercars Championship?**

not answered

Q52.	**Which option do you prefer?**	Option B: Provide a $200,000 grant loan funded over a period of 10 years.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

At the moment Maniototo children are forced to travel long distances out of this district to play on artificial turf in areas close to Alexandra. It would be much fairer if teams would travel this way for time to time.

Q54.	**Which option do you prefer?**	Option C: Do not support

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

not answered

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

Q1.	**I'm registered for Let's Talk**	Yes. Please skip past the demographic questions and click next at the bottom of the page.
Q2.	**First name**	not answered
Q3.	**Last name**	not answered
Q4.	**Email address**	not answered
Q5.	**What is your connection to the Central Otago District?**	not answered
Q6.	**Where do you live?**	not answered
Q7.	**What year were you born?**	not answered
Q8.	**What gender do you identify with most?**	not answered
Q9.	**I am submitting**	as an individual
Q10.	**Do you want to speak to your submission at a formal meeting?**	no
Q11.	**Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12.	**Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.

Q13. **Would you like to comment on our plan for water?**

I agree with an independent CCO approach made up with other councils, this should reduce the cost locally and enable access to greater funds. I would like to ensure this organisation was efficient and had appropriate controls in place to deliver on targets.

Q14.	**Please choose your preferred option.**	Option A: Increase the volumetric charge to $2.40 per cubic metre, with the fixed charge of $509.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

User pays. very clear.

Q16.	**Please select your preferred option.**	not answered
Q17.	**Which hall/facility would you like to comment?**	not answered

Q18. Would you like to comment on the Ophir Hall?

not answered

Q19. Would you like to comment on the Poolburn Hall?

not answered

Q20. Would you like to comment on the Clyde Police Lockup?

not answered

Q21. Would you like to comment on the Clyde Railway Station Building?

not answered

Q35. Would you like to comment on the Millers Flat Bowling Club?

not answered

Q36. Would you like to comment on the Roxburgh Squash Court Building?

not answered

Q37. Would you like to comment on the Fenton Library?

not answered

Q38. Would you like to comment on the Naseby General Store?

not answered

Q39. Would you like to comment on another hall or facility?

not answered

Q40. Would you like to comment on the Centennial Milk Bar?

not answered

Q41. Would you like to comment on the Ranfurly Service Centre?

not answered

Q42. Would you like to comment on the Wallace Memorial Rooms?

not answered

Q43. Would you like to upload any supporting documents about halls and facilities? not answered

Q44. Which option do you prefer? Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?

This should be the same as the Cromwell and Alexandra pools. Well done to the community for getting it built.

Q46. Which option do you prefer? Option A: Close and decommission the outdoor pool in Alexandra.

Q47. Would you like to provide comments on the Alexandra outdoor pool?

There are other outdoor water options available. Resources need to be put to other well used pools

Q48. **Which option do you prefer?** Option A: Provide additional funding of up to $1.6 million towards the construction of the Manuherekia Valleys Community Hub, funded from Vincent General Reserves.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

If the Vincent General Reserves are sufficient, then use them. Need to ensure that the Community Hub is what is required and will be well used. If Cromwell General Reserves are being used for their Memorial Hall and Events Centre, then be consistent.

Q50. **Which option do you prefer?** Option A: Agree to provide a $250,000 grant funded through the tourism reserves.

Q51. **Would you like to provide comments on the Supercars Championship?**

This is a good use of the funds for the purpose they are designed for. The coverage and people this event would bring to the south would provide a payback and regional economic benefit well above the grant outlined.

Q52. **Which option do you prefer?** not answered

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

No opinion

Q54. **Which option do you prefer?** not answered

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

No opinion

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

The acknowledgment of rapid and prolonged population growth in this region needs to be supported by clear action to provide greater capacity for all our infrastructure. This is not going to slow down or reverse in the near future. Water will continue to be a key factor in our lifestyle in this region - we must ensure that this is available in the quantity and quality for all users. I fully agree with your top 3 priorities: 1. Water and wastewater compliance 2. Infrastructure to service growth 3. Council prioritising a regional CCO for water services. Good luck with 4, co-funding with NZTA for the bridges. You need to think about time and money spent on assessments and consultants to get action underway on the already identified 30 bridges.

Q58. **Would you like to upload any supporting documents?** not answered

Q59.	**How did you hear about this engagement opportunity? You may tick more than one.**	The News - Central Otago Cromwell Bulletin Word of mouth **Other (please specify)** Meetings - community and with council staff and elected members. A known process previously engaged in.

not answered

Q28. Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?

not answered

Q29. Would you like to comment on the Ranfurly Hall?

I am a member of the Maniototo Theatre Group, we use the hall for 9 weeks of the year to put on local production. Our Group has spent significant amounts for improvements to the hall. We regulary donate towards community causes with any profit we make. We have discussed as a committee and all agree it is a necessary hub for our community. We cannot see any other venue in the Maniototo that would be fit for purpose- especially the acoustics the hall provides. Putting on a production is not only beneficial for our group members but for the whole community whom many take the opportunity to come along and enjoy our shows. We live remotely, a long drive from a bigger centre- for some, this is their only chance to enjoy the arts.

Q30. Would you like to comment on the Naseby Hall?

not answered

Q31. Would you like to comment on the Patearoa Hall?

not answered

Q50. **Which option do you prefer?** not answered

Q51. **Would you like to provide comments on the Supercars Championship?**

not answered

Q52. **Which option do you prefer?** Option A: Provide a $200,000 grant, rate funded in the 2026/27 financial year.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

Maniototo Area School is at the centre of our vast community, a 2371 km ² area of Central Otago. Our School provides not only a world class education for our students, but is also the venue for club sports practices for hockey, netball, cricket, & tennis. Recently competition games have also been held on our turf. Following a full school rebuild, we are looking to complete the last piece of the puzzle which is an upgrade to our turf. We envisage the new turf will be a multi purpose surface that can facilitate many sports. Apart from the St Johns School turf, the Maniototo doesn't have any suitable court surfaces that would meet health and safety standards. The current turf was laid in 2003 and is simply worn out. Our community is home to a lot of sporting talent, however maybe more importantly, due to our remoteness, sport is where many of us find connection, and wellbeing. Over the last 20 plus years many a sports mad Maniototo kid has developed their skills with the use of this facility, some of whom have gone on to represent New Zealand. Our next generation deserves the same opportunity without having to travel many many kilometres to a similar playing surface. Although carefully maintained, our climate has had its effect and It is currently a health and safety issue. We have had a number of injuries reported to the BOT. This past year we have fully renovated our school Gym which sits beside the turf. Initially we had hoped to complete both the gym and turf projects from MOE and school funding, however QS on both project tenders have come back in 2-3x greater which now puts us in a position unable to fund both projects fully. The Board of Trustees will ensure a maintenance fund is in place and that with a 20 year life of the surface funding is invested for future replacement. The Board of Trustees approached the council when we heard of some funding possibly going towards upgrading another area of courts in Ranfurly. We believe the $200.000 going towards our turf project will benefit our community more directly. We are already working with the Maniototo Maggots rugby team in a partnership for the use of our gym. We see the turf as a possible extension of these kinds of community relationships. A surface that can be used effectively by many groups. Thank you for your consideration. Sarah Paterson Presiding Member Maniototo Area School Board of Trustees

Q54. **Which option do you prefer?** not answered

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

not answered

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

Q1.	**I'm registered for Let's Talk**	Yes. Please skip past the demographic questions and click next at the bottom of the page.
Q2.	**First name**	not answered
Q3.	**Last name**	not answered
Q4.	**Email address**	not answered
Q5.	**What is your connection to the Central Otago District?**	I'm a Central Otago District ratepayer
Q6.	**Where do you live?**	Not applicable
Q7.	**What year were you born?**	not answered
Q8.	**What gender do you identify with most?**	not answered
Q9.	**I am submitting**	as an individual
Q10.	**Do you want to speak to your submission at a formal meeting?**	no
Q11.	**Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12.	**Please choose your preferred option.**	Option B: Status quo. Water services continue to be owned, maintained and delivered by Council.

Q13. **Would you like to comment on our plan for water?**

not answered

Q14.	**Please choose your preferred option.**	Option C: Status quo. Retain the charge at 60 cents per cubic metre, with a fixed charge at $843.54 per connection.

Q15. **Would you like to comment on volumetric charges?**

The proposed increase to 2.40 is a huge jump and I do not agree with this as it will affect severely who are on fixed incomes.

Q16.	**Please select your preferred option.**	Option B: Maintain the current level of support that Council provides for all of the halls and facilities listed above.
Q17.	**Which hall/facility would you like to comment?**	not answered

Q18. Would you like to comment on the Ophir Hall?

not answered

not answered

Q42. Would you like to comment on the Wallace Memorial Rooms?

not answered

Q43. Would you like to upload any supporting documents about halls and facilities? not answered

Q44. Which option do you prefer? Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?

not answered

Q46. Which option do you prefer? Option B: Retain the outdoor pool in Alexandra.

Q47. Would you like to provide comments on the Alexandra outdoor pool?

Retain for short term and monitor use, once it's gone its gone.

Q48. **Which option do you prefer?**	Option B: Provide additional funding of up to $1.6 million, loan funded over a period of 10 years.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?**	Option A: Agree to provide a $250,000 grant funded through the tourism reserves.

Q51. **Would you like to provide comments on the Supercars Championship?**

Brings in a large amount of flow on visitors and revenue.

Q52. **Which option do you prefer?**	Option B: Provide a $200,000 grant loan funded over a period of 10 years.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

not answered

Q54. **Which option do you prefer?**	Option B: Provide a $300,000 grant loan funded over a period of 10 years

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

not answered

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

Our rates have increased by a fairly large % and I expect that increase to mean we don't need to be increasing other areas in addition to that. The majority of fixed income older residents will struggle with all these extra costs.

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q13. **Would you like to comment on our plan for water?**	not answered
Q14. **Please choose your preferred option.**	Option C: Status quo. Retain the charge at 60 cents per cubic metre, with a fixed charge at $843.54 per connection.

Q15. **Would you like to comment on volumetric charges?**

We are a large user of water because of course we are a bowling club and have a green which must be watered regardless of the cost.This puts us in a real problem area as our membership is 80% retired and on a fixed income.Any increase is not a viable proposition for us,especially your proposal for a 400% increase.Our club is a social hub and a very valuable asset which is used by not only our members,but by the public at large.An increase as proposed may lead to us considering winding up as an increase in fees to members is just not acceptable.I would therefore on behalf of our 55 club members register our strong opposition to the proposal.

Q16. **Please select your preferred option.** Option B: Maintain the current level of support that Council provides for all of the halls and facilities listed above.

Q17. **Which hall/facility would you like to comment?** not answered

Q24. Would you like to comment on Clyde Hall?

not answered

Q25. Would you like to comment on Becks Hall?

On behalf of my family we would like the Becks Hall to continue to be owned by the CODC for the community to use as it has been in the past. This hall is extremely important to the rural community from St Bathans to Omakau and beyound. We currently use it several times a week for strength and excercise classes. It is an ideal building for our community meetings, first aid courses, Rural women meetings and days to make cushions for breast cancer patients. We have used it in the past for family celebrations and have appreciated community cricket and rugby matches there, also drought meetings all of these events important for our rural farmers to have these get togethers when times are tough. We need to keep our centre of our communtity for our kids and grandchildren to have the opportunity to meet other locals from our area.

Q12.	**Please choose your preferred option.**	not answered

Q13. **Would you like to comment on our plan for water?**

I appreciate Council needs to upgrade water services, but like all assets they need mantainance. Council has failed to deliver this and now due government requirements Council has to update the services. 1. The services that are being up graded should be good for 30 ,40 50 years? So why not cover those costs over the life time of the service. 2. The costs to ratpayers on a single income is horrendous. Where do you think rate payers are going to source that rate of increase from. 3. If Council has borrowed so much from LGNZ they should sell some held assets, landbanks, etc ,to cover the costs. Council need to pull their heads in rate payers are not bottomless pits.

Q14.	**Please choose your preferred option.**	not answered

Q15. **Would you like to comment on volumetric charges?**

None Ratepayers are not bottomless pits. Sell some assets to pay for this. Do some cost cutting. Stop the consultants. Cut staff. Stop the DEI

Q16.	**Please select your preferred option.**	not answered

Q17. **Which hall/facility would you like to comment?** not answered

Q18. **Would you like to comment on the Ophir Hall?**

not answered

Q19. **Would you like to comment on the Poolburn Hall?**

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?** not answered

Q44. **Which option do you prefer?** not answered

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

Stop putting options out there. Do what councils are supposed to do. Cut costs. Reduce salaries. Stop consultant fees. Stop DEI.

Q46. **Which option do you prefer?** not answered

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

All community assets need to be maintained. It was built for and payed for by the rate payers for the community. Stop sherking your responsibilities.

Q48. **Which option do you prefer?** not answered

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

If Council can't maintain and manage community assets, which have been bought and paid for by the rate payers. They are not fit to hold office.

Q50. **Which option do you prefer?** not answered

Q51. **Would you like to provide comments on the Supercars Championship?**

This is a private venture. This money would be better spent on other tourist ventures ie heritage

Q52. **Which option do you prefer?** not answered

Q53. **Would you like to provide comments on the Artificial Turf at Manlototo Area School?**

I am sure there is a sporting fund that grants and money can be sourced from . Like all good community projects ,when people raise ,they have ownership and appreciate what they .

Q54. **Which option do you prefer?** not answered

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

As above-mentioned.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

Council needs to be more mind full of the horrendous rate and water costs. Ratepayers can not afford this . Spread the costs over the life time of the assets renewed. Sell Council assets to cover costs. Cut Council costs. Stop following the WEF plan.

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

No to the long term plan Totally reject it

Q58. **Would you like to upload any supporting documents?** not answered

Q59. **How did you hear about this engagement opportunity? You may tick more than one.** not answered

Q29. Would you like to comment on the Ranfurly Hall?

This Hall is an important part of connecting with the community by way of musicals, visiting entertainment, school productions, school prize givings, wet day alternative venue for labour weekend markets, the occasional wedding, dance recitals. I have been a member of the Musical Society/Theatre group for over 40 years and there is no other facility suitable to put on productions.

Q1. **I'm registered for Let's Talk**	No. Please complete the demographic questions below.
Q2. **First name**	not answered
Q3. **Last name**	not answered
Q4. **Email address**	not answered
Q5. **What is your connection to the Central Otago District?**	not answered
Q6. **Where do you live?**	not answered
Q7. **What year were you born?**	not answered
Q8. **What gender do you identify with most?**	not answered
Q9. **I am submitting**	as an individual
Q10. **Do you want to speak to your submission at a formal meeting?**	no
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	Option B: Status quo. Water services continue to be owned, maintained and delivered by Council.

Q13. **Would you like to comment on our plan for water?**

Historically CCOs create higher costs

Q14. **Please choose your preferred option.**	Option C: Status quo. Retain the charge at 60 cents per cubic metre, with a fixed charge at $843.54 per connection.

Q15. **Would you like to comment on volumetric charges?**

not answered

Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.

Q17. **Which hall/facility would you like to comment?**

Clyde Railway Station Building
Blyth Street Museum, Clyde
Clyde Hall
Centennial Milk Bar

Q18. **Would you like to comment on the Ophir Hall?**

not answered

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

not answered

Q21. **Would you like to comment on the Clyde Railway Station Building?**

This is only one of three of the original station buildings left on the line. This building is historically significant for Clyde and all who travelled on the line. A significant amount of community funding was raised to restore it to its current state and this heritage must be retained. I understand the only earthquake risk is the chimney and am confident the community would fund this without council being required to contribute. This must not move out of public control as it is part of the historic villages drawing visitors and visitor dollars to the area.

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

not answered

Q23. **Would you like to comment on Blyth Street Museum, Clyde?**

The Blyth Street Museum is a treasure to the community, housing collections found nowhere else in the district. The closure of this museum risks lo Clyde's accessible links to the past. Council should maintain this facility, secure a sound long term lease and with the lessee investigate options to generate more income from this venue. Perhaps now that there will be no church hall small groups my pay to use the meeting chambers. This building has no earthquake risk so no future cost associated.

Q24. **Would you like to comment on Clyde Hall?**

Clyde Hall is a well used hall and the only sizeable space that is a true community space. Now that the church hall has been sold the meeting space options diminish further. The suggestion that Alexandra facilities are an option flies in the face of reducing the carbon footprint as many of Clyde's residents walk to and from the Clyde Hall. Clyde has a great community heart and to change the status of the hall would risk ripping the heart out of Clyde.

Q25. **Would you like to comment on Becks Hall?**

not answered

Q26. **Would you like to comment on Vallance Cottage?**

not answered

Q27. **Would you like to comment on the Riding for the Disabled?**

not answered

Q28. Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?

not answered

Q29. Would you like to comment on the Ranfurly Hall?

not answered

Q30. Would you like to comment on the Naseby Hall?

not answered

Q31. Would you like to comment on the Patearoa Hall?

not answered

Q32. Would you like to comment on the Waipiata Hall?

not answered

Q33. Would you like to comment on the Wedderburn Hall?

not answered

Q34. Would you like to comment on the Millers Flat Hall?

not answered

Q35. Would you like to comment on the Millers Flat Bowling Club?

not answered

Q36. Would you like to comment on the Roxburgh Squash Court Building?

not answered

Q37. Would you like to comment on the Fenton Library?

not answered

Q38. Would you like to comment on the Naseby General Store?

not answered

Q39. Would you like to comment on another hall or facility?

not answered

Q40. Would you like to comment on the Centennial Milk Bar?

The Centennial Milk bar is of significant historic value. This was the refreshment rooms for the railcar when it stopped for 30 minutes. Ranfurly has gained a reputation for its art deco buildings, the Milk Bar being one of the main buildings. Does council really want to be responsible for the demise of this heritage building rather than look at creative ways to 'build' on its existence?

Q41. Would you like to comment on the Ranfurly Service Centre?

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?** not answered

Q44. **Which option do you prefer?** Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

not answered

Q46. **Which option do you prefer?** Option A: Close and decommission the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

not answered

Q48. **Which option do you prefer?** not answered

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?** Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

This is a wealthy sport that can pay its own way.

Q52. **Which option do you prefer?** not answered

Q53. **Would you like to provide comments on the Artificial Turf at Manlototo Area School?**

not answered

Q54. **Which option do you prefer?** not answered

Q12. **Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.
Q13. **Would you like to comment on our plan for water?**	not answered
Q14. **Please choose your preferred option.**	Option A: Increase the volumetric charge to $2.40 per cubic metre, with the fixed charge of $509.24 per connection.
Q15. **Would you like to comment on volumetric charges?**	not answered
Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.

Q17. **Which hall/facility would you like to comment?**

Ophir Hall
Clyde Railway Station Building
Clyde Hall

Q18. **Would you like to comment on the Ophir Hall?**

Should continue as it is now.

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

not answered

Q21. **Would you like to comment on the Clyde Railway Station Building?**

Should also continue as it is now, tenanted by a biking company, with the building open to the public

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

not answered

Q23. **Would you like to comment on Blyth Street Museum, Clyde?**

not answered

Q24. **Would you like to comment on Clyde Hall?**

It should continue to be maintained by the council, as it is now

Q25. **Would you like to comment on Becks Hall?**

not answered

Q26. **Would you like to comment on Vallance Cottage?**

not answered

Q27. **Would you like to comment on the Riding for the Disabled?**

not answered

Q31. **Would you like to comment on the Patearoa Hall?**

not answered

Q32. Would you like to comment on the Walplata Hall?

not answered

Q33. Would you like to comment on the Wedderburn Hall?

not answered

Q34. Would you like to comment on the Millers Flat Hall?

not answered

Q35. Would you like to comment on the Millers Flat Bowling Club?

not answered

Q36. Would you like to comment on the Roxburgh Squash Court Building?

not answered

Q37. Would you like to comment on the Fenton Library?

not answered

Q38. Would you like to comment on the Naseby General Store?

not answered

Q39. Would you like to comment on another hall or facility?

not answered

Q40. Would you like to comment on the Centennial Milk Bar?

not answered

Q41. Would you like to comment on the Ranfurly Service Centre?

not answered

Q42. Would you like to comment on the Wallace Memorial Rooms?

not answered

Q43. Would you like to upload any supporting documents about halls and facilities? not answered

Q44. Which option do you prefer? Option B: Do not support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?

The Roxburgh Community wanted the pool rebuilt, so they should look after it. It seems strange this is only being mentioned by them now, a year or so after it has opened, when it has been such a long time, funding it to be built. Would have thought these ongoing management problems would have been looked at way before now.

Q46. Which option do you prefer? Option A: Close and decommission the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

Is unfortunate it needs to be decommissioned, but the hard truth is, it is not affordable

Q48. **Which option do you prefer?** — Option A: Provide additional funding of up to $1.6 million towards the construction of the Manuherekia Valleys Community Hub, funded from Vincent General Reserves.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

As there is money in the Vincent General reserves, that money should be used

Q50. **Which option do you prefer?** — Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

It's not up to the Council to fund this

Q52. **Which option do you prefer?** — Option B: Provide a $200,000 grant loan funded over a period of 10 years.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

So long as the public can get some use and enjoyment from this facility

Q54. **Which option do you prefer?** — Option B: Provide a $300,000 grant loan funded over a period of 10 years

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

So long as the public can get some use and enjoyment from this facility

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

In the Significance and Engagement Policy, it mentions that Central Stories is a strategic asset. Of course it is, so should be funded accordingly, with the total amount they need to function in the community, paid to them automatically, rather than them having to request contestable funding, not knowing if it is going to be granted, and spending all that time and effort into organising the funding, rather than spending their time and energy into running Central Stories as the Community Hub it is. It is the only Council funded Art Gallery in the entire CODC area, and it does so much more than just being an Art Gallery. Really hope this issue can be addressed.

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

Appreciate the CODC is in an inenviable position, and appreciate being given the chance to share my views, thanks.

Q58. **Would you like to upload any supporting documents?** — not answered

Q15. **Would you like to comment on volumetric charges?**

not answered

Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.

Q17. **Which hall/facility would you like to comment?**

Ranfurly Hall
Waipiata Hall
Fenton Library
Naseby General Store
Centennial Milk Bar
Ranfurly Service Centre
Wallace Memorial Rooms

Q18. **Would you like to comment on the Ophir Hall?**

not answered

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

not answered

Q21. **Would you like to comment on the Clyde Railway Station Building?**

not answered

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

not answered

Q23. **Would you like to comment on Blyth Street Museum, Clyde?**

not answered

Q24. **Would you like to comment on Clyde Hall?**

not answered

Q25. **Would you like to comment on Becks Hall?**

not answered

Q26. **Would you like to comment on Vallance Cottage?**

not answered

Q27. **Would you like to comment on the Riding for the Disabled?**

not answered

Q28. **Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?**

not answered

Q29. **Would you like to comment on the Ranfurly Hall?**

not answered

Q30. **Would you like to comment on the Naseby Hall?**

not answered

Q31. **Would you like to comment on the Patearoa Hall?**

not answered

Q32. **Would you like to comment on the Waipiata Hall?**

This hall is a great Community asset, and also important in case of civil emergency.

Q33. **Would you like to comment on the Wedderburn Hall?**

not answered

Q34. **Would you like to comment on the Millers Flat Hall?**

not answered

Q35. **Would you like to comment on the Millers Flat Bowling Club?**

not answered

Q36. **Would you like to comment on the Roxburgh Squash Court Building?**

not answered

Q37. **Would you like to comment on the Fenton Library?**

not answered

Q38. **Would you like to comment on the Naseby General Store?**

not answered

Q39. **Would you like to comment on another hall or facility?**

not answered

Q40. **Would you like to comment on the Centennial Milk Bar?**

not answered

Q41. **Would you like to comment on the Ranfurly Service Centre?**

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

This building is used concistently and does bring in an income. It does not require Earthquake upgrades.

Q43. **Would you like to upload any supporting documents about halls and facilities?** not answered

Q44. **Which option do you prefer?** Option B: Do not support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

not answered

Q46. **Which option do you prefer?** Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

not answered

Q48. **Which option do you prefer?** Option B: Provide additional funding of up to $1.6 million, loan funded over a period of 10 years.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?** Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

I believe the Highlands Motorsport Park is something that should have council encouragement but not financial support. I believe such venues should be financed as a user pays situation.

Q52. **Which option do you prefer?** Option B: Provide a $200,000 grant loan funded over a period of 10 years.

Q53. **Would you like to provide comments on the Artificial Turf at Manlototo Area School?**

not answered

Q54. **Which option do you prefer?** Option B: Provide a $300,000 grant loan funded over a period of 10 years

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

I believe the school should run event such as school fetes to raise funds to pay off the loan.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

I believe Council should hear the views of all significant groups in the community. But only elected reps should be able to vote on matters before the Council.

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q58. **Would you like to upload any supporting documents?** not answered

Q59. **How did you hear about this engagement opportunity? You may tick more than one.**	The News - Central Otago Positively Maniototo Word of mouth

not answered

Q24. **Would you like to comment on Clyde Hall?**

The Clyde Playcentre would like to make a submission to please keep the Clyde Hall open and functioning as it is. The Clyde Playcentre actually began it's life in the Clyde Hall, before a custom-built premises was built just up the road on Fache Street. Until the library stopped the Tuesday opening day at the end of the last year, each week our Playcentre took our Tamariki to the library for story time with Shelly. Unfortunately, our Playcentre does not open on a Friday so we can now no longer do this, which is a real shame as both Tamariki and parents/guardians enjoyed this time. As well as using the library, we have sued the hall for our fundraising events, and during the winter we like to use the larger space of the Supper Room for a week of Movement for the Tamariki when we hire equipment from Sports Otago. A few years ago the hall saved the day at the last minute when the Clyde Christmas Market was soaked with rain. Events like these make up a large part of our fundraising and the hall was invaluable to many groups at that time. please don't let let this valuable asset to Clyde be lost. Sincerely, The Clyde Playcentre Parent Council 36-38 Fache Street, Clyde

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

This submission is in support of Central Stories request for funding increase t $160,000.00.. Before the Central Stories was built I was involved in a cafe and art gallery at Fruitlands and in conversation with overseas and NZ tourists I was told many times that they drove straight through Alexandra because they could see no central place of interest to stop at. The Central Stories building is now doing that function. Unfortunately the information centre was removed to a low profile location, however I understand the museum staff is endeavouring to develop that function again. This in conjunction with the current art and an historical museum will create more widespread interest in this whole district.

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

Please keep the museum and art galleries going plus the movie theatre as they are an essential part of our community and people if all ages attend these facilities daily as I have been a volunteer for them and know it is well used by our public it gets lots of visitors Also a great place for people to seek information about what's available in the area community for visitors who have not been to our area before We have dedicated residents who are doing there best to keep this functioning Paula is doing a great job promoting different events into the venue but needs more paid help as a very big job for one person to manage and it could even better with more ideas for future events This is a job for the council to manage so maybe one of their paid staff could work with Paula on her projects as this would be a great way to maximise money making ventures and help with other issues and support her with her ideas. Regards Annette Sent from my iPhone

Q1.	**I'm registered for Let's Talk**	Yes. Please skip past the demographic questions and click next at the bottom of the page.
Q2.	**First name**	not answered
Q3.	**Last name**	not answered
Q4.	**Email address**	not answered
Q5.	**What is your connection to the Central Otago District?**	not answered
Q6.	**Where do you live?**	not answered
Q7.	**What year were you born?**	not answered
Q8.	**What gender do you identify with most?**	not answered
Q9.	**I am submitting**	as an individual
Q10.	**Do you want to speak to your submission at a formal meeting?**	no
Q11.	**Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12.	**Please choose your preferred option.**	Option B: Status quo. Water services continue to be owned, maintained and delivered by Council.

Q13. **Would you like to comment on our plan for water?**

Council do a great job at managing the water for Central Otago. No need for all the bureaucracy in creating a new entity.

Q14.	**Please choose your preferred option.**	Option C: Status quo. Retain the charge at 60 cents per cubic metre, with a fixed charge at $843.54 per connection.

Q15. **Would you like to comment on volumetric charges?**

Higher per-connection fees and lower water usage charges ensure a minimum funded amount for local water costs. Water is a human right and restricting access to those who can pay for it (especially in the drier months) isn't acceptable. Water is used for gardens (helping with food costs), and increasing the costs of water is going to mean a significant increase to those who currently spend the effort to grow their own food or produce for others.

Q16.	**Please select your preferred option.**	Option A: Divest all of the community halls listed (highlighted in green above).

Q17. Which hall/facility would you like to comment? not answered

Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	Option B: Status quo. Water services continue to be owned, maintained and delivered by Council.
Q13. **Would you like to comment on our plan for water?**	not answered
Q14. **Please choose your preferred option.**	not answered
Q15. **Would you like to comment on volumetric charges?**	not answered
Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.

Q17. **Which hall/facility would you like to comment?**

Ophir Hall
Clyde Police Lockup
Clyde Railway Station Building
Former Clyde Museum Stables & Goods Shed
Blyth Street Museum, Clyde
Clyde Hall
Vallance Cottage

Q18. **Would you like to comment on the Ophir Hall?**

I oppose divestment of this well-used community facility

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

Divestment of the Police Lock Up: Clyde Museum is the current owner of the Police Lockup. The museum would like to relocate this historic building to the rose garden area at the Blyth St Clyde Museum Site.

Q21. **Would you like to comment on the Clyde Railway Station Building?**

I oppose divestment of this heritage building and support SheBikesHeBikes continuation as a tenant, and the Clyde Museum continuing to have a presence in the building.

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

I oppose divestment of the Goods Shed, located within the Council Reserve area in Clyde. The Clyde Museum relies on this historic building for collection storage. The museum requests a similar long-term lease agreement as recommended for the Blyth St Museum above. If the goods shed were to be divested, the museum requests the right of first refusal (ROFR) on purchasing this building.

Q23. **Would you like to comment on Blyth Street Museum, Clyde?**

I oppose divestment of the Clyde Historical Museum at 5 Blyth Street. We strongly recommend that the museum continues to operate at this site under a long-term lease agreement (preferably 10 + 10 + 10 years). This arrangement would provide the long-term security and certainty needed for the museum's sustainable future. • Ensuring a Fit for Purpose Facility: Under a long-term lease agreement, the Clyde Museum would anticipate an agreed approach by Council to covering ongoing capital expenses to ensure the building is fit for purpose. Improvements to heating, electrical upgrades and improvements to toilet facilities would help create a warm, safe and welcoming all-year-round facility. ▪ Equitable Support and Funding: Clyde Museum requests parity with other Central Otago museums in receiving annual operational funding as a budgeted line item within the CODC budget. This request is grounded in Council's resolution passed at the meeting on 30 October 2024. • Right of First Refusal: If a decision is made by Council to divest the Clyde Museum on Blyth Street, we request that the museum should have the right of first refusal (ROFR) to acquire for a $1 payment.

Q24. **Would you like to comment on Clyde Hall?**

I oppose divestment of this well-used community facility.

Q25. **Would you like to comment on Becks Hall?**

not answered

Q26. **Would you like to comment on Vallance Cottage?**

I oppose divestment of this historic HNZ category 2 building. The timing for considering divestment is probematic given thw current state of the building. Perhpas re-consider divestment once the building has been stablised to a point where is is open to the public.

Q27. **Would you like to comment on the Riding for the Disabled?**

Q28. Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?

not answered

Q29. Would you like to comment on the Ranfurly Hall?

The Maniototo Theatre Group are regular users of the Ranfurly Town Hall, booking it for 9 weeks in the years that we put on a production. We leave some lighting and sound equipment on-site throughout the year and use the backstage area to keep some props, costumes and other show related items. Our group has spent significant amounts of money on improvements to the hall in recent years (around $61K) with improved lighting totalling $6K put in last year, an expense we would not have under-taken if we had known the hall could be up for sale this year! We have discussed the council's proposal as a committee. We all agree the Ranfurly Town Hall is an important hub for the surrounding community and the groups within it, Maniototo Theatre Group, Maniototo Area School and St. John's School, Lions and the Fire Brigade. We don't feel we could take ownership of the Ranfurly Town Hall as we do not have the skills or time or guaranteed longevity of our group to maintain it. Our preferred outcome is for the council to retain Ranfurly Town Hall in preference to the other local halls listed. If necessary, delay earthquake proofing measures until closer to the deadline. That should enable spreading the cost over more years.

Q9. **I am submitting**	as an individual
Q10. **Do you want to speak to your submission at a formal meeting?**	no
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.

Q13. **Would you like to comment on our plan for water?**

not answered

Q14. **Please choose your preferred option.**	Option B: Increase the volumetric charge to $1.80 per cubic metre, with the fixed charge at $639.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

Its a balance. We need to minimise the impact on general 'rates', but ensure water is user-pays oriented. $2.40 per cube seems to high, on top of the nominated fixed charge.

Q16. **Please select your preferred option.**	Option B: Maintain the current level of support that Council provides for all of the halls and facilities listed above.

Q17. **Which hall/facility would you like to comment?** not answered

Q18. **Would you like to comment on the Ophir Hall?**

not answered

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

not answered

Q21. **Would you like to comment on the Clyde Railway Station Building?**

not answered

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

not answered

Q23. **Would you like to comment on Blyth Street Museum, Clyde?**

not answered

Q24. **Would you like to comment on Clyde Hall?**

not answered

Q25. **Would you like to comment on Becks Hall?**

not answered

Q26. **Would you like to comment on Vallance Cottage?**

not answered

Q27. **Would you like to comment on the Riding for the Disabled?**

not answered

Q28. **Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?**

not answered

Q29. **Would you like to comment on the Ranfurly Hall?**

not answered

Q30. **Would you like to comment on the Naseby Hall?**

not answered

Q31. **Would you like to comment on the Patearoa Hall?**

not answered

Q32. **Would you like to comment on the Walplata Hall?**

not answered

Q33. **Would you like to comment on the Wedderburn Hall?**

not answered

Q34. **Would you like to comment on the Millers Flat Hall?**

not answered

Q35. **Would you like to comment on the Millers Flat Bowling Club?**

not answered

Q36. **Would you like to comment on the Roxburgh Squash Court Building?**

not answered

Q37. **Would you like to comment on the Fenton Library?**

not answered

Q38. **Would you like to comment on the Naseby General Store?**

not answered

Q39. **Would you like to comment on another hall or facility?**

not answered

Q40. **Would you like to comment on the Centennial Milk Bar?**

not answered

Q41. **Would you like to comment on the Ranfurly Service Centre?**

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?** — not answered

Q44. **Which option do you prefer?** — Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

not answered

Q46. **Which option do you prefer?** — Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

The outdoor pool must be kept. The indoor pool isn't very palatable in the middle of summer. We cannot expect our youth to be swimming in the local rivers. Matau/Clutha - is a tad dangerous. Manuherekia - gets a tad 'yucky'. The youth, families, whomever, ratepayers deserve an option that is clean, safe and accessible.

Q48. **Which option do you prefer?** Option A: Provide additional funding of up to $1.6 million towards the construction of the Manuherekia Valleys Community Hub, funded from Vincent General Reserves.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?** Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

I do not support a quarter of a million dollars being given to a private entity. UNLESS, somehow we as ratepayers get a profit share agreement? We need guaranteed returns.

Q52. **Which option do you prefer?** Option A: Provide a $200,000 grant, rate funded in the 2026/27 financial year.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

We need regional/satellite multi purpose surfaces to help promote and further many sports. This is a must.

Q54. **Which option do you prefer?** Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

This is a must. Central Otago sports, especially Hockey, are suffering as a result of only having the Cromwell turf. Turf time, turf access is limited (at Cromwell) which puts pressure on families to be able to make 4pm game starts, on a school day. As a result kids are being pulled from teams. Putting money in to a turf facility at DHS makes economic sense, as opposed to elsewhere. There is existing infrastructure to support it (parking, change facilities) and its existence would help benefit other areas, such as lighting up the school rugby fields. So it would be a 2-bird, with 1-stone scenario.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q58. **Would you like to upload any supporting documents?** not answered

Q59. **How did you hear about this engagement opportunity? You may tick more than one.**	The News - Central Otago Social media **Other (please specify)** Dunstan High School email communications. Email

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?** — not answered

Q44. **Which option do you prefer?** — Option B: Do not support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

I think the system that was in place, eg families taking responsibility for thier own much like at a beach or river, negates the need for a trained lifeguard, maybe just attendants cleaners whom have done first aid. Or have swab access only and no attendant.

Q46. **Which option do you prefer?** — Option A: Close and decommission the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

not answered

Q48. **Which option do you prefer?**	Option B: Provide additional funding of up to $1.6 million, loan funded over a period of 10 years.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?**	Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

not answered

Q52. **Which option do you prefer?**	Option C: Do not support

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

not answered

Q54. **Which option do you prefer?**	Option B: Provide a $300,000 grant loan funded over a period of 10 years

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

not answered

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

What is the charge: OTHER, Unauthorised and other activities at cost referring to?

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q1.	**I'm registered for Let's Talk**	Yes. Please skip past the demographic questions and click next at the bottom of the page.
Q2.	**First name**	not answered
Q3.	**Last name**	not answered
Q4.	**Email address**	not answered
Q5.	**What is your connection to the Central Otago District?**	not answered
Q6.	**Where do you live?**	not answered
Q7.	**What year were you born?**	not answered
Q8.	**What gender do you identify with most?**	not answered
Q9.	**I am submitting**	as an individual
Q10.	**Do you want to speak to your submission at a formal meeting?**	no
Q11.	**Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12.	**Please choose your preferred option.**	Option B: Status quo. Water services continue to be owned, maintained and delivered by Council.

Q13. **Would you like to comment on our plan for water?**

At this time, there is insufficient information available to make a educated decision as to which way to progress, either CCO or CODC.

Q14.	**Please choose your preferred option.**	Option A: Increase the volumetric charge to $2.40 per cubic metre, with the fixed charge of $509.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

The options provided are limited. As a user pays service, the connection charge should be minimal (ie $100) and volumetric charge rate a lot higher, even as high as $6.00 per cubic metre (it is cheap water at 0.6 of a cent per litre)

Q16.	**Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.

Q17. Which hall/facility would you like to comment? not answered

Q18. Would you like to comment on the Ophir Hall?

not answered

Q19. Would you like to comment on the Poolburn Hall?

not answered

Q20. Would you like to comment on the Clyde Police Lockup?

not answered

Q21. Would you like to comment on the Clyde Railway Station Building?

not answered

Q22. Would you like to comment on the Former Clyde Museum Stables & Goods Shed?

not answered

Q23. Would you like to comment on Blyth Street Museum, Clyde?

not answered

Q24. Would you like to comment on Clyde Hall?

not answered

Q25. Would you like to comment on Becks Hall?

not answered

Q26. Would you like to comment on Vallance Cottage?

not answered

Q27. Would you like to comment on the Riding for the Disabled?

not answered

Q28. Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?

not answered

Q29. Would you like to comment on the Ranfurly Hall?

not answered

Q30. Would you like to comment on the Naseby Hall?

not answered

Q31. Would you like to comment on the Patearoa Hall?

not answered

Q32. Would you like to comment on the Walplata Hall?

not answered

Q33. Would you like to comment on the Wedderburn Hall?

not answered

Q34. Would you like to comment on the Millers Flat Hall?

not answered

Q35. Would you like to comment on the Millers Flat Bowling Club?

not answered

Q36. Would you like to comment on the Roxburgh Squash Court Building?

not answered

Q37. Would you like to comment on the Fenton Library?

not answered

Q38. Would you like to comment on the Naseby General Store?

not answered

Q39. Would you like to comment on another hall or facility?

not answered

Q40. Would you like to comment on the Centennial Milk Bar?

not answered

Q41. Would you like to comment on the Ranfurly Service Centre?

not answered

Q42. Would you like to comment on the Wallace Memorial Rooms?

not answered

Q43. Would you like to upload any supporting documents about halls and facilities?	not answered
Q44. Which option do you prefer?	Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?

not answered

Q46. Which option do you prefer?	Option A: Close and decommission the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

not answered

Q48. **Which option do you prefer?**	Option A: Provide additional funding of up to $1.6 million towards the construction of the Manuherekia Valleys Community Hub, funded from Vincent General Reserves.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

With the council funding up to $1.6 million, the disposal of the Ophir, Poolburn, and Becks halls would be necessary, with funds recouped from the sale going to reducing funding required from council.

Q50. **Which option do you prefer?**	Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

It would appear at this point in time, Super cars will not come to Cromwell. If Supercars should have a change of proposed venue, choosing Cromwell, then I strongly oppose any proposal of CODC providing any funding to Supercars. Supercars is a commercial company, trading in the automobile competition market. Let us not set any precedents in funding commercial business operations. Did the Taupo District Council provide any funding to Supercars for the recent Supercars meet, there.

Q52. **Which option do you prefer?**	Option C: Do not support

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

not answered

Q54. **Which option do you prefer?**	Option C: Do not support

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

not answered

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q58. **Would you like to upload any supporting documents?**	not answered

Q1. **I'm registered for Let's Talk**	No. Please complete the demographic questions below.
Q2. **First name**	Hazel
Q3. **Last name**	Sycamore
Q4. **Email address**	[redacted]
Q5. **What is your connection to the Central Otago District?**	I'm a Central Otago District ratepayer
Q6. **Where do you live?**	Teviot Valley Ward
Q7. **What year were you born?**	[redacted]
Q8. **What gender do you identify with most?**	[redacted]
Q9. **I am submitting**	as an individual
Q10. **Do you want to speak to your submission at a formal meeting?**	no
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	not answered

Q13. **Would you like to comment on our plan for water?**

not answered

Q14. **Please choose your preferred option.**	Option A: Increase the volumetric charge to $2.40 per cubic metre, with the fixed charge of $509.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

As a pensioner, with the increase in rates over the last two years, these new charges are exorbitant and unrealistic for people on the pension. Will there be a hardship allowance?

Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.
Q17. **Which hall/facility would you like to comment?**	Millers Flat Hall

Q18. Would you like to comment on the Ophir Hall?

not answered

Q19. Would you like to comment on the Poolburn Hall?

not answered

Q20. Would you like to comment on the Clyde Police Lockup?

not answered

Q21. Would you like to comment on the Clyde Railway Station Building?

not answered

Q22. Would you like to comment on the Former Clyde Museum Stables & Goods Shed?

not answered

Q23. Would you like to comment on Blyth Street Museum, Clyde?

not answered

Q24. Would you like to comment on Clyde Hall?

not answered

Q25. Would you like to comment on Becks Hall?

not answered

Q26. Would you like to comment on Vallance Cottage?

not answered

Q27. Would you like to comment on the Riding for the Disabled?

Q44. Which option do you prefer?	Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?

not answered

Q46. Which option do you prefer?	Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

Pool usage numbers would increase if the outdoor poor was staffed all summer. This is a safe alternative to rivers, lakes Growing up beside the outdoor pool down by linger in die we would love our own kids to experience this growing up. I use the pool for outdoor swims/lenghts, nice being cooler and fresh outside. We take holiday programme kids there in the summer.. There isn't many places to go for activities at venues for our local Tamariki, it's awesome to have this for kids, families, it also brings visitors to town. From Cromwell and surrounds as well as others for the big events.

Q48. **Which option do you prefer?**	Option A: Provide additional funding of up to $1.6 million towards the construction of the Manuherekia Valleys Community Hub, funded from Vincent General Reserves.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?**	Option A: Agree to provide a $250,000 grant funded through the tourism reserves.

Q51. **Would you like to provide comments on the Supercars Championship?**

not answered

Q52. **Which option do you prefer?**	Option A: Provide a $200,000 grant, rate funded in the 2026/27 financial year.

Q53. **Would you like to provide comments on the Artificial Turf at Manlototo Area School?**

not answered

Q54. **Which option do you prefer?**	Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

A huge benefit to all in the community.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

Q12. **Please choose your preferred option.**	not answered

Q13. **Would you like to comment on our plan for water?**

not answered

Q14. **Please choose your preferred option.**	Option A: Increase the volumetric charge to $2.40 per cubic metre, with the fixed charge of $509.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

Option A is of most benefit to us as part time residents with minimal water consumption

Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.
Q17. **Which hall/facility would you like to comment?**	Ophir Hall Clyde Hall

Q18. **Would you like to comment on the Ophir Hall?**

Ophir Peace Memorial Hall: The heart of our community, A highly prized structure in our historic precinct, which is now in constant use for a huge variety of purposes. At the upcoming Easter Potato festival annual potluck dinner and auction, we will have three generations present, our grandson will participate just as his mother did thirty odd years ago. This hall hosts events which are part of the village culture and on important intergenerational part of Ophir families' lives, both permeant and part time. Last Sunday night 20th the hall held appox 100 people in a beautifully prepared long table potluck "potato festival' where significant members of the community past and present ere remembered in the way that a marae holds the spirits of those gone before who have given to the village, this hall holds those memories of people who have passed on many of us share stories of not only Sam Leash, Lou & Sandra Robinson.

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

not answered

Q25. **Would you like to comment on Becks Hall?**

not answered

Q26. **Would you like to comment on Vallance Cottage?**

not answered

Q27. **Would you like to comment on the Riding for the Disabled?**

not answered

Q28. **Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?**

not answered

Q29. **Would you like to comment on the Ranfurly Hall?**

not answered

Q30. **Would you like to comment on the Naseby Hall?**

not answered

Q31. **Would you like to comment on the Patearoa Hall?**

not answered

Q32. **Would you like to comment on the Waipiata Hall?**

not answered

Q33. **Would you like to comment on the Wedderburn Hall?**

not answered

Q34. **Would you like to comment on the Millers Flat Hall?**

not answered

Q35. **Would you like to comment on the Millers Flat Bowling Club?**

not answered

Q36. **Would you like to comment on the Roxburgh Squash Court Building?**

not answered

Q37. **Would you like to comment on the Fenton Library?**

not answered

Q38. **Would you like to comment on the Naseby General Store?**

not answered

Q39. **Would you like to comment on another hall or facility?**

not answered

Q40. **Would you like to comment on the Centennial Milk Bar?**

not answered

Q41. **Would you like to comment on the Ranfurly Service Centre?**

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?** — not answered

Q44. **Which option do you prefer?** — Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

A small ratepayer base would find it difficult to sustain maintenance of the facility which is a valuable asset to the town and an important locally accessible place to improve water safety for young and old, as well as recreation.

Q46. **Which option do you prefer?** Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

In a smallish town, more recreational options for all are desirable. From my experience this pool is well supported number wise, and provides easy access to swimming instruction and team events which are much needed

Q48. **Which option do you prefer?** not answered

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?** Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

I strongly oppose CODC giving financial support to a private business. In terms of attracting visitors, it is my belief that they already attend events HMP and will continue to do so. In my view this is a discretionary activity which should be user pays.

Q52. **Which option do you prefer?** Option A: Provide a $200,000 grant, rate funded in the 2026/27 financial year.

Q53. **Would you like to provide comments on the Artificial Turf at Manlototo Area School?**

We need to encourage all teens to participate in outdoor activities if they so choose, so providing winter proof surface for hockey etc. is facilitating this goal by eliminating transport barriers and fostering social cohesion and local pride/identity.

Q54. **Which option do you prefer?** Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

As for previous response. (8)

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

Section 3 Community halls and facilities (continued) Ophir Peace Memorial hall Lois and Bill Galer, Norman and mavis Robinson, Brida and Kevin Dowling, Ken and Betty Leask the list goes on.. These departed people are kept alive by the story sharing that connects people to their past who only gather together in this place that all of those people contributed skills and labour, time and talent towards. How disrespectful to undermine these efforts? to place no value on ALL the human endeavour both current and in the past. The gatherings are inclusive in all respects, multicultural across urban/rural, professional/blue collar "people a truly varied demographic, my point being, that indigenous cultures do not have a monopoly on the concept that places hold the communal memories and spirits of those that belonged/belong there. This could not be said about the omakau "hub" in my view if that is to be the prosed alternative.

Q58. **Would you like to upload any supporting documents?**	not answered
Q59. **How did you hear about this engagement opportunity? You may tick more than one.**	The News - Central Otago **Other (please specify)** Ophir newsletter

Q1. **I'm registered for Let's Talk**	No. Please complete the demographic questions below.
Q2. **First name**	Mark
Q3. **Last name**	Tyrrell
Q4. **Email address**	[redacted]
Q5. **What is your connection to the Central Otago District?**	I'm a Central Otago District ratepayer
Q6. **Where do you live?**	Vincent Ward (Alexandra and surrounds)
Q7. **What year were you born?**	[redacted]
Q8. **What gender do you identify with most?**	
Q9. **I am submitting**	as an individual
Q10. **Do you want to speak to your submission at a formal meeting?**	no
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.
Q13. **Would you like to comment on our plan for water?**	not answered
Q14. **Please choose your preferred option.**	Option A: Increase the volumetric charge to $2.40 per cubic metre, with the fixed charge of $509.24 per connection.
Q15. **Would you like to comment on volumetric charges?**	We have low water usage.
Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.
Q17. **Which hall/facility would you like to comment?**	Ophir Hall Clyde Hall

Q18. **Would you like to comment on the Ophir Hall?**

Of vital importance to the local and wider communities. Huge local support has gone into extensive upgrades resulting in on extensively utilized facility with a wide reputation and historic significance. It has become the regular meeting place of the community. This is particular importance through the winter period, when very little else is open and local people can walk to the comfortably warm hall. I strongly oppose CODC giving financial support to a private business. In terms of attracting visitors, it is my belief that they already attend events Visting artists enjoy the venue + the supportive community and have spread word to other performers.

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

not answered

Q21. **Would you like to comment on the Clyde Railway Station Building?**

not answered

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

not answered

Q23. **Would you like to comment on Blyth Street Museum, Clyde?**

not answered

Q24. **Would you like to comment on Clyde Hall?**

Important, well-supported venue for music entertainment pat on lay local community participants (e.g Les mis, hunchback of Notre dome)

Q25. **Would you like to comment on Becks Hall?**

not answered

Q26. **Would you like to comment on Vallance Cottage?**

not answered

Q38. Would you like to comment on the Naseby General Store?

not answered

Q39. Would you like to comment on another hall or facility?

not answered

Q40. Would you like to comment on the Centennial Milk Bar?

not answered

Q41. Would you like to comment on the Ranfurly Service Centre?

not answered

Q42. Would you like to comment on the Wallace Memorial Rooms?

not answered

Q43. Would you like to upload any supporting documents about halls and facilities? not answered

Q44. Which option do you prefer? not answered

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

An important community assed used by the schools. Do the Education Ministry/Schools contribute? Many Schools elsewhere run their own pools, so I assume they cover their costs too.

Q46. **Which option do you prefer?** Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

A lovely fascility and used for ice swimming in winter.

Q48. **Which option do you prefer?** Option B: Provide additional funding of up to $1.6 million, loan funded over a period of 10 years.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?** Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

Should be self,funded. Only serves a small number of local inhabitants, so why do rate payers contribute to a fossilburning commercial enterprise?

Q52. **Which option do you prefer?** Option B: Provide a $200,000 grant loan funded over a period of 10 years.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

A multi-use turf should have ?20 year life?

Q54. **Which option do you prefer?** Option B: Provide a $300,000 grant loan funded over a period of 10 years

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

Good assett for the school and community.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

Consider the Contact Energy consent process for funds to ensure future care of the Manuherikia catchment near the Alexandra Region

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q58. **Would you like to upload any supporting documents?** not answered

Q59.	**How did you hear about this engagement opportunity? You may tick more than one.**	Word of mouth

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

The Blossom Festival is a loved event that plays an important role in the Alexandra community. It brings big benefits to the town — helping local businesses and attracting visitors who help put Alexandra on the map. The festival also strengthens community pride and brings people together, creating a real sense of celebration. Given its social and economic value, it's important that funding for the Blossom Festival is included in the Long-Term Plan to help it continue to thrive.

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

As Co-President of Molyneux Turf Incorporated (MTI), I am writing in strong support of Central Otago District Council's proposal to contribute funding towards the development of a full-sized multipurpose artificial turf at Dunstan High School. This project represents a significant and much-needed investment in the sporting infrastructure of Alexandra and the wider Central Otago region. The proposed facility will deliver lasting benefits for both the school and the broader community. It will cater to a range of sports and recreation needs, supporting school activities during the day and providing vital space for community use in the evenings and weekends. MTI is committed to ensuring the turf is accessible, well-managed, and financially sustainable over the long term. With strong backing from the community, careful planning, and a clear vision for the future, this project is a crucial step forward for encouraging participation, wellbeing, and resilience in our district.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	Option B: Status quo. Water services continue to be owned, maintained and delivered by Council.
Q13. **Would you like to comment on our plan for water?**	not answered
Q14. **Please choose your preferred option.**	Option C: Status quo. Retain the charge at 60 cents per cubic metre, with a fixed charge at $843.54 per connection.
Q15. **Would you like to comment on volumetric charges?**	not answered
Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.

Q17. **Which hall/facility would you like to comment?**

Clyde Police Lockup
Clyde Railway Station Building
Former Clyde Museum Stables & Goods Shed
Blyth Street Museum, Clyde
Clyde Hall

Q18. **Would you like to comment on the Ophir Hall?**

not answered

Q19. **Would you like to comment on the Poolburn Hall?**

not answered

Q20. **Would you like to comment on the Clyde Police Lockup?**

The Clyde Museum should relocate this building to the garden area at the Blyth St museum site

Q21. **Would you like to comment on the Clyde Railway Station Building?**

I oppose divestment and support SheBikesHeBikes continuation as a tenant.

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

I oppose divestment of the Goods Shed and support a long term lease agreement between council and the Clyde Museum. If divestment were to occur, I support the Clyde Museums request for right of first refusal.

Q23. **Would you like to comment on Blyth Street Museum, Clyde?**

I oppose divestment of this museum and support the recommendation that the Museum continues to operate under a long-term lease agreement with improvements to heating, electrical and toilet facilities. If a decision is made by council to divest, I support the museums request for right of first refusal to acquire for a $1 payment.

Q24. **Would you like to comment on Clyde Hall?**

I oppose divestment of this well used community facility

Q25. **Would you like to comment on Becks Hall?**

not answered

Q26. **Would you like to comment on Vallance Cottage?**

not answered

Q27. **Would you like to comment on the Riding for the Disabled?**

Q1.	**I'm registered for Let's Talk**	Yes. Please skip past the demographic questions and click next at the bottom of the page.
Q2.	**First name**	not answered
Q3.	**Last name**	not answered
Q4.	**Email address**	not answered
Q5.	**What is your connection to the Central Otago District?**	I live in the district
Q6.	**Where do you live?**	Vincent Ward (Alexandra and surrounds)
Q7.	**What year were you born?**	[redacted]
Q8.	**What gender do you identify with most?**	[redacted]
Q9.	**I am submitting**	as an individual
Q10.	**Do you want to speak to your submission at a formal meeting?**	no
Q11.	**Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12.	**Please choose your preferred option.**	Option B: Status quo. Water services continue to be owned, maintained and delivered by Council.

Q13. **Would you like to comment on our plan for water?**

Yes, I want the current water charges to remain the same.

Q14.	**Please choose your preferred option.**	Option C: Status quo. Retain the charge at 60 cents per cubic metre, with a fixed charge at $843.54 per connection.

Q15. **Would you like to comment on volumetric charges?**

I have a rented unit at the Heritage Village located at 6 Gregg Street Alexandra. I also own and operate Central refrigeration and Air conditioning ltd. Alexandra. Option A and B would impact on my body corp fees at heritage village and on my business as we use significant amount of water during our summer Ice manufacturing process.

Q16.	**Please select your preferred option.**	not answered

Q17. **Which hall/facility would you like to comment?** not answered

Q15. **Would you like to comment on volumetric charges?**

not answered

Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.
Q17. **Which hall/facility would you like to comment?**	Ophir Hall

Q18. **Would you like to comment on the Ophir Hall?**

The Ophir hall is the heart of the Ophir community. If the local community were no longer able to use this facility it would change the culture of the town completely. Removing assets from small communities is not the way to go . Small communities deserve to have their place to socialise , healthy communities enables positive outcomes. Removing facilities will only lower land values which in the end will result in less rates take to the council Please look at more than dollars but at what this hall means and will continue to mean. Please keep the Ophir hall and help keep the community healthy and not tuned into a forgotten

Fire Smart Naseby is a group representing the wider Naseby Community. The aim of this group is to raise the awareness of wildfire risk within the Naseby community, provide a community contact point for Fire and Emergency NZ , work with key stakeholders to advocate for wildfire risk reduction. Advocate for and work with other EM organisations. I.E EM Otago. Implement initiatives to reduce wildfire risk. We believe it is important for the Central Otago District Council to engage with groups like Fire Smart Naseby as part of its commitment to the central Otago communities. If a representative from council could contact me either at this address, Firesmart Naseby or a phone call to Gordon [redacted] so we can discuss what the future looks like for Naseby?? The committee are currently meeting every 2 months. This may also be an opportunity for the group to meet Council representatives?

Q43. **Would you like to upload any supporting documents about halls and facilities?** — not answered

Q44. **Which option do you prefer?** — Option B: Do not support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

not answered

Q46. **Which option do you prefer?** — Option A: Close and decommission the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

not answered

Q48. **Which option do you prefer?**	Option A: Provide additional funding of up to $1.6 million towards the construction of the Manuherekia Valleys Community Hub, funded from Vincent General Reserves.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50. **Which option do you prefer?**	Option A: Agree to provide a $250,000 grant funded through the tourism reserves.

Q51. **Would you like to provide comments on the Supercars Championship?**

not answered

Q52. **Which option do you prefer?**	Option A: Provide a $200,000 grant, rate funded in the 2026/27 financial year.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

not answered

Q54. **Which option do you prefer?**	Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

not answered

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q58. **Would you like to upload any supporting documents?**	not answered
Q59. **How did you hear about this engagement opportunity? You may tick more than one.**	The News - Central Otago Central App Social media Word of mouth Postcard in the mail

Q1. **I'm registered for Let's Talk**	Yes. Please skip past the demographic questions and click next at the bottom of the page.
Q2. **First name**	not answered
Q3. **Last name**	not answered
Q4. **Email address**	not answered
Q5. **What is your connection to the Central Otago District?**	not answered
Q6. **Where do you live?**	not answered
Q7. **What year were you born?**	not answered
Q8. **What gender do you identify with most?**	not answered
Q9. **I am submitting**	as an individual
Q10. **Do you want to speak to your submission at a formal meeting?**	no
Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.

Q13. **Would you like to comment on our plan for water?**

My largest concern is regarding the potential for this organisation to be privatized, which would not be in the best interest of water users in the district.

Q14. **Please choose your preferred option.**	Option A: Increase the volumetric charge to $2.40 per cubic metre, with the fixed charge of $509.24 per connection.

Q15. **Would you like to comment on volumetric charges?**

Strongly support increases in volumetric charging over fixed connection increases.

Q16. **Please select your preferred option.**	not answered
Q17. **Which hall/facility would you like to comment?**	not answered

Q11. **Please provide your daytime phone number and email. We will be in touch to confirm the date and time of the meeting. The hearings will be held on 15-16 May 2025.**	not answered
Q12. **Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.
Q13. **Would you like to comment on our plan for water?**	not answered
Q14. **Please choose your preferred option.**	Option C: Status quo. Retain the charge at 60 cents per cubic metre, with a fixed charge at $843.54 per connection.
Q15. **Would you like to comment on volumetric charges?**	not answered
Q16. **Please select your preferred option.**	Option C: Maintain Council support for specific halls and facilities on the list above.
Q17. **Which hall/facility would you like to comment?**	Poolburn Hall

Q18. **Would you like to comment on the Ophir Hall?**

not answered

Q19. **Would you like to comment on the Poolburn Hall?**

The Poolburn Hall continues to be the central facility for functions and events for residents of the Ida Valley (Poolburn and Moa Creek). It is well loved and used regularly by the local community and Poolburn School. It continues to host one off events like meetings, weddings, milestone birthday parties, reunions and is regularly used by the local cricket team (Blacks Hill) and for tennis players using the tennis courts. I also understand the community continues to use the facilities and playground for pre-school groups. The Poolburn school hosts shows and concerts for the community, and gives children the opportunity to perform for an audience on stage, and to develop skills that prepare them for future endeavors as the mature into adults. The community is not largely populated, so buying from CODC and maintaining and operating privately by the community would be too expensive, particularly with the insurances and liability cover that would be required for a public facility. Unlike other halls or facilities being assessed in the LTP, there is no other location in the Ida Valley with which to host meetings, events and functions. There is no public or private premises (ie alternative sports club, hotel/tavern or cafe/restaurant/function rooms). It would be a massive loss to the Poolburn and Moa Creek communities, as the hall allows people to get together in small or larger groups, and this is crucial to keep community spirit alive and well. Most local residents are farmers or farming related, and so it is massively important to have a facility that promotes the ability to congregate and celebrate, and ensure the mental health of the community in what can otherwise be a lonely rural area, where most farmers work alone or in isolated situations. Having a facility like the Poolburn Hall, which is operated by the CODC is essential, for the community.

Q20. **Would you like to comment on the Clyde Police Lockup?**

not answered

Q21. **Would you like to comment on the Clyde Railway Station Building?**

not answered

Q22. **Would you like to comment on the Former Clyde Museum Stables & Goods Shed?**

not answered

Q40. Would you like to comment on the Centennial Milk Bar?

not answered

Q41. Would you like to comment on the Ranfurly Service Centre?

not answered

Q42. Would you like to comment on the Wallace Memorial Rooms?

not answered

Q43.	**Would you like to upload any supporting documents about halls and facilities?**	not answered
Q44.	**Which option do you prefer?**	Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

Similar situation to Ranfurly Pool makes sense

Q46.	**Which option do you prefer?**	Option A: Close and decommission the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

If not being used to level expected, then shut it down. Indoor pool is clearly the main pools being used.

Q48.	**Which option do you prefer?**	Option B: Provide additional funding of up to $1.6 million, loan funded over a period of 10 years.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

makes sense to take a loan over 10 years and spread the financing cost for ratepayers

Q50.	**Which option do you prefer?**	Option A: Agree to provide a $250,000 grant funded through the tourism reserves.

Q51. **Would you like to provide comments on the Supercars Championship?**

tourism reserve is the right place to fund this investment

Q52.	**Which option do you prefer?**	Option A: Provide a $200,000 grant, rate funded in the 2026/27 financial year.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

for a funding grant of this nature, I believe its best to fund in the short term (1 year).

Q54.	**Which option do you prefer?**	Option A: Provide a $300,000 grant rate funded in the 2025/26 financial year

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

for a funding grant of this nature, I believe its best to fund in the short term (1 year).

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q58. **Would you like to upload any supporting documents?**	not answered

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

The lighting must be appropriate to protecting the prospective Central Otago International Dark Sky Reserve. There are lighting options available for such a facility in a dark sky place with specifications in tower height, horizontal light spread etc. It is important that these requirements are factored into the budget at the planning stage.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

We are seeking CODC's support in building an application to designate Alexandra and the surrounding area as a Dark Sky Reserve through Dark Sky International. Our target is to have the CO IDSR in place before the 2028 Otago Total Solar Eclipse.

Q58. **Would you like to upload any supporting documents?** — https://s3-ap-southeast-2.amazonaws.com/ehq-production-australia/7843293ae951d56e6b37aa359c251c4cbf5bb7a9/original/1745903016/aa69be1345e3bf17252af8c8f4666131_Winterstellar%20Submission%20to%20CODC%20LTP.pdf?1745903016

Re: Central Otago 2025-34 Long-term Plan Submissions, Funding for Central Stories Museum and Art Gallery, Alexandra I respectfully submit this request for continued and enhanced funding for Central Stories Museum and Art Gallery. Located in the heart of Alexandra, Central Stories serves as a vital hub for preserving our unique heritage and fostering artistic expression. The museum provides invaluable opportunities for residents and visitors alike to connect with the rich history of Central Otago, ensuring that the stories of our past continue to inform and enrich our present. It acts as a keeper of our collective memory, safeguarding taonga and narratives that define our identity. It is the unique nature of our Central Otago heritage that leads me to believe that the museum and gallery is far more deserving of funding than sports events or motor racing, which can be found anywhere in the country. Furthermore, Central Stories plays a crucial role in nurturing our vibrant arts scene. It offers a dedicated space where local artists can showcase their talent, connect with the community, and contribute to the cultural fabric of Alexandra. For example, it is the home of the Central Otago Art Society's Blossom Festival Exhibition which celebrated its 50th anniversary in 2024, evidence of continuing support and popularity. Providing a platform for Central Otago artists not only enriches our lives aesthetically but also supports the local creative economy and fosters a sense of place. Investing in Central Stories Museum and Art Gallery is an investment in the soul of our community. It strengthens our connection to our past, celebrates our present creativity, and enriches the lives of all who call Central Otago home. I urge you to recognize the intrinsic value of this institution and to provide the necessary funding to ensure its continued success and growth. Thank you for your thoughtful consideration of this important matter.

Q40. Would you like to comment on the Centennial Milk Bar?

I am signing this letter to accompany the Community Feedback support form as I believe that key buildings in Ranfurly should be retained. In particular I believe that the Centennial Milk Bar is a valuable resource for our community for the following reasons; • Visitor numbers are approximately 4000 per year • It exemplifies the Art deco flavour of the Maniototo and promotes tourism which impacts positively on local businesses • It is staffed by unpaid volunteers with local knowledge. They regularly provide advice to visitors, especially when the Visitor Centre is closed • The Centennial Milk Bar was opened in 1948 to recognise Central Otago's Centenary. This highlights our deep community links • As the only Art Deco museum in the Southern Hemisphere we are visited by local schools and tourist coaches • Our historical collection is donated, or loaned, by Maniototo families and gives an outstanding educational resource for Local Context studies • As our building does not have earthquake strengthening issues, we have the potential, if assured of our future, to explore other options such as an 'Artist in Residence' in our upstairs flat, or a Community Venue • The building also houses other facilities such as an Op Shop and a beautician's • The Museum is not expensive to run, the main cost is 'depreciation', which is unavoidable and not a 'real' cost. In summary, I believe that the Rural Art Deco Museum should be retained. I have given my details, and any other feedback, in the attached form.

Q41. Would you like to comment on the Ranfurly Service Centre?

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

The Wallace Memorial Building is an important asset to our community for several reasons: • A memorial space that must be kept by the Community: The Wallace rooms, built in 1953 with donations from James Wallace and the Maniototo Women's Group, initially served as Women's Rest and Plunket Rooms, offering indoor toilets for adults and toddlers and a resting place with plunket services. It also provides access to toilets near the children's playground. The adjoining flat housed the local Plunket Nurse. Now, various community groups and specialists use it for activities and services such as physiotherapy, optometry, smoking cessation groups, and social agencies. T~ese groups pay a rental fee to CODC for usage. • Generates Income to cover running and capital costs: The Wallace rooms have a self-contained flat that generates consistent income for CODC. Operational costs are minimal. Rental income from the unit and room users helps cover these costs. • Groups find the meeting rooms ideal for small gatherings. They are easy to heat and perfect for small to medium-sized meetings. The rooms are well utilized. • Structurally sound and not prone to earthquakes. • The Wallace Memorial rooms are structurally sound, well-maintained, and located on freehold land. with no need for expensive earthquake strengthening • Accessibility • The building offers accessible angle parking in front and is a single-story structure on a level surface. This design allows users to safely enter and exit the building. Many users are elderly, and the accessibility supports their continued confidence and independence in the community. • Maniototo Bridge Club: As Users of the Building: The Maniototo Bridge Club has used the Wallace rooms for weekly bridge sessions on Wednesdays and monthly team competitions from February to December for approximately 15 years. The building's size is ideal for our club membership, and amenities like a new heat pump, LED lighting, and ample storage make it an ideal space for card playing. The adjoining kitchen is perfect for preparing light suppers, enhancing the social experience. More recently beginner lessons have been run from the venue and provide a quiet space for learning. • Promotion of the building could increase usage: The space is ideal for smaller community groups or visiting specialist visiting the Maniototo. It offers an insulated, heated and well-lit area with no alternative or similar size in the area The Wallace Memorial Rooms are an asset to our community. Preserving this building maintains local history and offers benefits through minimal maintenance costs and tenant income, ensuring sustainability. Its potential for future use further increases its value, deserving preservation for future generations. The current level of Council support should continue.

Q32. **Would you like to comment on the Waipiata Hall?**

CENTRAL OTAGO DISTRICT COUNCIL LONG TERM PLAN: This letter accompanies the Community Feedback support form to highlight the importance of retaining Waipiata Memorial Hall. • It is a memorial space built by the Community for use within the Community • The Waipiata Community Development Committee requests that any consideration of divestment be put on hold by the Council until the community investigates options for greater use of the hall. • The Waipiata hall is very much the centre of a wider community and the focus for it. Our community group includes residents, part-time residents, business operators and local farmers in the Waipiata township and surrounds. We actively work on historical preservation and development. Initiatives include tree planting, garden maintenance, installing street signage and information boards, restoring the Hamiltons-Waipiata Library, organizing fundraisers, and, most recently, producing an emergency preparedness brochure with Civil Defence, and preparing an emergency trailer with equipment and a generator, in which we have been generously supported by Kai Tahu. ▪ Waipiata Hall as Emergency H_ub in the event of Civil Defence emergency The hall is the obvious emergency hub for our area, and the only sizeable structure in the township for use in such an event. • Our group finds the smaller meeting room at the Hall ideal for community gatherings. It has a heat pump, an adjoining kitchen area, and is used for meetings, Anzac services, and potluck get- togethers. The larger hall area, with its sprung floor and stage, is suited for larger events. Previously it has hosted weddings, funerals, fundraisers, reunions, badminton, book launches, and was the venue for the Waipiata Darts Club. • Recently, the diesel heating system in the large hall was decommissioned by the council, making it less desirable for hire, especially during Central Otago winters. Regular maintenance and heating could improve usage, with ideas like starting a pickleball club, or other indoor sporting clubs or hosting fundraising activities such as garage sales. To improve the demand for use effort needs to go in to marketing the possibilities it offers Further, access needs to be facilitated by having a key available locally rather than only in Ranfurly. • Alternative Option: Consider focusing on the smaller room with modifications for better indoor-outdoor flow, retaining its function as a meeting place and emergency hub. • Public toilets are in the hall Significant community and council funds were spent on upgrading the toilets in recent years to allow entry from the rear of the building and wheelchair access. They are used by visitors to the area, especially cyclists biking the Central Rail Trail. The toilets are serviced and cleaned by a local volunteer. • EQP Waipiata Memorial Hall Council report identifies the hall as earthquake prone. We believe the council should wait for the expected new government guidelines before deciding on the hall's future. • Population Growth: Increased new builds in the area indicate growing usage potential. Waipiata, along with all other areas in the Maniototo, will inevitably benefit from the population pressure on Queenstown and Wanaka, as well as its proximity and easy access to Dunedin. The Waipiata Memorial Hall is an important asset to our community. Preserving this building maintains local history and its potential for future use further enhances its value, meriting preservation for future generations. Once lost, it is clear it would be lost forever. We respectfully request that Council continue to support the hall and refrain from considering divestment of the building in the Long-term Plan.

Q33. **Would you like to comment on the Wedderburn Hall?**

not answered

Q34. **Would you like to comment on the Millers Flat Hall?**

Q39. **Would you like to comment on another hall or facility?**

not answered

Q40. **Would you like to comment on the Centennial Milk Bar?**

I am signing this letter to accompany the Community Feedback support form as I believe that key buildings in Ranfurly should be retained. The Centennial Milk Bar is an important asset to our community for several reasons: • Visitor numbers are approximately 4,000 per year • It exemplifies the Art Deco flavour of the Maniototo and promotes tourism, which positively impacts local businesses • The Art Deco Museum is staffed by unpaid volunteers with local knowledge. They regul~rly provide adviceto visitors, especially when the Visitor Centre is cio$ed • The Centennial Milk Bar was opened in 1948 to recognize Central Otago's Centenary. This highlights our deep community links • As the only Art Deco Museum in the Southern Hemisphere, we are visited by local schools and tourist coaches • Our historical collection is donated or loaned by Maniototo families and provides an outstanding educational resource .for t...oc:at Coniext.studif'..s • As our building does not have earthquake strengthening issues, we have the potential, if assured of our future, to explore other options such as an 'Artist in Residence' in our upstairs area or a Community Venue • Additionally, the building contains an Opportunity Shop that generates funds for charities and supports local community initiatives. Also, a beautician offers skin care and well-being services, empowennq individuals to feel confident and engaged in their community • The capital expenditure proposed for the Centennial Milk Bar is minimal and running costs are already supplemented by rental income received from user groups providing exceptional community service. In summary the Centennial Milk Bar building is a cornerstone of our community's heritage. Retaining this building not only preserves a vital piece of our local history but also continues to offer significant benefits to the community. The Art Deco Museum, with its unique collection and educational value, attracts thousands of visitors annually, boosting local tourism and business. The volunteer-run museum and the Opportunity Shop within the building provide essentia1 services and support to both tourists and residents, fostering a strong sense of community and charity. The minimal capital expenditure needed to maintain the building, combined with the income from tenants, ensures that it remains a sustainable and valuable asset for the community. The potential for future initiatives such as an 'Artist in Residence' or a Community Venue further enhances its value. Overall, the Centennial Milk Bar building is not just a historical landmark but a living, thriving part of our community that deserves to be preserved for future generations. I believe that the Centennial Milk Bar building should be retained

Q41. **Would you like to comment on the Ranfurly Service Centre?**

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

The Wallace Memorial Building is an important asset to our community for several reasons: • A memorial space that must be kept by the Community: The Wallace rooms, built in 1953 with donations from James Wallace and the Maniototo Women's Group, initially served as Women's Rest and Plunket Rooms, offering indoor toilets for adults and toddlers and a resting place with plunket services. It also provides access to toilets near the children's playground. The adjoining flat housed the local Plunket Nurse. Now, various community groups and specialists use it for activities and services such as physiotherapy, optometry, smoking cessation groups, and social agencies. These groups pay a rental fee to CODC for usage. • Generates Income to cover running and capital costs: The Wallace rooms have a self-contained flat that generates consistent income for CODC. Operational costs are minimal. Rental income from the unit and room users helps cover these costs. • Groups find the meeting rooms ideal for small gatherings. They are easy to heat and perfect for small to medium-sized meetings. The rooms are well utilized. ▪ Structurally sound and not prone to earthquakes. ▪ The Wallace Memorial rooms are structurally sound, well-maintained, and located on freehold land. with no need for expensive earthquake strengthening • Accessibility • The building offers accessible angle parking in front and is a single-story structure on a level surface. This design allows users to safely enter and exit the building. Many users are elderly, and the accessibility supports their continued confidence and independence in the community. • Maniototo Bridge Club: As Users of the Building: The Maniototo Bridge Club has used the Wallace rooms for weekly bridge sessions on Wednesdays and monthly team competitions from February to December for approximately 15 years. The building's size is ideal for our club membership, and amenities like a new heat pump, LED lighting, and ample storage make it an ideal space for card playing. The adjoining kitchen is perfect for preparing light suppers, enhancing the social experience. More recently beginner lessons have been run from the venue and provide a quiet space for learning. • Promotion of the building could increase usage: The space is ideal for smaller community groups or visiting specialist visiting the Maniototo. It offers an insulated, heated and well-lit area with no alternative or similar size in the area The Wallace Memorial Rooms are an asset to our community. Preserving this building maintains local history and offers benefits through minimal maintenance costs and tenant income, ensuring sustainability. Its potential for future use further increases its value, deserving preservation for future generations. The current level of Council support should continue.

Q12. **Please choose your preferred option.**	Option A: Create a Council Controlled Organisation (CCO) from 1 July 2027.
Q13. **Would you like to comment on our plan for water?**	not answered
Q14. **Please choose your preferred option.**	Option B: Increase the volumetric charge to $1.80 per cubic metre, with the fixed charge at $639.24 per connection.
Q15. **Would you like to comment on volumetric charges?**	not answered
Q16. **Please select your preferred option.**	Option A: Divest all of the community halls listed (highlighted in green above).
Q17. **Which hall/facility would you like to comment?**	not answered

Q18. Would you like to comment on the Ophir Hall?

not answered

Q19. Would you like to comment on the Poolburn Hall?

not answered

Q20. Would you like to comment on the Clyde Police Lockup?

not answered

Q21. Would you like to comment on the Clyde Railway Station Building?

not answered

Q22. Would you like to comment on the Former Clyde Museum Stables & Goods Shed?

not answered

Q23. Would you like to comment on Blyth Street Museum, Clyde?

not answered

Q24. Would you like to comment on Clyde Hall?

not answered

Q25. Would you like to comment on Becks Hall?

not answered

Q26. Would you like to comment on Vallance Cottage?

not answered

Q27. Would you like to comment on the Riding for the Disabled?

not answered

Q28. Would you like to comment on the Former Clyde Briar & Herb factory, and cottage?

not answered

Q29. Would you like to comment on the Ranfurly Hall?

not answered

Q30. Would you like to comment on the Naseby Hall?

not answered

Q31. Would you like to comment on the Patearoa Hall?

not answered

Q32. Would you like to comment on the Waipiata Hall?

not answered

Q33. **Would you like to comment on the Wedderburn Hall?**

not answered

Q34. **Would you like to comment on the Millers Flat Hall?**

not answered

Q35. **Would you like to comment on the Millers Flat Bowling Club?**

not answered

Q36. **Would you like to comment on the Roxburgh Squash Court Building?**

not answered

Q37. **Would you like to comment on the Fenton Library?**

not answered

Q38. **Would you like to comment on the Naseby General Store?**

not answered

Q39. **Would you like to comment on another hall or facility?**

not answered

Q40. **Would you like to comment on the Centennial Milk Bar?**

not answered

Q41. **Would you like to comment on the Ranfurly Service Centre?**

not answered

Q42. **Would you like to comment on the Wallace Memorial Rooms?**

not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?** not answered

Q44. **Which option do you prefer?** Option A: Support Council ownership and management of the Ida MacDonald Roxburgh Pool Punawai Ora.

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

This is an amazing asset for the community, especially our rangatahi. It would be great to create more mahi for the people in Teviot Valley, as well as ensuring that the pool is consistently available and safe (during the Summer season).

Q46. **Which option do you prefer?** Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

Although I do not personally use the pool, we have been privileged to use this through our work (Puna Rangatahi, BLAST programme). Feedback has been given about incorporating more water-based activities for this programme, and it would be likely that we would use the outdoor pool for this. I think there is more than could be done to attract people to use the outdoor pool, such as events (BBQ's, inflatables, etc.).

Q48. **Which option do you prefer?** Option A: Provide additional funding of up to $1.6 million towards the construction of the Manuherekia Valleys Community Hub, funded from Vincent General Reserves.

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

Yes, I think the council should provide additional funding. The community hub will be able to provide many opportunities for the community. As someone who grew up in Omakau, I understand the effects of 'missing out' on opportunities for connection and community due to many factors (travel costs, timing, etc.). As a Youth Worker, supporting rangatahi in Manuherekia, it would be incredibly beneficial to utilise a neutral space to support rangatahi in – either in a one-on-one setting or providing drop-ins and group wellbeing programmes.

Q50. **Which option do you prefer?** Option A: Agree to provide a $250,000 grant funded through the tourism reserves.

Q51. **Would you like to provide comments on the Supercars Championship?**

not answered

Q52. **Which option do you prefer?** Option A: Provide a $200,000 grant, rate funded in the 2026/27 financial year.

Q53. **Would you like to provide comments on the Artificial Turf at Maniototo Area School?**

Māniatoto have many strong athletes and it would be amazing for them to have this asset. Again, as a Youth Worker, I run the BLAST programme for MAS and we utilise this space. It would be a great asset for the community. Alternatively, it would be great for the tennis/netball courts in Ranfurly (behind the rugby clubrooms) to have some TLC. This would be more community-orientated and would be a great space for holiday-makers and tourists. I am not sure if these are council-owned – if not, please disregard.

Q54. **Which option do you prefer?** Option C: Do not support

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

I think that this project would be better suited for the Netball Courts on Dunstan Road, with roofing. This opens it up for more people to use, and makes it more easily accessible. I think the people living in the flats beside the current courts would be impacted by the construction, as well as the people visiting to watch games. Love the idea, but I think there are other spaces this could work better.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**

not answered

Q57. **Other commentsDo you have any other comments to make in relation to the key proposals and content of the draft 2025-2034 Long-term Plan?**

not answered

Q58. **Would you like to upload any supporting documents?**	not answered
Q59. **How did you hear about this engagement opportunity? You may tick more than one.**	not answered

Q43. **Would you like to upload any supporting documents about halls and facilities?** not answered

Q44. **Which option do you prefer?** not answered

Q45. **Would you like to provide comments on the Ida MacDonald Roxburgh Pool Punawai Ora?**

not answered

Q46. **Which option do you prefer?** Option B: Retain the outdoor pool in Alexandra.

Q47. **Would you like to provide comments on the Alexandra outdoor pool?**

By having no outside pool we are encouraging more kids to swim in our rivers rather than the safety of a pool. Considering the Manuherikia is not always clean enough to swim in then the Clutha becomes the obvious choice. For a place like Alexandra it would be such a shame to not have an outside pool to offer our kids and visitors to the town.

Q48. **Which option do you prefer?** not answered

Q49. **Would you like to provide comments on the Manuherekia Valleys Community Hub?**

not answered

Q50.	**Which option do you prefer?**	Option C: Do not support

Q51. **Would you like to provide comments on the Supercars Championship?**

not answered

Q52.	**Which option do you prefer?**	not answered

Q53. **Would you like to provide comments on the Artificial Turf at Manlototo Area School?**

not answered

Q54.	**Which option do you prefer?**	Option B: Provide a $300,000 grant loan funded over a period of 10 years

Q55. **Would you like to provide comments on the Artificial Turf at Dunstan High School?**

When funds are tight and we have a turf 20 minutes away in Cromwell is it necessary to have one at Dunstan as well, I'm not convinced either way.

Q56. **Long-term Plan Policies Would you like to provide comments on the following policies as outlined on pages 34 - 41 of the consultation document?- Fees and charges- Development and Financial Contributions Policy- Revenue and Financing Policy- Significance and Engagement Policy**
